State of South Carolina

Office of the Governor

NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

January 13, 2014

To the People of South Carolina and Members of the General Assembly,

The budget that I submit today builds upon the themes that have been at the core of my administration's priorities from the very beginning – creating jobs and improving the business climate in South Carolina, providing a better education for our children, making our state a safer place to live and work, finding ways to develop our infrastructure without raising taxes, and protecting the most vulnerable members of our society.

Together, we've made real progress on every one of those fronts. We've announced more than 42,000 new jobs since 2011 and nearly \$10 billion in capital investment. The unemployment rate has fallen from 10.6% when I took the oath to 7.1% now – the lowest rate in five years. And over 69,000 more South Carolinians are working today than when I became Governor in January 2011.

After spending a year traveling the state and meeting with teachers, parents, principals, superintendents, legislators, and others who care so deeply about education, I announced a K-12 Education Reform Initiative last week that puts us on the path to better schools for all of our children and more opportunity for those who are growing up in our poorest and most rural communities. I hope you'll give my proposals serious consideration.

My proposed budget for Fiscal Year 2014-15 also places a high priority on making South Carolina safer, by putting more law enforcement officers on the street, giving them the tools and equipment they need to get the job done, and supporting them with more prosecutors both through the Prosecution Coordination Commission and the Attorney General's Office. We have seen successes in the past three years – shuttering nearly 1,300 meth labs and reducing highway fatalities to levels not seen since 1982 – but we can and we must do better.

Last year, I asked that when the "money tree" falls in May – as it seems to every year – the proceeds be used to improve our bridge and highway infrastructure. I'm grateful that you honored this request, and this year, I'll ask you to do it again. We're finding ways to fix our roads without raising taxes in South Carolina and that's something we can all be proud of.

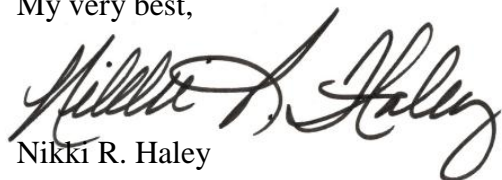

In regard to taxes, 2014 is the third year in a row that we've cut taxes for our small businesses. This year, I will renew my request that families get a chance to receive a tax cut of their own, by

eliminating the 6% individual income tax bracket. This change would give us a fairer and flatter tax system and put money back into the pockets of South Carolina's working families.

And finally, in this budget, I ask that we undertake a major new effort to drive down the waiting lists for programs that serve the disabled and special needs communities. Although we have been able to increase enrollment in these programs since 2011, the queue for these services has been growing even faster. That has to stop.

You've heard me say it before, but it's a great day in South Carolina. We've made big strides in the past three years, and I look forward to working with you in 2014 to keep the momentum going.

My very best,

A handwritten signature in black ink, reading "Nikki R. Haley". The signature is written in a cursive, flowing style. The first name "Nikki" is written in a larger, more prominent script, followed by "R." and "Haley".

Financial Overview

Annual Change in Appropriations, by Fund Type

The table below summarizes the changes in General Fund and Total Funds appropriations (including Other and Federal Funds) under the Executive Budget. General Fund appropriations provide agencies with actual funding, while the General Assembly's approval of Other Funds or Federal Funds authorization merely gives agencies permission to expend resources they may obtain from other sources, such as fees, fines, tuition payments, or transfers from other agencies or organizations.

Many agencies receive Other/Federal authorizations well in excess of their actual need, without any actual cost to the taxpayers. Excess authorization may, however, create the impression that the state budget is growing faster than it truly is. For instance, the FY 2014-15 Executive Budget recommends that the Department of Health and Human Services (HHS) receive \$13.3 million in General Funds to be matched with \$31.5 million in Federal Funds in order to make progress reducing waiting lists for waiver programs operated by the Department of Disabilities and Special Needs (DDSN). In DDSN's budget, these funds are recognized as Other Funds. The same \$13.3 million is therefore counted twice in the annual growth in Total Funds (as General Funds at HHS and again as Other Funds at DDSN).

FY 2014-15 Budget Themes

Providing a Better Education

K-12 Funding Reform

Governor Haley's Executive Budget for FY 2014-15 calls for a series of funding changes that would make dramatic progress in improving educational equity and outcomes for South Carolina's K-12 students.

First, the Executive Budget proposes a transition from the existing K-12 funding formula to the model proposed by the Education Oversight Committee (EOC). Paired with the Haley Administration's recommendation that Base Student Cost be raised to \$2,120 in FY 2014-15, this would drive nearly \$135 million more through the Education Finance Act (EFA) formula than was provided in FY 2013-14. The EOC's model is simpler than the existing formula, containing fewer overall weightings and components. Also, under this proposal, South Carolina's K-12 funding mechanism would now:

- Provide additional support for school districts with higher poverty levels and with a greater prevalence of students with limited English proficiency;
- Create new "add-on" weightings for students requiring a more individualized education plan, including gifted and talented students, those failing to meet state standards, and students aged 17 to 21 who are pursuing a diploma or GED through an adult education program that is not in a conventional school-based setting; and
- More comprehensively reflect the needs of South Carolina's students, as opposed to the original EFA, which focused on students with disabilities.

A handful of school districts that would otherwise see small reductions during the first year of the new model would receive transition payments totaling \$3.8 million in order to prevent any diminution in their EFA allocations.

Focus on Reading

The FY 2014-15 Executive Budget also recognizes that reading is a foundational skill that a student must master by the end of third grade in order to remain on-track educationally and developmentally. Governor Haley proposes to use nearly \$30 million in recurring General Funds to provide every elementary school in South Carolina with access to a reading coach. These funds would be allocated based upon the proportion of a school's students that failed to meet basic reading standards in the prior year. In FY 2014-15, the 300 elementary schools in which 20% or more of the students received a "Not Met" score on the most recent reading assessment would each receive a state-funded reading coach. The state would fund half of the salary and benefit costs for a reading coach in the remaining 340 elementary schools, provided that the school district volunteered to participate in the program by providing a local match.

Since the recommended appropriation has been calculated based upon an estimated per-coach cost of \$62,730 for salary and benefits (Florida's average) and assumes that all elementary schools elect to participate for the entire fiscal year at the maximum salary level, it almost certainly provides several million dollars more than will ultimately be required in FY 2014-15. With this in mind, the Executive Budget proposes to allow excess funds of up to \$5 million to be used to provide teachers with reading-related professional development, such as obtaining reading credentials.

The FY 2014-15 Executive Budget also proposes to increase recurring support for summer reading camps from the \$1.5 million provided in FY 2013-14 to a total of \$6 million in the upcoming year, representing an increase of 300% for this program. None of these efforts would come at the expense of the lottery-supported programs for reading at the K-5 or 6-8 levels.

Technology Investments

As directed by proviso, the K-12 Technology Initiative Committee has continued to assess the technology-related needs of South Carolina's public schools. Based upon the efforts of that group and others, the EOC recently estimated that more than \$97 million would be needed in the coming years in order to provide students with the necessary technological infrastructure. In December 2013, the EOC recommended to "at least double" the existing \$10.2 million provided annually through the Education Improvement Act (EIA) for broadband improvements and to ideally go further, if sufficient non-recurring revenues could be identified.

Governor Haley proposes to dedicate one-quarter of the Capital Reserve Fund next year – nearly \$29.3 million – to the improvement of K-12 technology across South Carolina; this is in addition to preserving the existing \$10.2 million EIA allocation. Under the Governor's plan, funds would be allocated to school districts based upon their poverty indices and their average daily membership; the poorest districts would receive twice as much per student as the wealthiest districts. These resources could be used by school districts:

- To improve external connections to schools, with a goal of reaching at least 100 kilobits per second, per student in each school by 2017;
- To improve internal connections within schools, with a goal of reaching at least 1 megabit per second, per student in each school by 2017; or
- To develop or expand one-to-one computing initiatives.

This investment would make enormous progress towards meeting the goals set by the K-12 Technology Initiative Committee and the Education Oversight Committee, in addition to countless teachers, parents, and educational professionals. The Haley Administration sees this as a first step in a multi-year commitment to bring our urban and rural schools into the 21st Century.

To ensure that these funds would be put to the best possible use, the FY 2014-15 spending plan calls for a \$4 million non-recurring allocation for teacher training and professional development, focused specifically on the use of technology in the K-12 setting. Teachers have consistently identified this as a significant need during the past year.

Furthermore, the FY 2013-14 budget was the first to provide dedicated funding for digital instructional materials, such as electronic textbooks and software packages. In FY 2014-15, Governor Haley is recommending that the \$4 million in one-time funding provided for this purpose in the current year be increased to a total of \$12 million.

Charter Schools

Charter school enrollment has skyrocketed in the past several years, as thousands of South Carolina families have made the decision to enroll their children in settings they see as being better tailored to their specific needs. The FY 2014-15 Executive Budget proposes to shift funding for the Public Charter School District from the General Fund back to the EIA – its historic home – and to increase recurring support for the district by nearly \$13.8 million. Including the \$3 million that the District expects to carry-forward from FY 2013-14, this would allow for anticipated enrollment increases to be accommodated even as the per-student subsidies are raised from \$3,250 to \$3,600 for brick-and-mortar schools and from \$1,700 to \$1,900 for virtual schools.

In 2012, Governor Haley signed Act 164, which established but did not fund a new Charter School Facility Revolving Loan Program. This program was intended to provide charter schools with access to capital that could be used to construct, purchase, renovate, and maintain facilities. Supporters of charters have consistently reported that the lack of readily available facilities has impeded their ability to increase enrollment and has caused charter schools to use operating funds to pay for facility costs instead of core classroom expenses. The Executive Budget includes a \$4 million one-time allocation to provide seed funding for the revolving loan program.

Creating Jobs and Improving the Business Climate

Since entering office in January 2011, the Haley Administration has made the creation of new jobs and the expansion of existing in-state companies a top priority. This work is ongoing and will continue into the future, but the results of this focus speak for themselves.

During the past three years, the Haley Administration has been proud to announce over 42,000 new jobs, nearly \$10 billion in capital investment, and projects in 45 out of 46 counties. The unemployment rate has dropped 3.5%, from a high of 10.6% in January 2011 to 7.1% in November 2013 – marking a five-year low for South Carolina. Over 69,000 more South Carolinians are working today than in January 2011.

As reported by the U.S. Department of Commerce’s Bureau of Economic Analysis, South Carolina’s economy is the 12th fastest growing in the nation, and tied with North Carolina as the fastest growing state on the East Coast. South Carolina’s strong business environment, skilled workforce, and commitment to manufacturing have played an important role in this success. Since January 2011, the growth rate of manufacturing jobs in South Carolina has nearly doubled the national average, including that of North Carolina and Georgia.

Tax Cuts

In 2012, Governor Haley signed Act 287, which cut the income tax rate for pass-through business income in three level steps, from 5% in 2011 to 3% in 2014 and beyond. The Board of Economic Advisors projected that Act 287 would cut taxes by more than \$20 million per year (compounding annually) in each of those three years. In 2014, taxpayers are expected to save \$63.8 million due to these rate reductions.

Thanks to Act 287's staged approach, South Carolina's taxpayers have known with certainty since 2012 that additional tax cuts would soon be coming their way. Now that the tax rate on pass-through income has fallen to 3% (effective January 1, 2014), there are no additional tax cuts scheduled to take effect at any point in the future.

Governor Haley believes we must keep the momentum going by adopting additional cuts during the 2014 session. For this reason, the FY 2014-15 Executive Budget has been balanced even after foregoing the \$26.7 million in marginal revenue that the state receives through the 6% individual income tax bracket. This bracket applies to taxable income between \$11,520 and \$14,400. Eliminating the 6% bracket and allowing that income to be taxed at the next lowest rate (5%) would provide the three-quarters of filers who have a net income tax liability with an average savings of \$29 per year. This action would also provide clear evidence to the business community that South Carolina is serious about streamlining and limiting taxes.

Making South Carolina Safer

The FY 2014-15 Executive Budget further reinforces the Haley Administration's commitment to making South Carolina a safer place to live, work, and play by building upon the substantial new investments in law enforcement and public safety that have been made since 2011. These efforts are already bearing fruit – highway fatalities were lower last year than at any time since 1982.

The Executive Budget proposes a 9.6% increase in recurring General Fund support for the State Law Enforcement Division (SLED) in the upcoming year, representing more than \$3.5 million in additional funding. If this request is approved by the General Assembly, SLED's General Fund appropriations will be nearly 74% higher than in 2011.

The Governor's FY 2014-15 presentation fully funds a number of SLED's requests, including four new agents for the Child Fatality unit, five additional agents for the Narcotics unit, a \$500,000 (50%) increase in funds to eliminate methamphetamine labs, more than \$600,000 for promotions and reclassifications, additional resources for specialized training for aviation and forensics personnel, and \$70,000 more to provide the Piedmont Region with more useable and effective office space. Since the meth lab clean-up program was established in 2011, nearly 1,300 sites have been closed and 171 children have been rescued.

The Executive Budget also recommends more than \$460,000 in additional General Fund support for the Investigations unit, which would be sufficient to hire six additional agents – one for each of the four regions, plus dedicated agents for both the Public Corruption and the Insurance Fraud units. The Governor's proposal also funds two more positions in the Computer Crimes unit, along with four more positions in both the Forensics and the Alcohol Enforcement groups. The FY 2014-15 spending plan further supplies nearly \$425,000 in new operating funds that would be used by SLED to improve its technological footprint. For instance, in the upcoming year, these funds would primarily be used to purchase computers and software licenses for the Computer Crimes and Forensics staff.

Governor Haley has also placed a high priority on giving prosecutors the resources they need to win convictions and keep dangerous offenders off our streets. General Fund support for the Prosecution Coordination Commission has risen by more than three-quarters since FY 2011-12, the period immediately preceding the Haley Administration's first Executive Budget.

In FY 2014-15, the Governor's proposed spending plan calls for the establishment of a new \$720,000 appropriation for Violent Crime Prosecution. These funds would be used to hire additional assistant solicitors, investigators, and other key support staff. South Carolina's judiciary reported that the state's solicitors disposed of more than 4,200 more cases than were added to the rolls during the most recently completed fiscal year. The new funding for Violent Crime Prosecution is intended to bring these cases to resolution more swiftly and – caseload permitting – allow for greater progress to be made in addressing backlogs. The Executive Budget also recommends a slight increase in the Commission's appropriations for operating expenses, to offset new costs associated with receiving enhanced IT security and other related technology and support services.

Governor Haley's proposed spending plan for FY 2014-15 calls for a 10% General Fund increase for the Attorney General's Office. The majority of these funds – nearly \$370,000 – would be used to hire five additional prosecutors. One prosecutor would focus on Criminal Domestic Violence cases, one on Sex Crimes, and three on Violent Crime prosecutions. Another \$45,500 would be used to hire a Criminal Domestic Violence Law Enforcement Victim's Advocate, to help prosecutors locate victims and witnesses, serve subpoenas, and assist victims in ways that support the prosecutorial process. Records held by our law enforcement agencies are among the most sensitive held in the state's custody. The Executive Budget includes nearly \$75,000 in recurring funding for a new data security specialist for the Attorney General's Office. Additionally, as the Executive Budget proposed in FY 2013-14, the upcoming year's spending plan recommends that \$1,253,000 from the Master Settlement Agreement be used for diligent enforcement, to protect the state's future collections.

The Governor's proposed spending plan for FY 2014-15 also includes more than \$2.1 million in new General Funds for the Department of Public Safety (DPS). This would allow the Department to hire 10 new agents (\$447,300), improve the agency's IT security posture (\$175,407), and promote or reclassify troopers who have achieved various service milestones (\$866,600). The Executive Budget also renews a request made in FY 2013-14 to equip DPS vehicles with mobile computing equipment so that troopers may receive information from dispatchers, such as the results of record checks, and also transmit reports from the roadside instead of having to return to their offices (\$654,200 recurring, plus \$722,500 non-recurring). Mobile computing services would improve trooper safety and efficiency.

In addition to the General Fund increases recommended by the Governor for public safety purposes in FY 2014-15, the Executive Budget also provides more than \$4.5 million in one-time money for SLED, principally to replace vehicles, update technology equipment, and outfit new agents. Between SLED, DPS, and the Department of Natural Resources, the Executive Budget provides more than \$5 million to replace law enforcement vehicles in the upcoming year.

Finally, the Executive Budget calls for more than \$150,000 in recurring General Funds for the Department of Corrections' information security needs, along with more than \$1 million to staff the new perimeter towers at Lee Correctional Institution and to enhance perimeter security for the Broad River complex. These efforts will reduce contraband and improve officer safety at these sites. The FY 2014-15 spending plan recommends more than \$8.7 million in one-time funding for the Department of Corrections; the Haley Administration has now budgeted more than \$33 million in capital improvements for the Department since FY 2012-13.

Fixing Roads Without Raising Taxes

Last year's Executive Budget called attention to the fact that over the eight prior years, the final General Fund revenue estimate produced by the Board of Economic Advisors in May had exceeded the estimate supplied to the Governor during the prior November by an average of over \$100 million. This means that the General Assembly typically has substantially more revenue at its disposal when it deliberates over the final form of the annual budget than the Governor has in producing the first draft.

In FY 2013-14, Governor Haley proposed that if such funds materialized, then they should be dedicated to improving South Carolina's transportation infrastructure. Ultimately, the BEA's May 2013 estimate exceeded the November 2012 forecast by even more than the eight-year average, and the General Assembly produced a transportation package that will annually generate an amount almost identical to what Governor Haley called for a year ago. The fact that South Carolina has found a way – unlike so many other states – to address its infrastructure needs without raising taxes is something in which we can all take pride.

As the chart above shows, since FY 2005-06, the revenue estimate supplied to the Senate in May has – on average – exceeded the amount certified for the Governor during the prior November by \$106.9 million. Once again, Governor Haley calls for any additional revenues such as these to be applied towards our transportation needs.

In the next few years, these prospective resources should be primarily dedicated to the maintenance and repair of the existing transportation system, while still emphasizing the development of additional infrastructure improvement projects in accordance with sound financial management practices and a continued reliance on Act 114's objective prioritization of the transportation system's future needs.

An initial focus on preservation, resurfacing, and reconstruction projects also makes sense because the 2013 transportation package not only provided funding for those projects that were ready to proceed to the construction stage but also for several others that will require additional planning and development before breaking ground. Consistent with good stewardship practices, the Department of Transportation is launching feasibility studies on several high-priority interstate corridors to begin designing improvements for those critical transportation networks. Dedicating the anticipated funds to the maintenance and repair of the existing system in the next few years will provide time for the Department to complete a set of design requirements for these and other major freight corridors that will make optimal use of these resources in order to improve system capacity for our citizens and businesses.

Under these conditions, the \$106.9 million of additional General Funds likely to materialize in FY 2014-15 could be used to generate nearly \$737 million for major construction projects (through a combination of "pay-as-you-go" and bonding) in addition to almost \$614 million more for maintenance and repair over the course of the next decade.

Protecting the Most Vulnerable

Governor Haley has consistently placed a major emphasis on protecting South Carolina's most vulnerable citizens by stabilizing the Medicaid program's finances, providing the Department of Mental Health with dramatic increases in its General Fund support each year, and striving to make progress in reducing waiting lists for the waiver programs that serve the disabled and special needs communities.

This year's budget is no different than any other. The FY 2014-15 Executive Budget includes an additional \$9.1 million in General Fund support for the Department of Mental Health, fully funding the agency's requests for the existing Telepsychiatry program (\$500,000), Crisis Services (\$300,000), an expanded Center-to-Center Telepsychiatry initiative (\$250,000) and the Assessment and Resource Center (\$250,000).

Nearly \$3 million more is provided for other programs and initiatives including Forensic Inpatient Services, Community Supportive Housing Placements, and the Sexually Violent Predator Treatment Program. An additional \$5 million for Sustainability will help the agency wean off of its Medicaid cost settlement revenue, which will continue to decline in the coming years due to changes in how services are provided and funded.

This year's Executive Budget also contains funding for the first foster care rate increase in nearly a decade, while a proposed change to Proviso 38.1 would allow the Department of Social Services to retain \$300,000 more per year to fund Self-Sufficiency and Family Preservation and Support initiatives. These funds resources would also be used to improve the security of Federal Tax Information (FTI) and Personally Identifiable Information (PII) data.

Many of the most vulnerable members of our society who rely upon state services receive them through the Department of Disabilities and Special Needs, which operates a series of waiver programs that are financed by the

state and federal Departments of Health and Human Services. Despite continuing efforts, the waiting lists for each of these programs have been growing at a rate well in excess of enrollment growth. As of January 1, 2014, there are now more South Carolinians waiting for access to these services than there are citizens currently receiving them.

The two largest programs are the Community Supports (CS) and Intellectual Disabilities & Related Disabilities (ID/RD) waivers, which together represent roughly 85% of both enrollees and waiting list participants. The Executive Budget recommends that HHS receive \$13.3 million in additional General Funds to attack this list; including federal match, this would provide \$44.8 million to reduce the combined wait lists by at least 1,400 slots.

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The use of \$134,695,353 in additional General Funds to transition to the EOC's recommended funding formula, while raising Base Student Cost to \$2,120. This would be augmented by a total of \$3,779,616 in non-recurring transition payments to 12 affected school districts.
 - The net General Fund increase associated with this transition is \$83,239,727, after deducting appropriations for public and private pre-kindergarten programs and the Public Charter School District, which would now be supported with EIA funds instead.
 - The Base Student Cost increase represents \$19,476,385 of the recommended General Fund growth.
 - Transition payments to prevent any district from recognizing a reduction in state support would be as low as \$10,022 (Spartanburg 3); the median payment would be \$57,542. Fewer districts would require these payments as Base Student Cost is increased over time. At \$2,150, only 6 districts would be adversely affected by the new model without these payments.
- ✿ That several appropriation lines be consolidated or realigned as part of the transition:
 - Consolidate funding for public and private pre-kindergarten programs in the EIA.
 - Consolidate funding for modernizing vocational equipment in the EIA.
 - Eliminate the High Achieving Students program in the EIA; it will be replaced by a new EFA weighting.
 - Shift the \$2,500,000 that had historically been carved out of High Achieving Students for assessment purposes into the EIA Assessments line.
 - Return funding for the Public Charter School District to the EIA.
- ✿ A new General Fund appropriation of \$29,483,100 for Reading Coaches, which would be used to place a state-funded reading coach in the 300 elementary schools that have the poorest reading scores. The state would fund half of this cost in the remaining 340 elementary schools if the district agreed to match.
 - Up to \$5,000,000 of these funds could be used for reading-related professional development, such as to obtain reading credentials. The recommended appropriation for this program is over-funded for the initial year, since it assumes that every district participates in the program for the entire year and pays the reading coach the maximum allowable salary.
- ✿ The use of one-quarter of the Capital Reserve Fund (\$29,288,976) for a K-12 Technology Initiative. Each district would receive an allocation based upon its poverty index and average daily membership. Funds could be used by districts to improve bandwidth for schools, to expand the capacity of networks within school buildings, or to launch or enhance 1:1 computing initiatives.
 - This is in addition to the existing \$10,171,826 EIA appropriation for Technology.
 - This appropriation would be augmented by \$4,000,000 in non-recurring funds for teacher training related to technology.

- ✿ An increase of \$13,780,543 (EIA) for the Public Charter School District.
 - Paired with an anticipated \$3,000,000 carry-forward balance, this would allow the per-student subsidy for brick and mortar students to be increased from \$3,250 to \$3,600 and the virtual charter subsidy to rise from \$1,700 to \$1,900, even with the substantial increases in enrollment that are forecast.
 - The increase would be supported by a \$4,000,000 one-time allocation for the existing but unfunded Charter School Facility Revolving Loan Program, to construct, purchase, renovate, and maintain facilities for charter schools.
- ✿ An allocation of \$12,000,000 from the Capital Reserve Fund for the lease or purchase of school buses, potentially augmented by \$8,000,000 in contingent lottery appropriations.
- ✿ A \$4,500,000 expansion of the Summer Reading Camps that were inaugurated in FY 2013-14.
- ✿ The elimination of transfers for the John de la Howe School and the related Status Offender line. The Executive Budget proposes to fund John de la Howe directly out of the General Fund.
- ✿ A \$742,500 General Fund increase to hire additional teachers and develop new educational content for the Department's Virtual School Program.
- ✿ An additional \$899,933 for BabyNet's early intervention services for infants and toddlers.
 - These funds would be supported by a one-time allocation of \$838,100 for necessary systems integrations for BabyNet.
- ✿ An increase of \$129,000 in EIA funding for the School Leadership Executive Institute, which offers professional development opportunities to South Carolina's principals.
- ✿ The continuation of \$590,000 in non-recurring EIA funding for school safety plans.
- ✿ The annualization (within the General Fund, as opposed to the EIA) of \$1,426,188 of the \$6,426,188 of non-recurring funds provided for student transportation services in FY 2013-14. The remaining \$5,000,000 would continue to be provided on a non-recurring basis, through the EIA. Additionally, \$1,347,285 of transportation funding previously provided by the EIA would now be supplied through the General Fund.
- ✿ An increase of \$1,887,905 in recurring EIA support for Instructional Materials and a reduction in non-recurring EIA funds for this purpose, from \$8,000,000 to \$810,000, due to the lower level of non-recurring EIA funds available in FY 2014-15. This would be more than offset by a \$12,000,000 non-recurring allocation for Digital Instructional Materials.
- ✿ Contingent appropriations for career and technology education, dual and concurrent enrollment programs for high school students who are enrolled in courses at two-year and four-year institutions on a for-credit basis.

Provisos

-  There are 142 provisos in this section; the budget proposes to amend 23 (including 6 for technical reasons), codify 8, delete 18, and establish 5, not including the 2 provisos transferred from Section 1 to Section 1A.

# / ACTION	TITLE / DESCRIPTION
1.2	DHEC – Comprehensive Health Assessment
Codify	<i>This proviso and Proviso 1.42 (Medicaid Cash Match Accounting) both relate to the Department's and school districts' participation in Medicaid and should be codified.</i>
1.3	EFA Formula/Base Student Cost Inflation Factor
Amend	<i>This proviso is updated annually with Base Student Cost calculations.</i>
1.6	Employer Contributions/Obligations
Codify	<i>This proviso directs the Department to withhold an educational subdivision's state funds if it fails to remit proper payments to cover employee fringe benefit costs.</i>
1.9	Disabled/Preschool Children
Delete	<i>This proviso controls the allocation of a funding stream that previously existed in the General Fund, but which has since been transferred to the EIA and was ultimately consolidated with other lines.</i>
1.10	Instruction in Juvenile Detention Centers
Codify	<i>This proviso directs school districts to provide education to students housed in juvenile detention centers within their boundaries.</i>
1.12	School District Bank Accounts
Codify	<i>This proviso authorizes school districts to maintain a bank account.</i>
1.14	Teachers/Temporary Certificates
Delete	<i>This proviso allows funds for teacher salaries to be used to pay teachers with temporary certificates. The Department has not issued these certificates since 2006 and requests that this proviso be deleted.</i>
1.21	Assessment
Delete	<i>This proviso controls the use of General Funds related to high school assessments, but may be deleted because these activities are now funded through the EIA (Proviso 1A.19).</i>

1.23	School Bus Purchase
Amend	<i>This proviso gives the School Bus Specifications Committee authority to establish specifications to be used during the procurement process. The Executive Budget supports the amendments proposed by the Department in the past, which would allow the Committee to use other states' specifications. The current language only allows Georgia's or North Carolina's to be considered.</i>
1.26	Status Offenders/John de la Howe
Delete	<i>This proviso controls the use of an EIA line that the Executive Budget proposes to delete; the John de la Howe School would be directly supported through the General Fund in FY 2014-15.</i>
1.38	Replacement Facilities
Delete	<i>Established in 2004, this proviso directs the Department to proceed with the development of a joint-use school transportation maintenance and operations facility in Greenville County. This project was abandoned years ago. As a result, this proviso may be deleted along with the corresponding language in Proviso 118.2.</i>
1.40	No Discrimination Requirement
Codify	<i>This proviso prohibits the appropriation of state funds to a school that discriminates against, participates with, or is a member of an association with policies that discriminate or afford different treatment of students based on race or national origin.</i>
1.41	High School Reading Initiative
Delete	<i>This proviso directs the use of funds for the High School Reading Initiative, which no longer exists. The Department requests that this proviso be deleted.</i>
1.42	Medicaid Cash Match Accounting
Codify	<i>This proviso and Proviso 1.2 (DHEC – Comprehensive Health Assessment) both relate to the Department's and school districts' participation in Medicaid and should be codified.</i>
1.46	Education and Economic Development Act Carry Forward
Delete	<i>The Department has requested that this proviso be deleted because programs established under the Education and Economic Development Act are funded through the EIA (Proviso 1A.60).</i>
1.55	Governor's Schools Residency Requirement
Codify	<i>This proviso makes the South Carolina residency of a parent or guardian a requirement for application to or continued attendance at a Governor's School.</i>

1.57	South Carolina Public Charter School District Funding
Transfer Out	<i>The Executive Budget proposes to consolidate funding for the South Carolina Public Charter School District into the EIA; this proviso must be transferred to Section 1A.</i>
1.58	Governor's Schools Capacity
Amend (Technical)	<i>This proviso directs the Governor's School for the Arts and Humanities and the Governor's School for Science and Mathematics to use their appropriations to bring their enrollment levels to full capacity. A fiscal year reference must be updated.</i>
1.60	One Year Suspension of Programs
Delete	<i>This proviso suspends the SAT/ACT Improvement program, for which funding was eliminated in FY 2011-12. The Department requests that this proviso be deleted.</i>
1.61	EEDA Regional Centers
Delete	<i>This proviso establishes a floor on EEDA funding for Regional Education Centers. The Department requests that the proviso be deleted because EEDA activities are funded through the EIA.</i>
1.62	Impute Index Value
Amend (Technical)	<i>This proviso provides the Department of Revenue with instructions for calculating the index of taxpaying ability. A fiscal year reference must be updated.</i>
1.65	Bus Lease/Purchase
Codify	<i>This proviso gives the Department the option to either lease or purchase buses in order to replace its fleet.</i>
1.68	Lee County Bus Shop
Delete	<i>This proviso forces the Department to fund two specific bus shops at the prior year's level, even though the Department determined that it could provide services at a lower cost without those facilities. The proviso should be deleted.</i>
1.69	School Enrollment Policy
Amend (Technical)	<i>This proviso affects enrollment policies for out-of-district students at academic magnet schools. A fiscal year reference must be updated.</i>
1.70	District Funding Flexibility
Amend (Technical)	<i>This proviso directs districts to use funding flexibility in order to ensure that appropriate safety measures have been put into place. A fiscal year reference must be updated.</i>

1.71	Alternative Fuel School Bus Pilot
Delete	<i>This proviso authorizes the Department and school districts to purchase buses powered by alternative fuels. The Department requests that this proviso be deleted because this equipment is cost-prohibitive and because they already have this authority under Proviso 1A.17.</i>
1.72	Public Charter Pupil Counts
Transfer Out	<i>The Executive Budget proposes to consolidate funding for the South Carolina Public Charter School District into the EIA; this proviso must be transferred to Section 1A.</i>
1.78	Child Development Education Pilot Program
Delete	<i>The Executive Budget proposes to consolidate funding for preschool initiatives into the EIA, rendering this proviso unnecessary.</i>
1.80	Educational Credit for Exceptional Needs Children
Amend	<i>This proviso establishes a tax credit for contributions to scholarship-granting organizations. The proposed amendment would establish a credit allocation process, improve reporting requirements, and update various date references.</i>
1.82	CDEPP Expansion
Amend	<i>Established in FY 2013-14, this proviso allowed for the transfer of funds between the public and private pre-kindergarten programs, if one side did not expect to use its full allocation for expansion. The Executive Budget proposes to remove this language, but to leave in place the passage that prohibits public school districts from using expansion funds to purchase additional space.</i>
1.83*	Reading Coaches
Establish	<i>This proviso would contain the enabling language for the Reading Coach program. Elementary schools would receive either a fully-funded or half-funded reading coach, based upon their students' performance on reading assessments. Excess funds would be used for reading-related professional development for teachers.</i>
1A.2	Services for Students with Disabilities
Delete	<i>The Department requests that this proviso be deleted because the funding stream it historically controlled was consolidated into the "Aid to Districts" line in FY 2012-13.</i>
1A.8	CHE/Teacher Assessment
Amend	<i>This proviso controls the funds appropriated for the Teacher Recruitment Program. It was amended in FY 2013-14 to establish the South Carolina Teacher Loan Advisory Committee; this text must be modified to reflect that the Committee has now been established and will continue.</i>

1A.11	Teacher Supplies
Amend (Technical)	<i>This proviso grants supplemental payments or tax credits to public and private teachers. A date reference must be updated.</i>
1A.18	Dropout Prevention and High Schools That Work Programs
Amend	<i>The Executive Budget supports the Department's request to amend this proviso in order to eliminate a reporting requirement that obligates the Department to report on a program for which it no longer provides technical assistance.</i>
1A.19	Assessment
Amend	<i>With the deletion of Proviso 1.21 (the General Fund's assessment proviso), PSAT/PLAN reimbursements would resume. This would enable high school students to gauge their college and career readiness and also allow our students to compete for National Merit Scholarships.</i>
1A.26	Artistically and Academically High-Achieving Students
Delete	<i>The Executive Budget proposes to transition to the Education Oversight Committee's funding model. The EIA appropriation for High Achieving Students would be replaced with a greater amount of funding through the EFA for gifted and talented programs. Portions of this proviso would be incorporated into Proviso 1A.29.</i>
1A.29	Assessments-Gifted & Talented, Advanced Placement, & International Baccalaureate Exams
Amend	<i>The Executive Budget proposes to delete Proviso 1A.26, but import language from there that would impose limits on a district's ability to impose fees on students taking Advanced Placement or International Baccalaureate exams.</i>
1A.32	Incentive for National Board Certification After 6/30/10
Amend	<i>This proviso defines the state's obligation to make payments for National Board incentives. The Executive Budget proposes to close this program to new enrollees.</i>
1A.35	Carry Forward
Amend	<i>This proviso carries forward prior EIA balances and would be amended to allow the excess to be used for school bus operations or instructional materials. The proposed amendments would strike an earmark and eliminate National Board supplements from the allowable uses of these funds.</i>
1A.37	IDEA Maintenance of Effort
Amend	<i>This proviso allows for IDEA maintenance of effort to be funded with resources from Section XII.A.1 (Aid to Districts) before any other allocations in that section apply. The Executive Budget supports the Department's request to delete an earmark and revise date references.</i>

1A.38	Career Cluster Industry Partnerships
Amend	<i>The proviso currently requires grantees to submit audited semi-annual reports to the state. The Executive Budget supports the Department's request to only require that one report be audited, leaving the other report as a less-rigid "programmatic and financial" snapshot. This change is expected to promote participation in the program.</i>
1A.41	Career and Technology Education Consumables
Delete	<i>This proviso allows funds appropriated for Career and Technology Education to be used for consumables. The Executive Budget supports the Department's request to delete this proviso, on the basis that these funds may already be flexed under Proviso 1A.16.</i>
1A.42	Teacher Salaries/SE Average
Amend	<i>This proviso provides the minimum salary schedule for the upcoming fiscal year and is updated annually.</i>
1A.43	PowerSchool Dropout Recovery Data
Amend	<i>This proviso directs the Department to capture dropout and reenrollment data from districts and work with the Education Oversight Committee to calculate a dropout recovery rate. The Executive Budget supports the Department's request to delete a progress reporting requirement relating to activities that have already been completed.</i>
1A.47	Assessment Preparation
Delete	<i>The Executive Budget supports the Department's request to delete this proviso, for which there are no associated funds.</i>
1A.49	National Board Certification Incentive
Amend	<i>This proviso defines the state's obligation to make payments for National Board incentives. The Executive Budget proposes to close this program to new enrollees.</i>
1A.52	Technology Academy Pilot
Amend	<i>This proviso was established in FY 2013-14 to initiate a pilot program through which students may obtain information technology certifications. The proposed amendments would continue the pilot program in FY 2014-15.</i>
1A.55	Aid to Districts Draw Down
Amend	<i>The Executive Budget supports the Department's proposal to expand the scope of this proviso, which requires that school districts update their safety plans prior to drawing EIA funds, to also include special schools.</i>

1A.56	CERRA/Teaching Fellows
Amend (Technical)	<i>The enacted FY 2013-14 budget added \$500,000 for CERRA's Teaching Fellows and Teacher Cadet programs. A reference to a fiscal year must be updated.</i>
1A.57	Academic Enrichment Activities
Delete	<i>The Executive Budget proposes to transition to the Education Oversight Committee's funding model. This proviso allows for a diversion of funds from the EIA appropriation for High Achieving Students, which would be replaced in the new model with a greater amount of funding through the EFA for gifted and talented programs. This proviso would no longer have any effect.</i>
1A.58	South Carolina Success Program
Delete	<i>This proviso directed the Department to launch a procurement and begin to implement a program by August 15, 2013. It may be deleted.</i>
1A.61*	Modernize Vocational Equipment
Establish	<i>This proviso would direct the Education Oversight Committee to convene an advisory council to review the uses and impacts of existing uses of these funds.</i>
1A.62*	Teach for America SC
Establish	<i>This proviso directs school districts partnering with Teach for America to supply that organization with information on the performance of students taught by Teach for America members.</i>
1A.63*	Kindergarten Assessment
Establish	<i>This proviso would direct the State Board of Education to adopt a statewide kindergarten assessment by June 30, 2015.</i>
1A.64*	CERRA School Leadership Mentors
Establish	<i>Under the authority granted by this proviso, CERRA would use up to \$200,000 of additional EIA funds to expand and enhance the ranks of qualified mentors for principals and school leaders, with an emphasis placed on attracting a broader range of professionals, including underrepresented and nontraditional candidates.</i>
1A.65*	South Carolina Public Charter School District Funding
Establish (Transfer In)	<i>In FY 2013-14, this proviso distributed \$3,250 to brick and mortar charters and \$1,700 to virtual charters for each weighted pupil. It also allowed unexpended funds of up to 10% of the prior year appropriation to be carried forward. The Executive Budget proposes to raise these allocations to \$3,600 for brick and mortar charters and \$1,900 for virtual charters in FY 2014-15. The proposed amendment would also transfer any excess unexpended funds each year (above the 10% threshold) to the Charter School Facility Revolving Loan Program.</i>

Goals and Objectives

		GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.
GOAL 1	Personalize learning.	Strengthen the Education Accountability Act.
		Increase student participation on blended learning options.
		Eliminate regulations that value the system over the student.
GOAL 2	Reward effective teachers and principals.	Develop a Pay for Performance plan for teachers and principals.
		Improve the teacher and principal evaluation system.
		Assist the General Assembly in creating Pay for Performance legislation.
GOAL 3	Improve agency service delivery and staff professionalism.	Reduce the service and response turnaround time.
		Increase the accuracy of the data that the agency disseminates.
		Eliminate communication barriers between the SCDE and clients and across, teams, and divisions within the agency.

Notes:

1. The \$26,628,246 EIA line for “High Achieving Students” would be eliminated as part of the transition to the Education Oversight Committee’s recommended funding model; these funds would be replaced with a new EFA weighting for gifted and talented programs. Of the funds currently appropriated for “High Achieving Students,” the Department of Education has retained \$500,000 for teacher endorsement and certification under the former Proviso 1A.27 (Artistically and Academically High-Achieving Students) and redirected \$2,000,000 to pay a portion of the cost of Advanced Placement exams. The Executive Budget proposes to transfer this \$2,500,000 to the “Assessment/Testing” line (see Note #4).
2. The Executive Budget proposes to delete the \$322,797 General Fund appropriation for “Modernize Vocational Equipment” and combine those funds with the existing \$6,359,609 line for the same purpose.
3. The Executive Budget proposes to transition to the Education Oversight Committee’s funding model, which includes separate EFA weightings for students in poverty and other risk factors. The \$56,611,481 reduction in the “Students at Risk of School Failure” is far outweighed by the EFA increases in the General Fund under the proposed funding model.
4. The recommended increase of \$2,500,000 for the “Assessment/Testing” line is not a net increase, but a transfer of funds from “High Achieving Students,” as described in Note #1.
5. Certified non-recurring EIA funds are not sufficient to maintain the level provided for Instructional Materials in FY 2013-14. The Executive Budget recommends a recurring EIA increase of \$1,887,905 and \$810,000 in non-recurring EIA funds for Instructional Materials in FY 2014-15, to be augmented by a new non-recurring (non-EIA) allocation of \$12,000,000 for Digital Instructional Materials.
6. The Executive Budget proposes to consolidate funding for pre-kindergarten programs by deleting the General Fund lines for CDEPP and First Steps and bringing them into the EIA at the same funding level, including BabyNet.
7. The Executive Budget supports the Department of Education’s request for \$129,000 in funding for the School Leadership Executive Institute.
8. The Executive Budget supports the Education Oversight Committee’s recommendation to reduce the “State Agency Teacher Pay” line by \$642,462 and distribute the proceeds to the agencies identified.
9. The Executive Budget proposes to directly support the John de la Howe School through the General Fund in FY 2014-15.
10. The recommended \$200,000 increase for CERRA would support an expanded principal and school leader mentoring and candidate development program.
11. The Executive Budget proposes to shift \$1,347,285 of recurring transportation funding previously provided through the EIA to the General Fund. Of the \$6,426,188 in non-recurring funding provided for student transportation services in FY 2013-14, \$1,426,188 would be annualized in the General Fund; the remaining \$5,000,000 would continue to be provided on a non-recurring basis through the EIA.
12. The Executive Budget proposes to return funding for the Public Charter School District to the EIA. The recommended increase of \$13,780,543 would, when paired with an anticipated \$3,000,000 carry-forward balance, allow the per-student subsidy for brick and mortar students to be increased from \$3,250 to \$3,600 and the virtual charter subsidy to rise from \$1,700 to \$1,900, even with the substantial increases in enrollment that are forecast.

Lottery Expenditure Account

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ Fully funding the LIFE, HOPE, and Palmetto Fellows Scholarship programs.
- ✿ Contingent appropriations for career and technology education, dual and concurrent enrollment programs for high school students who are enrolled in courses at two-year and four-year institutions on a for-credit basis, and potentially \$8 million more for school bus leases or purchases.
- ✿ Distributing any available excess to support future K-12 school construction.

Provisos

- ✿ There are 4 provisos in this section; the budget proposes to codify 2, and delete 1, and establish 1.

# / ACTION	TITLE / DESCRIPTION
3.1	Audit
Codify	<i>This proviso requires the development of procedures to ensure that lottery proceeds are expended in accordance with law.</i>
3.3	Election Day Sales
Codify	<i>This proviso suspends the operation of SC Code §59-150-210(E), which has the effect of allowing lottery sales on primary and general election days. The proviso should be made permanent, which is to say that the underlying permanent law provision should be repealed.</i>
3.4	FY 2013-14 Lottery Funding
Delete and Replace	<i>This proviso controlled the allocation of FY 2013-14 lottery revenues.</i>
3.5*	FY 2014-15 Lottery Funding
Establish	<i>This proviso will control the allocation of FY 2014-15 lottery revenues.</i>

Goals and Objectives

This section of the budget isolates funding that is distributed for various educational purposes from the Lottery Expenditure Account. There are no associated goals or objectives for this section.

Certified Revenue Estimate

Based upon the recommendation of the South Carolina Education Lottery, the Board of Economic Advisors has certified \$252 million in net lottery proceeds, \$1.5 million in interest earnings, and \$8 million in unclaimed prizes for FY 2014-15. This continues and further exacerbates an ongoing trend of certifying lottery estimates that are not only substantially below the short-term or long-term trends, but which also prove to be tens of millions below actual collections.

Although revenues in the current and most recent fiscal years may have been slightly elevated due to notably large jackpots – including a winning ticket for nearly \$400 million in Lexington a few months ago – it is impossible to credibly argue that the certified estimate for FY 2014-15 is the product of a determined effort to accurately forecast likely receipts for the upcoming fiscal year.

The Executive Budget's recommendations for the Lottery Expenditure Account for FY 2014-15 conform to the certified estimate, but make additional suggestions for the likely event that actual receipts meet or exceed \$300 million.

Education Oversight Committee

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- No changes from FY 2013-14 funding levels.

Provisos

- Provisos relating to the Education Oversight Committee are included in the Legislative Department's portion of the annual appropriations bill; the budget proposes to establish 1.

# / ACTION	TITLE / DESCRIPTION
91.26*	Impact of Scholarship Eligibility Criteria
Establish	<i>This proviso directs the Education Oversight Committee to prepare a report on whether academic eligibility criteria for state-funded scholarships are inadvertently deterring talented high school students from enrolling in higher-level courses, and if so, how this might be addressed.</i>

Goals and Objectives

I. ADMINISTRATION		
GOAL 1	Reading proficiency.	95% of students will score on grade level at grades 3 and 8 and scoring Basic and above on NAEP at grades 4 and 8, eliminating the achievement gaps.
GOAL 2	High school graduation.	88.3% of students will graduate on-time (NGA/USED) and 95% of young people 21 and over will earn a diploma, GED, or SBE-approved occupational certificate for students with severe disabilities. Eliminate achievement gaps.
GOAL 3	Preparedness for post-high school success.	85% of graduates will perform at levels for admission to postsecondary education and/or be employed. Develop a measure of workforce readiness. Eliminate achievement gaps.
GOAL 4	Schools at risk.	Ensure that no school falls in this category.

Goals and Objectives**GOALS NOT MAPPED TO A SPECIFIC BUDGET PROGRAM.**

GOAL 1	Enlightened Vision: An objective set of measurable standards, essential to the success of the agency, comprised of innovation, customer service, leadership, employees, students, budget, continuing education and academics.	Measure results to evaluate agency performance among all customers and stakeholders; use data to analyze internal and external goals as well as continuous improvement.
GOAL 2	Students: Provide all resources needed to assure supervision, food service, service learning, medical services, recreational activities & positive direction of student population on a 24-hour basis.	Distribute post-residential survey to all students and family in order to assimilate relative data to actual performance of agency.
GOAL 3	Academics: Provide lucrative instructional program essential to acquire a GED. Increase student TABE results by 24 months progress in Math and Reading through individualized instruction.	60% of students taking GED will successfully complete the test. 75% of graduating cadets will achieve at least 1 year of progress in reading and math during 5 months of instruction per post-TABE test results.
GOAL 4	Employees: Maintain positive reinforcements in work environment to promote employee satisfaction and retention; employ and retain qualified individuals who aspire to contribute 100%.	Establish and maintain employee satisfaction through constant collaborative efforts, surveys, and bi-weekly meetings. EEO performance results. Recognition of Employee Appreciation Day and encouragement through agency incentives.
GOAL 5	Support Services: Acquire all applicable resources needed to assure academic, employment, life skills and vocational success of each WLGS student.	Incorporate WIA, OSHA 501, Junior Achievement, and College 103 into academic curriculum for qualified students. Establish scholarships for students. 100% of students completed 40 hours or more of community service.

John de la Howe School

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The elimination of the School's support through the EIA and a one-third reduction in General Fund assistance. John de la Howe's annual costs per student are far beyond the rates charged by Level II facilities (peers), wilderness camps, or even Ivy League universities.
- ✿ That the Department of Juvenile Justice play a major role in FY 2014-15 in organizing needs assessments for the School's students and in improving the facility's operations and cost-effectiveness.

Provisos

- ✿ There are 4 provisos in this section; the budget proposes to amend 1, delete 1, and establish 1.

# / ACTION	TITLE / DESCRIPTION
7.2	Campus Private Residence Leases
Amend	<i>This proviso authorizes the John de la Howe School to lease private residences to its employees, with relatively few restrictions. The proposed amendments would impose reporting requirements and require that rates be market-based.</i>
7.4	Capacity
Delete	<i>This proviso calls for the School to be brought to full capacity. Since the school was rated "At Risk" in 2011 and 2013 and failed to file the required information for evaluation purposes in 2012, it may not be appropriate to expand enrollment at present.</i>
7.5*	Student Assessments
Establish	<i>This proviso would direct the Department of Juvenile Justice to receive support from the Department of Mental Health, Department of Social Services, and the Continuum of Care in comprehensively assessing the needs of the School's students and families in order to develop plans for each student's continued care and education. The proviso would also give DJJ an active role in getting the School back on track in FY 2014-15, by requiring that the Board of Trustees work through DJJ and receive the agency's consent before taking action.</i>

Commission on Higher Education

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The dedication of 25% of the Capital Reserve Fund (worth \$29,288,976 in FY 2014-15) to the Higher Education Infrastructure Bank, to reinvest in and maintain facilities at South Carolina's public colleges and universities. Institutions would be eligible to receive allocations from the Bank in proportion to their respective shares of in-state undergraduate students*. Distributions from the Bank must be matched 1:1 from non-state sources.
- ✿ The use of \$3,425,804 in non-recurring revenues to allow students enrolled on a full-time basis in the summer semester to receive lottery-supported scholarships. Each student would still be eligible to receive assistance for the same number of semesters, so this would not increase the total cost per student, but the Lottery Expenditure Account would need a cash infusion during the transitional period.
- ✿ Increasing General Fund support for Need-Based Grants by \$2,600,000, to bring per-student support back up to FY 2012-13 levels. This action would increase average per-student assistance from \$1,218 to \$1,344 at the state's public institutions.
- ✿ That up to \$2,000,000 in one-time funding be used to hire consultants to conduct efficiency studies of our public colleges and universities. The final reports would identify specific, actionable recommendations to reduce costs and improve service delivery in order to mitigate the need for tuition increases.
- ✿ An additional \$500,000 for PASCAL, the state's electronic library consortium for higher education.
- ✿ An increase of \$180,810 for the "SREB Contract Program and Assessments" line, primarily to cover scheduled increases in the cost of placing South Carolinian students in Optometry, Veterinary Medicine, and Doctoral Scholar programs offered in other member states of the Southern Regional Education Board.
- ✿ The elimination of the Performance Funding line (\$1,397,520), which despite the name, is no longer associated with performance-based funding initiatives. The Executive Budget instead proposes to introduce Accountability-Based Funding for South Carolina's public colleges and universities.
- ✿ Reductions of 20% for Greenville Technical College – University Center (\$118,878), University Center of Greenville – Operations (\$216,980), and the Lowcountry Graduate Center (\$157,020). Although these facilities serve a useful function, the costs of operating them should be borne by the participating institutions, instead of through special lines in the budget.

* Note: MUSC would receive a \$3,000,000 set-aside.

Provisos

- There are 17 provisos in this section; the budget proposes to amend 1 for technical reasons, codify 3, delete 3, and establish 1.

# / ACTION	TITLE / DESCRIPTION
11.7	Performance Improvement Pool Allocation
Delete	<i>This proviso was historically responsible for allocating performance-based funding; it has since been converted into a mechanism for distributing funds to a pair of special projects. The Executive Budget proposes to delete this proviso, and instead, move toward Accountability-Based Funding for South Carolina's public colleges and universities.</i>
11.8	Troop-to-Teachers
Codify	<i>The Troop-to-Teachers program provides an alternative path to teacher certification for current and former members of the Armed Forces. Since FY 2002-03, this proviso has granted in-state tuition rates (at participating institutions) for non-resident participants. This is a substantive policy decision that belongs in permanent law.</i>
11.11	LIFE and Palmetto Fellows Enhancement Stipends
Codify	<i>This proviso obligates students to certify their continued eligibility for LIFE and Palmetto Fellows Enhancement Stipends prior to receiving awards in the fall and compels institutions to verify, subject to CHE audit. Any funds awarded to ineligible students must be returned to the state.</i>
11.13	Higher Education Excellence Enhancement Program Additions
Amend (Technical)	<i>This proviso identifies institutions eligible to participate in the Higher Education Excellence Enhancement Program. The fiscal year must be updated.</i>
11.14	Parity Funding
Delete	<i>This proviso directed the Commission on Higher Education to prepare a report on parity funding by January 3, 2013. The proviso is no longer needed.</i>

11.15 SCNG CAP Carry Forward

Codify *This proviso allows funds for the South Carolina National Guard College Assistance Program to be carried forward and insulates the program from across-the-board mid-year cuts.*

11.17 Inventory of State-Mandated Reporting Requirements

Delete *The FY 2013-14 budget contained a new proviso, directing the Commission on Higher Education to work with the state's colleges and universities to prepare a report inventorying all state-mandated reporting requirements (including CHE's) imposed on South Carolina's institutions of higher education. This report was submitted in November 2013; this proviso is no longer required.*

11.18* SmartState Draw Down

Establish *This proviso would clarify the process for institutions to draw-down Smart State funds after having produced the non-state match. The Commission on Higher Education's proposed language would also prevent the need for institutions to seek approval from the Other Funds Oversight Committee in order to use these funds.*

11.19* Palmetto Fellows and LIFE Scholarships

Establish *This proviso would permit students to access lottery-funded scholarships during summer semesters, without changing their aggregate levels of lifetime eligibility.*

Goals and Objectives**GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.**

GOAL 1	Work in cooperation with institutions and other key stakeholders to create an education culture in South Carolina and to implement recommendations advanced in the statewide Higher Education Action Plan that was advanced in March 2009.	<p>Continue to work in concert with state efforts to implement the Higher Education Action Plan.</p> <p>Continue to meet regularly with institutional presidents and other key stakeholders to make progress in planning and implementation efforts.</p>
GOAL 2	Advocate for funding to advance innovations for student affordability and accessibility, funding for institutional operating and facilities' needs, and cooperative initiatives for higher education (e.g., the statewide higher education electronic library).	<p>Advocate for programs and funds to encourage and promote institutional innovations for improved student affordability and accessibility.</p> <p>Coordinate and work with institutions to advocate for operating funding and develop recommendations to address funding of South Carolina public higher education institutions.</p> <p>Continue to encourage and ensure success of statewide collaborative initiatives, such as the electronic library, that promote efficiency and effectiveness in operations and through shared resources.</p>
GOAL 3	Strengthen CHE's relationship with key state partners including the Department of Education and the Department of Commerce as well as enhance and improve communications with all relevant stakeholders including, but not limited to, the Governor and General Assembly, institutions, students and their parents, the public, and business community.	<p>Continue to work to strengthen relations with institutions and other key constituencies including Commerce and K-12.</p> <p>Provide support in statewide educational and other related initiatives through participation in various statewide councils and task forces.</p> <p>Work in cooperation with key stakeholders to ensure seamless transitions for students from high school to college or work and to ensure higher education programs are supporting statewide workforce needs.</p>
GOAL 4	Continue to provide for the efficient and effective management of programs and initiatives under the purview of CHE.	Programs under the purview of CHE are managed efficiently and opportunities to improve are recognized and implemented.

Goals and Objectives

GOAL 1	II. TUITION GRANTS	
	Gain maximum usage of the available independent college facilities located in South Carolina by assisting eligible students afford the cost of the independent colleges and thereby help in the education of our state citizenry.	
	Help offset the cost the higher education costs of attending certain accredited South Carolina independent colleges for South Carolina students just as the state offsets the higher education costs of our South Carolina residents attending South Carolina public colleges.	
	Preserve the dual system of public and independent college higher education in South Carolina which provides healthy competition between the two sectors.	
	Attract South Carolina residents into the South Carolina independent college sector in order to save the State of South Carolina tax dollars that would have to be appropriated via the automatic state per student subsidy that would go, regardless of financial need, to all independent college students if they migrated into the South Carolina public college system.	
Provide increased state economic benefits and a more educated citizenry by enabling more South Carolinians to obtain a college education by providing financial assistance in the form of need-based state tuition grants to qualified South Carolina residents electing to attend on a full-time basis certain eligible accredited South Carolina independent junior and senior colleges.		Give eligible South Carolina residents the opportunity to choose the in-state college that best meets their academic needs.

Goals and Objectives

I. EDUCATION AND GENERAL	
GOAL 1	Enhance the undergraduate academic core.
	Strengthen the Honors College through increased funding for full and partial scholarships and dedicated faculty for innovative curriculum.
	Support foreign language initiatives that combine language skills with study of global cultures and world affairs.
	Intensify introductory and intermediate language courses and expand instruction in strategic languages.
	Embed global competencies into general education and major requirements.
	Increase the number of and enrollments in innovative, interdisciplinary courses.
	Provide each student a personalized experience that integrates classroom learning with Enriching Educational Experiences.
	Develop academic programs utilizing and/or based at Dixie Plantation.
	Enhance undergraduate programs that are strongly linked to the history, traditions, culture and environment of Charleston and the Lowcountry, such as new undergraduate majors in African American Studies and sustainability.
	Develop academic programs at the College of Charleston North Campus to offer lifelong learning courses and programs to serve the needs of returning adult learners or non-degree students.
GOAL 2	Develop nationally recognized academic programs at the graduate level.
	Emphasize the acquisition of research and teaching grants to develop interdisciplinary, international and innovative programs that capitalize on our unique location and capabilities.
	Develop international master's programs in select areas.
	Enhance graduate programs in marine science, environmental studies, historic preservation, and arts management to achieve national recognition.
	Use the facilities at Dixie Plantation to develop world-class environmental, educational, cultural, and executive programs.

I. EDUCATION AND GENERAL

GOAL 3	Develop and support a highly qualified, diverse and stable base of faculty and staff.	<p>Increase number of roster faculty lines by 100 to enhance diversity, to facilitate growth of innovative academic programs, to enable some increase in faculty research with significantly expanded opportunities for undergraduate and graduate students to engage in research with faculty mentors, and to enhance personalized attention to each student.</p> <p>Recruit faculty with the potential to bring local and national recognition to the College.</p> <p>Enhance support for faculty research or creative activity and for pedagogical innovation.</p> <p>Recognize and reward annual performance by faculty and staff in both annual raises and special awards.</p>
GOAL 4	Identify, attract, recruit, enroll, and retain academically distinguished, well-prepared, diverse students.	<p>Increase the amount of merit-based and need-based scholarship funding from approximately \$15 to \$20 million, largely funded through private resources. Some portion of this funding should be allocated in accordance with the provisions of the Diversity Strategic Plan.</p> <p>Increase enrollments of degree-seeking graduate students.</p> <p>Increase diversity of students, faculty, and staff.</p> <p>Broaden the scope of pre-college programs to recruit a more diverse student body.</p> <p>Develop programs to assist first-generation college freshman with acclimation and academic success.</p> <p>Establish a Center for Excellence in Peer Education.</p>
GOAL 5	Enhance and support co-curricular and extracurricular programs and facilities to promote and sustain an integrated, campus-wide approach to holistic education of students.	<p>Consistent with our institutional objectives for campus sustainability, establish additional campus and off-campus transportation options for students, such as a shuttle service to recreational fields, North Campus, and Dixie Plantation.</p> <p>Enhance intervention services that impact the well-being of students.</p> <p>Implement additional co-curricular models that address topics such as sustainability, social justice, professionalism and leadership, peer support and development, health and wellness, and cultural enrichment.</p>
GOAL 6	Align all aspects of the administrative and academic policies, procedures and practices to support the College's purpose and achieve its envisioned future.	Initiate campus-wide dialogue to clarify the meaning and practice of shared governance.

I. EDUCATION AND GENERAL	
GOAL 7	Enhance campus-wide sustainability practices.
	Build, renovate and maintain classrooms and studios that allow for a variety of class sizes and teaching and learning styles.
	Promote wherever possible, future growth of College infrastructure through sustainable design, materials and processes.
	Support an academic computing and library infrastructure that enhances the research and teaching missions of the College.
	Bring the entire campus up to new standards for wiring and cabling.
	Extend the campus IT network to student housing.
GOAL 8	Provide appropriate, up-to-date facilities and infrastructure to support and enhance academic programs and co-curricular opportunities for students.
	Expand study abroad opportunities for students through bilateral and consortium agreements, College programs abroad and joint-degree programs.
	Expand number of international faculty teaching and conducting research at the College of Charleston.
	Develop and expand research partnerships and initiatives with USC, The Citadel, and Trident Technical College.
	Establish additional relationships with PK-12 schools exemplified by established partnerships with area schools and districts.
	Require all units to identify efficiencies and eliminate redundancies.
GOAL 9	Engage with local, national, and international constituents to leverage higher education for a stronger South Carolina.
	Continue to develop partnerships with the business community toward the goal of collaboratively promoting economic development.
	Establish the purpose, theme, goals and strategy for an institutional fundraising campaign.
	Develop and execute an overarching marketing strategy and plan that creates greater awareness and informed advocacy across the spectrum of the College's local, state, national, and international audiences.
	Achieve consistent and widespread (state, regional, and national) recognition of the College of Charleston as an exceptional public liberal arts and sciences university that provides the academic rigor, student experiences and prestige of a private liberal arts college along with the opportunities, advantages and affordability of a public university.
	To increase external funding, continue to develop strategic alliances with local, state, and federal policymakers while initiating and strengthening public-private partnerships.
GOAL 9	Integrate marketing and communication goals, policies, strategies and tactics throughout the College's schools and divisions, including the North Campus.
	Expand marketing support for recruitment of the nation's best students by developing additional targeted communications initiatives directed at the upper echelon of prospective students, as well as guidance counselors and parents.
	Enhance and expand the partnership between Marketing and Communications and Athletics to create a comprehensive, year-round sports marketing campaign that showcases the university as a first-rate athletics program for student-athletes and Cougar fans.

Provisos

- ✿ There are 3 provisos in this section; the budget proposes no changes.

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	Recruit and retain a high quality and diverse student body.
	Enhance student academic and social support services beyond the classroom through centralized advising, small group mentoring, supplemental instruction programs and support of distance education.
	Foster innovation and interdisciplinary collaboration in teaching (e.g. use of instructional technology, enhancement of learning beyond the classroom and co-taught and cross-listed courses) by providing necessary resources and support.
	Create a culture of student-centered learning.
	Elevate the importance of quality teaching and mentoring within the University by improving classroom conditions, valuing teaching in hiring and compensation decisions, and providing faculty with support to improve their teaching skills or to develop new courses.
	Create and implement assessment systems for all programs that inform program improvement.
GOAL 2	Research, Scholarship and Creative Achievement: To be a top public university system dedicated to discovery, application, innovation and dissemination of knowledge, we will strive for excellence in creative achievement and world-renowned scholarship and for recognition among comprehensive research institutions. With our established ranking as a Carnegie Very High Research University, we will continue to build collaborations and advance recognition of our scholarly research contributions.
	Develop and maintain a standing Presidential Advisory Council comprised of USC's most qualified, active and externally visible faculty from across the University.
	Develop programs to attract, develop and retain faculty.
	Enhance the quality of graduate programs and the quality of life for graduate students engaged in research, scholarship and creative activities.
GOAL 3	Improve our administrative, technological and physical research infrastructure system to increase our competitiveness.
	Establish a Center for Service Learning and Community Engagement to coordinate service learning and community.
	University leadership will send a clear message to academic units that service excellence is valued in tenure and promotion.
	High-level university representatives will expand outreach to representatives of local and state government and other community leaders to identify service needs where our expertise is valuable.
	The university will identify one or several thematic areas that could serve as targets for interdisciplinary service learning and community service.
	The university will establish a "lifelong learning institute" in Columbia.
	The university will seek external funding to support service activities (including the proposed Center for Service Learning and Community Engagement).

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.

Goals and Objectives**GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.**

GOAL 1	<p>Teaching/Learning: USCB will improve the quality of education by expanding its curriculum and stressing disciplinary knowledge and academic skill development characterized by critical inquiry, depth of understanding, accountability, and a commitment to diversity. The University will emphasize research, scholarship, and creative achievement as integral to effective teaching in all academic areas and will promote quality teaching and scholarship by providing appropriate faculty-development support.</p>	<p>Strengthen and expand academic offerings.</p> <hr/> <p>Provide an environment conducive to teaching and learning.</p>
GOAL 2	<p>Research Scholarship and Creative Activity: Recognizing the intrinsic value of research, scholarship, and creativity and their importance to the region and to engaged teaching, the University will foster research, scholarship, and creative activity by recruiting, retaining, and supporting faculty members who are or will become nationally and internationally recognized as highly productive contributors to their fields. The University will assist faculty to identify and compete for extramural funding to support research and creative activities.</p>	<p>Support scholarship and the pedagogy of the faculty.</p>
GOAL 3	<p>Service Excellence: USCB will be actively engaged at all levels in making all of our services student-centered, customer-focused, and excellence driven. Our campus and community relationships will be sustained by adherence to our core service values – integrity, collaboration, innovation, responsiveness, accountability, and excellence. Our academic programs will respond to regional needs and promote a high overall quality of life. University members will exhibit good citizenship by using professional and personal expertise to improve our communities. On our campuses, every person and system will be dedicated to fulfilling the academic aspirations of those students who choose to be members of this learning community.</p>	<p>Strengthen and expand student support services.</p> <hr/> <p>Expand and diversify student population.</p> <hr/> <p>Provide an environment conducive to teaching and learning.</p> <hr/> <p>Improve service excellence university-wide.</p>

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.

GOAL 4

Quality of Life in the University Community: USCB will attract the most deserving and promising students at every level, regardless of background and economic circumstance. The University will integrate strong academic programs with cultural and co-curricular experiences to foster a sense of community and quality of life that nurtures the whole person.

Expand and strengthen student support services.

Build the University's reputation and strengthen its base of support.

Maintain access and affordability.

GOAL 5

Recognition, Visibility, and Community Involvement: USCB will strive to complement and grow the region's strengths by continuing to develop the University's facilities, programs, activities, and community involvement. The University will increase its visibility by highlighting the accomplishments of students, faculty, and staff. Where possible, USCB will attain appropriate accreditations. It will provide Lowcountry citizens with educational opportunities for lifelong learning and cultural enrichment, and develop and maintain partnerships with other entities to better serve the educational needs of the geographic region.

Build the University's reputation and strengthen its base of support.

Develop appropriate partnerships that support the University's mission.

Goals and Objectives**GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.**

GOAL 1	Increase enrollment with an emphasis on academically-gifted students.	<p>Increase student enrollment and expand the Salkehatchie Scholars program: Increase enrollment to a headcount of 1,200 students.</p> <p>Increase student enrollment and expand the Salkehatchie Scholars program: Enroll at least 12 new students in the Salkehatchie Scholars program.</p>
GOAL 2	Expand academic offerings and support services, including technology, to enable students to pursue their long-term educational goals.	Convert all classrooms on the West campus to media rooms: Add two media rooms on West campus.
GOAL 3	Attract, increase, and retain a diverse faculty that excels in teaching, research, and scholarship.	Provide financial support for faculty development: Allot \$31,000 (\$1,500 per full-time faculty member) to faculty professional development and support of research and scholarship activities.
GOAL 4	Continue to develop and sustain community and university partnerships.	<p>Provide campus activities and programs that are designed to enrich the experience of the student: Strengthen and diversify programs on campus by continuing to promote athletic events on campus to both the campus population and the population of the greater service area and continuing to promote OSP cultural events to Salkehatchie students.</p> <p>Provide campus activities and programs that are designed to enrich the experience of the student: Preserve student support services by retaining the professional counselor recruited last year.</p>
GOAL 5	Enhance educational quality by integrating learning within and beyond the classroom.	Provide campus activities that stimulate student leadership and development: Implement Leadership Institute's student leadership program.

University of South Carolina – Sumter**Recommended Appropriations**

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ That the University of South Carolina – Sumter receive an allocation of \$354,119 from the Higher Education Infrastructure Bank to reinvest in and maintain its facilities.
- ✿ Annualizing \$97,520 in Parity Funding; these funds were provided in FY 2013-14 to two-year campuses receiving relatively low per-student levels of support.

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	<p>The University of South Carolina – Sumter will strengthen its ability to offer a program of high quality learning experiences, through a continued commitment to a tradition of teaching excellence and co-curricular activities, for the completion of associate degrees, joint programs, cooperative bachelor degrees and Palmetto Programs.</p>
	<p>Utilize Palmetto Programs to the fullest extent in order to provide the most widely varied courses and programs possible.</p> <p>Provide more varied co-curricular opportunities for students. Co-curricular activities support the personal and social development of students, which, in turn, aid in producing highly educated and well-rounded graduates.</p>
GOAL 2	<p>Increase availability of campus programs and services to secondary schools to increase the number of high school students that apply to USC Sumter. This increased presence in the secondary schools will facilitate growth in enrollment of traditional freshman students.</p>
	<p>Increase the use of the University's dual enrollment program as a recruitment tool. This program is a direct academic service as well as a direct recruitment tool designed to increase the number of high school students that apply to USC Sumter.</p>
	<p>USC Sumter, the S.C. Gear-Up program, and the S.C. African Methodist Episcopal Church will continue the partnership to bring USC Sumter's "College Planning Curriculum" to high schools in all regions of the state. This program is a state-wide student service. It is expected that participating students will become more college ready and choose to enroll at the campus because of the exposure created.</p>
	<p>The Admissions and Recruitment Office will work with the human resource managers and CEOs of area businesses and industries to encourage their participation in programs in which the businesses pay their employees' tuition. 20% of USC Sumter's student body was in the non-traditional age group. Additional recruitment activities that target these potential students are very necessary to the plan to increase enrollment.</p>
	<p>The Sumter Campus will seek innovative ways to establish ties with the faith-based communities in our service area in order to reach both the parents of traditional students, and the non-traditional student market. Many churches ask directly for seminars for potential students. Since a significant percentage of the student body is non-traditional, there is clearly a market in this segment. This kind of active recruitment is intended to increase enrollment in non-traditional students.</p>
	<p>USC Sumter will continue to enroll students who became "USC Sumter Scholars" in their senior year of high school and will provide financial assistance using fee waiver "scholarships" where needed to ensure that tuition is covered.</p>

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.

GOAL 3

The University of South Carolina Sumter will support and encourage the scholarly and creative pursuits of its faculty, including the pursuit of research grants and other types of grants from internal and external sources to support research and other scholarly activities. USC Sumter also will seek to continue to provide resources for faculty and staff to develop viable grant proposals.

Implement the Provost's plan to adjust faculty workloads in order to provide more time for faculty research and scholarly activity. The adjustment should positively affect the measurable quantity of research and scholarly pursuits of the faculty.

Ensure sufficient allocation of faculty professional development funds for travel and for other expenses incurred in scholarly pursuits. Providing direct support should increase faculty scholarly activity.

USC Sumter will seek private funding to add additional endowed professorships that include release time for professional development as well as stipends to support research and the production of scholarly works.

Continue to communicate to faculty the numerous grant and training opportunities that are identified daily from the Grant Research Office. This continued communication will encourage faculty to consider more possible grant sources from which to choose, and is intended to increase the number of applications submitted.

GOAL 4

The University of South Carolina Sumter will seek greater financial support from local and state governments, as well as private sources.

Continue to work with USC Sumter's Legislative Delegation to effect positive change in state budgetary priorities for higher education in the state of South Carolina. Although such political processes are quite slow, the campus must continue this activity in an effort to effect a positive change in state funding.

Maintain dialogue with service area governments to increase local funding to the campus. Again, although such political processes are quite slow, the campus must continue this activity in an effort to effect a positive change in local funding.

Improve and enhance annual giving campaigns. Enhanced campaigns should result in more dollars raised privately that can be used to support the campus.

Participate fully in the upcoming Capital Campaign. Such participation should result in more dollars raised privately that can be used to support the campus.

GOAL 5

The University of South Carolina Sumter will continue to develop and improve its physical plant and related campus infrastructure as outlined in the campus master plan and actively seek public and private funding to achieve this goal.

Continually work with USC Sumter's Legislative Delegation to encourage a new state bond bill that will fund the campus' planned new Instructional Laboratories Building, which is currently fourteenth on the state's prioritized list of proposed construction. Funding will allow USC Sumter to move forward with the Campus Master Plan.

Continually work with USC Sumter's Legislative Delegation to support additional state funding for deferred maintenance. Funding will allow the campus to move forward with accomplishing the tasks outlined in the deferred maintenance list.

Continue to seek a major naming gift for the Instructional Laboratories Building. A private donation will likely provide more encouragement to the state to provide funding for this project, again, allowing USC Sumter to move forward with its Master Plan.

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	To ensure Winthrop University continues to offer its students a first-class educational experience, consistent with the progress of the times and the needs and expectations of citizens living in a global context both socially and economically, the Winthrop community will:
	Engage as appropriate in opportunities to support the work of the Search and Selection Committee for the tenth president of Winthrop University.
	Prepare the Winthrop campus community for the transition to the tenth president of Winthrop University in summer 2013.
	Continue to manage available resources and invest in Winthrop's future as needed, with emphasis on three priority areas: (1) ensuring the continuing national-caliber quality of the academic experience at Winthrop, (2) continuing to provide a safe and secure campus, and (3) continuing recruitment of the high-achieving, socially responsible and inclusive student body for which Winthrop is known.
GOAL 2	To build on its record of nationally recognized quality and value while ensuring the continued availability of the distinctive Winthrop Experience for students of the future, Winthrop in 2012-13 will continue to implement the Global Learning Initiative by encouraging and tracking the integration of global learning and awareness across students' Winthrop experience, with particular emphasis on deepening learning opportunities in the Touchstone core courses.

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.

GOAL 3

To become well-prepared for such time as when the national and state economy recover to the point that Winthrop is able to consider compensation improvement initiatives for faculty and staff, Winthrop in 2012-13 will build upon the previous year's compensation study by developing a process for an annual update of salary information using latest data.

GOAL 4

To broaden and deepen defined opportunities for a fully engaged campus community and to take advantage of best practices in social media experiences involving members of the campus community and those beyond, Winthrop will conduct a comprehensive audit of the Winthrop admissions website with a focus on new student engagement and recruitment, integrating social web elements and incorporating strategy suggestions for enhancing the admissions page visit experiences.

GOAL 5

To build upon its statewide recognition in energy management and recycling and advance Winthrop toward being a sustainable university, Winthrop will:

Initiate integration of the campus-wide sustainability policy into campus activities and planning.

Create and implement a campus-wide sustainable-purchasing policy.

Seek partnerships that will improve campus sustainability efforts in recycling, waste management and energy efficiency.

Seek selected grants, green certifications, and other awards / recognitions that will affirm and build on Winthrop's commitment to sustainability.

GOAL 6

To enrich the range of perspectives contributing to student learning, Winthrop will develop estimates of personnel and fiscal resource requirements necessary to establish a pilot program for bringing recognized leaders and innovators in various creative and professional fields to the campus through "in residence" programs tailored to their respective availability.

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.

GOAL 7

To help ensure that all members of the Winthrop community have a shared understanding of federal Title IX laws and regulations regarding both what constitutes appropriate personal behavior in an academic setting and what steps must be taken to pursue any instances of suspected sexual misconduct involving or affecting any member of the campus community, Winthrop will:

Designate a Title IX coordinator for the campus who will oversee all processes related to any suspected or alleged Title IX violation.

Develop a systematic approach to promulgating Winthrop's updated sexual misconduct policy and embedding its tenets into the values and culture of the campus.

GOAL 8

To help ensure the safety of the Winthrop University campus for the youngest of learners, Winthrop will develop a policy and related protocol that build upon current processes for protecting children who come to campus to participate in various programs.

GOAL 9

To assess the potential for expansion of the Winthrop community of learners to include an active retiree residential village adjacent to campus, Winthrop will conduct a targeted market survey and work with specialists in the field to be informed by national best practices in such initiatives.

GOAL 10

To recognize the contribution and expertise of Winthrop retirees and enhance their continued engagement in the life of the campus, Winthrop will develop a plan to encourage retiree participation in campus programming, activities and services.

Goals and Objectives**I. EDUCATIONAL AND GENERAL**

GOAL 1	MUSC will be a leader in interprofessional / interdisciplinary (IP/ID) practices by building on existing activities and fostering an environment that rewards innovative and integrated education, research, and patient care.	Foster existing initiatives and develop new opportunities that encourage interprofessional / interdisciplinary integration and experiences.
		Develop opportunities within and outside the institution and create partnerships with others to establish IP/ID collaboration as an ongoing University commitment.
GOAL 2	Provide an environment that promotes the application, development, and transfer of technology, fosters and rewards innovation, cultivates human capital, and responds to emerging priorities to advance health care, education, and research.	Maximize the use of resources and technologies to advance health care, education, and research at MUSC and throughout South Carolina.
		Create and nurture an environment that fosters innovation.
		Accelerate and capitalize the transfer of new technologies and research advances.
GOAL 3	Create and sustain a culture, with both pathways and infrastructure, that will support University-wide entrepreneurialism. Cultivate opportunities to explore new portals and partnerships, public and private, while promoting an ethical framework for pursuits.	Identify and sustain new revenue streams that adapt to changing biomedical economic environments.
		Stimulate the spirit of entrepreneurialism and incorporate a system of incentives.
GOAL 4	Improve the health of people in South Carolina and globally through the development of collaborative global partnerships in education, clinical care and research.	Develop Center for Medical Innovation and Entrepreneurialism.
		Build an infrastructure that supports collaboration, coordination, and a commitment to sustainable globalization activities highlighting the unique strengths of MUSC.
		Position MUSC to be recognized as a leader in global health initiatives.

State Board for Technical and Comprehensive Education

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The dedication of 10% of the Capital Reserve Fund (worth \$11,715,591 in FY 2014-15) to the Technical Education Infrastructure Bank, to reinvest in and maintain facilities at South Carolina's 16 technical colleges. Institutions would be eligible to receive allocations from the Bank in proportion to their respective shares of in-state students. Distributions from the Bank must be matched 1:1 from non-state sources.
- ✿ A non-recurring allocation of \$5,438,000 to meet the anticipated needs of the ReadySC job training program in the upcoming fiscal year.
- ✿ Providing \$375,000 in one-time funds to create job profiles for 250 positions; these profiles help to match qualified candidates to hard-to-fill positions.
- ✿ An increase of \$2,500,000 in recurring operating support for education and training in the manufacturing, healthcare, and STEM disciplines, along with another \$2,500,000 in one-time funds for related equipment.
- ✿ Expanding the state's highly successful apprenticeship initiatives, by using \$2,000,000 in additional General Fund support to bolster on-the-job training and expand partnerships with the business community and with high schools and Career and Technology Education programs.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Direct Training – ReadySC Program	\$ 5,438,000
Additional WorkKeys Profiles	\$ 375,000

CAPITAL RESERVE FUND

Technical Education Infrastructure Bank	\$ 11,715,591
Equipment for Manufacturing, STEM, and Allied Health Programs	\$ 2,500,000

Provisos

 There are 4 provisos in this section; the budget proposes to codify 1 and establish 1.

# / ACTION	TITLE / DESCRIPTION
25.2	Training of New & Expanding Industry Carry Forward
Codify	<i>This proviso allows funding for the ReadySC program to be carried forward. This proviso should be codified because the program's commitments are fluid but will continue to significantly exceed existing resources for the foreseeable future.</i>
25.5*	Apprenticeships
Establish	<i>This proviso provides guidance on the use of the \$2 million recommended for the expansion of apprenticeship programs. Funds would be used to expand apprenticeship opportunities and provide on-the-job training.</i>

Goals and Objectives

GOALS NOT MAPPED TO A SPECIFIC BUDGET PROGRAM.

GOAL 1	Ensure excellence and value by providing high quality, relevant programs and services to all customers.
GOAL 2	Achieve greater efficiency and effectiveness in fulfilling the System's mission through coordinated college and state-level leadership.

Department of Archives and History

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An increase of \$55,000 in General Fund support to hire an IT Supervisor. With the dramatic increase in the state's electronic record inventory, filling this position will allow the agency to implement enhanced security policies and improve the cataloguing and preservation of digital records.

Provisos

- ✿ There are 2 provisos in this section; the budget proposes no changes.

Goals and Objectives

III. ARCHIVES AND RECORDS MANAGEMENT		IV. HISTORICAL SERVICES
GOAL 1	Promote and encourage an understanding, appreciation, and preservation of the state's history and heritage.	Award federal grants to projects to assist with the identification and preservation of historic buildings and sites.
		Provide training on historic preservation ordinances and design review through workshop and on-site training sessions.
		Organize and attract participants to the Preservation Conference in Columbia.
		Update and maintain the database of historical markers to make texts of more than 1,300 markers available online.
		Approve texts for historical markers.
GOAL 2	Increase awareness, understanding, and use of the programs of the South Carolina Department of Archives and History.	Distribute two email newsletters to inform constituents of general preservation issues and the review of compliance programs.
		Organize and participate in workshops on preservation programs, tax credits, and grants.
GOAL 3	Assess needs and identify and secure funding and resources to support the mission of the Department of Archives and History.	Complete State and National Archival Partnership grant to support SHRAB activities and new subgrants.
		Continue participation in a Library of Congress-funded multi-state project to select and preserve archival state agency digital / electronic records.
GOAL 4	Recruit, hire, retain, and develop the human resources necessary to fulfill the mission of the agency.	

		III. ARCHIVES AND RECORDS MANAGEMENT	IV. HISTORICAL SERVICES
GOAL 5	Continue to ensure our journey of excellence by evaluating effectiveness and improving our programs.	Assess progress on the FY 2007-11 ARM Long-range Plan and make adjustments based on reduced staffing and other resources.	
		Microfilm historical documents.	
		Continue using the services of the non-profit Internet Archive, Inc. to capture and provide access.	
		Transfer state and local government paper records to the State Records Center for temporary security storage.	
		Transfer historical state and local government records (paper and microfilm) to the Archives and History Center for permanent retention.	
		Handle onsite Reference Room visits and telephone, email, and regular mail requests for assistance.	
		Approve records retention schedules from state and local government; authorize destruction of state and local government records.	
GOAL 6	To increase and enhance preservation of and access to South Carolina state and local government records.	Realize cost savings through the Archives; records management program for state agencies and local governments, including records scheduling and State Records Center storage.

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	<p>The State Library will create a network of key constituents to continue the work of libraries as educational institutions indispensable to South Carolina's intellectual landscape.</p> <p>Continue to work with public library leadership and educational/academic leadership statewide to monitor and assess public library capabilities regarding student access to, skill level with, and usage of available resources.</p> <p>Seek new seamless collaborative efforts with our K-12 and other academic partners to pursue cost saving opportunities and keep priorities aligned.</p>
GOAL 2	<p>The State Library will demonstrate that libraries are essential to the health and well-being of citizens in general and citizens in rural areas in particular.</p> <p>Talking Book Services (TBS): Develop and activate a promotional campaign through public libraries to draw more users to the TBS program statewide.</p> <p>Discus: Offer resources for research.</p> <p>Workforce Development: Continue outreach to citizens in need of training in technical skills, resume writing and job seeking; maintain partnerships in aid of the unemployed statewide.</p>
GOAL 3	<p>The State Library will address the disparity in staff skill levels in libraries across the state, and will design and implement a 21st Century skills-based training and certification program for library workers.</p> <p>A new Continuing Education Coordinator will assess current status of learning/staff development opportunities and design a new comprehensive program of training and certification for all levels of library workers, including State Library staff.</p> <p>All library tasks and skills will be aligned with the 21st Century skill set recommended by the U.S. Institute of Museum and Library Services.</p>
GOAL 4	<p>The State Library will continue to facilitate good governance by enhancing its services to state government agencies and employees.</p> <p>Continue "South Carolina State Government Bit by Bit" webinar training series for state government staff.</p> <p>Continue "born digital" and other digitization of State Agency documents for improved access to state government information.</p> <p>Continue to promote and highlight important news and information through multiple communication channels.</p> <p>Enlarge and promote the agency's E-book offerings on management, business, technology and librarianship to government workers.</p>
GOAL 5	<p>The State Library will demonstrate that public libraries are essential in the delivery of children's services and programs that enhance the love of reading and the ability to achieve in school.</p> <p>Create family literacy programs that demonstrate that SC libraries are essential to the intellectual health of SC citizens in general and children in particular.</p> <p>Enter into partnerships and collaborations that will enhance and multiply the effectiveness of SC literacy such as the Literacy 2030 initiative.</p> <p>K-4 literacy calendar – Distribute calendars based on curriculum standards in print and web versions.</p> <p>Summer Reading Program – Expand and diversify the annual summer reading program and plan for additional events throughout the year.</p>
GOAL 6	<p>The State Library will pursue data-driven strategies that position libraries as the doorway to information in all formats, 24/7, to all South Carolina citizens.</p> <p>Within our active partnership in the SC LENDS consortium, continue to seek ways of improving functionality and usage of this resource and increase member libraries.</p> <p>Continue to seek ways to select, target, and promote Discus databases and other web-based resources to maximize libraries' electronic presence, reaching more citizens in remote areas of the state.</p>

Arts Commission

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There are 5 provisos in this section; the budget proposes to amend 1.

# / ACTION	TITLE / DESCRIPTION
28.5	Distribution to Subdivisions
Amend	<i>This proviso defines the specific amounts that must be allocated to various categories of grants in the upcoming fiscal year. During the past several years, the Arts Commission's actual expenditures have not conformed to the limitations established by this proviso. In FY 2014-15, the Executive Budget proposes to replace the existing text with language requiring that at least \$1 million from this line be dedicated to school districts for arts programs.</i>

Goals and Objectives

	I. ADMINISTRATION	II. STATEWIDE ARTS SERVICES
GOAL 1	Arts Education: Students receive a comprehensive education in the arts that develops their creativity, problem solving and collaborative skills, and prepares them for a lifetime of engagement with the arts and productive citizenship.	Maintain / strengthen the Arts in Basic Curriculum Partnership.
		Support schools and districts with grants programs and staff assistance to help them reach their education goals.
		Provide professional development opportunities for teachers.
GOAL 2	Community Arts Development: South Carolina citizens and visitors benefit from diverse opportunities for relevant, rewarding arts experiences in communities throughout the state; South Carolina arts organizations and other arts providers have the capacity and necessary resources to deliver relevant, high quality arts experiences to citizens and visitors.	Continue advancing public participation as a priority.
		Celebrate and support South Carolina's traditional art forms and artists.
		Conduct focused, team-based outreach to communities identified as underserved by the Arts Commission.
		Provide direct programming, staff assistance, outreach, grants, and training for artists and organizations to better realize their potential as arts providers.
GOAL 3	Artist Development: South Carolina's professional artists are able to produce excellent art and build satisfying, sustainable careers in our state.	Provide direct programming, staff assistance, outreach, grants, and training for artists and organizations to better realize their potential as arts providers.
		Incubate arts-based small businesses through the Artist Ventures Institute (AVI).
N/A	Objectives not associated with a specific goal.	Provide opportunities to artists for professional development, training, networking, and career advancement.
		Maintain and further develop systems to fully assess and utilize staff skills and address needs.
		Review systems of customer service for improvement opportunities.
		Assess opportunities for improving / streamlining the grantmaking process.

State Museum Commission

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There are 8 provisos in this section; the budget proposes to amend 1, codify 1, and delete 2.

# / ACTION	TITLE / DESCRIPTION
29.1	Duplicate Materials
Delete	<i>This proviso establishes parameters for the State Museum Commission to dispose of natural history materials that duplicate the Commission's existing assets or which are of sub-museum value. It duplicates Proviso 29.2 in many respects, which focuses on the State Museum's other collections. The Executive Budget proposes to combine these into a single proviso.</i>
29.2	Removal From Collections
Amend	<i>As noted above, the Executive Budget proposes to fold Proviso 29.1 into Proviso 29.2</i>
29.4	Retention of Revenue
Codify	<i>This proviso permits the Commission to retain and carry-forward revenues arising from a variety of fee and operating income categories on the basis that these funds only be used as authorized by the General Assembly.</i>
29.5	Across-the-Board Cut Exemption
Delete	<i>There are two provisos that provide the State Museum Commission with some level of relief in the event of an across-the-board cut. Proviso 29.5 exempts the portion of the State Museum's appropriations that must be used to make the annual rent payment to the Budget and Control Board from any such cut. On the other hand, Proviso 29.8 does nothing to exempt the State Museum's available funds from an across-the-board cut, but instead, reduces the State Museum's rent payment to the Budget and Control Board by the same rate as the across-the-board cut. Taken together, Proviso 29.5 leaves the State Museum with all the funding it needs to make its full rent payment, even though Proviso 29.8 actually reduces the amount of that rent bill. The State Museum should receive the protection offered by one of these provisos, but not both.</i>

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- No changes from FY 2013-14 funding levels.

Provisos

- There are 5 provisos in this section; the budget proposes no changes.

Goals and Objectives

	II. VOCATIONAL REHABILITATION PROGRAMS	III. DISABILITY DETERMINATION SERVICES
GOAL 1	<p>Standards of Excellence: a set of standards used by SCVRD to maintain an organizational focus on performance and to guide systematic evaluation and improvement of key processes.</p> <p>Consistently high performance in all standards.</p>	
GOAL 2	<p>Successful Employment Outcomes: the agency's primary objective of successful gainful employment of people with disabilities consistent with their strengths, priorities, concerns, abilities, capabilities, interests and informed choice.</p> <p>Annual gains in number of successful outcomes as resources increase.</p>	
GOAL 3	<p>Program Integrity: a balanced set of measurable standards which are essential to the department's success relative to compliance assurance, productivity, and customer service.</p> <p>Agency performance to be higher than peers nationally where applicable.</p>	<p>Agency performance to be higher than peers nationally where applicable.</p>

II. VOCATIONAL REHABILITATION PROGRAMS

III. DISABILITY DETERMINATION SERVICES

GOAL 4	Work Training Center Balance: centers seek to balance financial impact with the need to provide the variety of rehabilitation services of greatest benefit to clients.	Increase and sustain success rates in competitive employment outcomes for training center clients.	
GOAL 5	Return on Investment: set of measures that reflect the economic impact of competitive employment of clients through their own gain in financial achievement and through the return on the taxpayer investment.	Annual improvement in ROI.	
GOAL 6	CORE (Committee on Rehabilitation Excellence): A process to assure achievement of the Standards of Excellence by collecting and analyzing data, maximizing HR effectiveness, formulating and assessing plans for corrective action, and assuring implementation and follow-up.	Annual improvement of standards performance.	
GOAL 7	Professional Development and Leadership Program (PDLP) to transfer organizational knowledge and develop future leaders in light of significant retirements.	Skills attainment, leadership position attainment, active support method for succession planning.	Skills attainment, leadership position attainment, active support method for succession planning.
GOAL 8	Partnerships to enhance agency outreach and service provision.	Increase in co-funded positions and increase in referrals.	
GOAL 9	Redirection of staff resources to provide the highest level of client service possible.	Additional compliance and quality reviews, and other roles as identified through organizational review.	

II. VOCATIONAL REHABILITATION PROGRAMS

III. DISABILITY DETERMINATION SERVICES

GOAL 10	Transition services.	Increase total number of students served, school referrals and successful outcomes.
GOAL 11	Supported Employment Services utilizing interagency collaboration with stakeholders such as DMH and DDSN to identify and serve individuals requiring supported employment services including the rapid placement model.	Increase referrals and maintenance of percentages of individuals with significant disabilities with successful competitive employment outcomes.
GOAL 12	Emerging Disabilities including a focus on outreach for underserved groups identified through a triennial statewide needs assessment.	Formal agreements to include referral source requirements, SCVRD participation in support groups, and other outreach activities.
GOAL 13	Case Management System (CMS) Enhancement to follow the natural progression of the rehabilitation process and support integrated service delivery system in an intuitive and user-friendly format.	Begin Phase 5 (Individualized Plan for Employment) testing in Fall 2013.
GOAL 14	Quality System Initiative to examine service provision and establish system to monitor and improve quality of services.	Identify best practice models and data required for program evaluation at each stage of rehabilitation process.
GOAL 15	Electronic File whereby all evidence material for the disability decision is either submitted electronically or scanned into the file electronically.	Expand receipt of medical evidence by implementing Health information Technology; expand eCat to include Continuing Disability Review claims; develop electronic interface with DHHS to streamline Medicaid disability claims.

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An increase of \$56,000,000 in recurring General Fund support for the Medicaid program.
- ✿ The use of \$21,500,000 in non-recurring funds for the Medicaid program.
- ✿ The continued dedication of all cigarette surcharge proceeds (approximately \$121 million) and most funds received through the Master Settlement Agreement to the Medicaid program.
- ✿ Shifting the General Fund match for Medicaid expenditures off of several other agencies' budgets and recognize those funds with the Department's budget instead. This action will improve the state's overall ability to manage the Medicaid program and will also ensure that agencies lacking access to alternate sources of funding will not withhold mandated services late in the fiscal year, in the event they have exhausted their General Fund appropriations.
- ✿ A major effort to reduce the wait lists for the DDSN-administered Community Supports (CS) and Intellectual Disability & Related Disability (ID/RD) waivers by a total of at least 1,400, using \$13,293,825 in state funds (\$44,750,000 total). The General Funds for this initiative are reflected in HHS' recommended budget; DDSN would receive Other Funds authority to receive these resources and supply the appropriate services.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Medicaid	\$ 21,500,000

Provisos

- ✿ There are 29 provisos in this section; the budget proposes to amend 4 (including 1 for technical reasons) and delete 2.

# / ACTION	TITLE / DESCRIPTION
33.16	Medicaid Cost and Quality Effectiveness
Amend	<i>This proviso directs the Department to conduct annual assessments on the cost-effectiveness and quality of various models of managed care. The Department has requested to amend the proviso to bring the text into alignment with the types of plans that are now available.</i>
33.20	Community Health Plans
Delete	<i>This proviso assigns responsibility for overseeing certain Community Health Plans. The Department proposes to delete this proviso because monitoring these plans is not central to the Department's obligations to manage the Medicaid program.</i>
33.23	Medicaid Reporting
Delete	<i>This proviso establishes an additional layer of quarterly reporting; the agency is already subject to a variety of federal change approvals and reporting requirements.</i>
33.24	Contract Authority
Amend	<i>This proviso authorizes the Department to make grants to community-based nonprofits. The Executive Budget supports the Department's request to revise this proviso to treat these arrangements as contracts instead of grants and to eliminate the caps on these contracts individually and collectively.</i>
33.26	Medicaid Accountability and Quality Improvement Initiative
Amend	<i>This proviso directs the Department to take a variety of actions designed to improve health outcomes and increase the value of health-related services purchased by the state. The Executive Budget supports the Department's request to delete references to those initiatives already implemented and to provide greater flexibility to implement those that continue.</i>
33.27	Medicaid Healthcare Initiatives Outcomes
Amend (Technical)	<i>This proviso requires that the Director of Health and Human Services make annual presentations to a House Ways and Means subcommittee on the outcomes of Medicaid initiatives enacted during FY 2013-14. The proposed amendment would expand the scope of this presentation to include changes made in subsequent years.</i>

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	Meeting previous commitments to our most vulnerable citizens.
	Manage eligible but unenrolled growth according to targets. Reducing waiting lists for disability waivers.
GOAL 2	Continuous value improvement.
	Decrease poor birth outcomes. Reorganize current spending on the vulnerable uninsured to promote prevention and primary care.
	Drive excess costs out of the system by reducing unwarranted variation in cost and quality.
GOAL 3	Responsible management of the taxpayers' dollars.
	Maintain 3% cash reserves.
	No deficit spending.
	Continued upgrade of information systems, infrastructure, and information security. Maximize efficiency of financing agreements to ensure access to services.

Department of Health and Environmental Control

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The use of \$1,392,000 in non-recurring funds to secure and modernize DHEC's network, encrypt email, and deploy paperless workflow solutions.
- ✿ A transfer of \$266,302 from the Department of Health and Environmental Control's General Fund appropriations to the Department of Health and Human Services' lines. These resources will continue to serve as the state's match against federal Medicaid funds.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Provisos

- ✿ There are 48 provisos in this section; the budget proposes to amend 3 (including 2 for technical reasons), codify 5, and delete 6.

# / ACTION	TITLE / DESCRIPTION
34.3	Camp Burnt Gin
Codify	<i>This proviso directs that contributions to Camp Burnt Gin be placed in a restricted account and carried forward to support the Camp's operations.</i>
34.4	Children's Rehabilitative Services
Codify	<i>This proviso requires that other sources of insurance and public benefit be exhausted before the Department shall fund medical care and related services for physically disabled children.</i>
34.9	Rape Violence Prevention Contract
Amend (Technical)	<i>This proviso distributes funds to rape crisis centers and establishes a floor level of funding for which the reference fiscal year must be updated annually.</i>
34.11	Sickle Cell Programs
Amend (Technical)	<i>This proviso distributes funds for sickle cell programs and establishes a floor level of funding for which the reference fiscal year must be updated annually.</i>

34.28 Meals in Emergency Operations

Codify *Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears, out of respect to the State's first responders.*

34.30 Beach Renourishment and Monitoring and Coastal Access Improvement

Amend *This proviso was amended in FY 2013-14 to provide funding for specific beach renourishment and stormwater outfall projects. The Executive Budget supports the Department's request to remove references to projects for which the available funds were expended in FY 2013-14.*

34.33 Pharmacist Services

Codify *This proviso suspends more stringent language and allows the Department to designate one pharmacist-in-charge to serve more than one facility. The Executive Budget supports the Department's prior request to codify these changes.*

34.34 Coastal Zone Appellate Panel

Codify *This proviso suspends the Panel's operations; the Executive Budget joins the Department in calling for the permanent repeal of the Panel's enabling legislation at SC Code §48-39-40.*

34.36 Camp Burnt Gin

Delete *This proviso insulates Camp Burnt Gin from cuts in the event that the Department must absorb further reductions.*

34.42 Laurens County

Delete *This proviso directed the Department to make a one-time payment that was issued in FY 2013-14.*

34.43 Cancer Early Detection/Screenings

Delete *This proviso controlled the use of \$1.5 million in one-time funds that were appropriated in FY 2013-14 and which have not been requested by the Department for the upcoming fiscal year.*

34.46 Surface Water Withdrawal Permit

Delete *This proviso extended the permit application window for surface water withdrawal to July 15, 2013 and is no longer required.*

34.47 Sand-scraping and Sandbagging

Delete *The Executive Budget supports the Department's request to delete this one-time proviso.*

34.48 Tuberculosis Outbreak

Delete *This proviso granted the Department significant flexibility to repurpose funds for the “surveillance, investigation, containment, and treatment activities” associated with a tuberculosis outbreak. The Department believes it has adequate authority to take such steps without this proviso.*

Goals and Objectives

The Department of Health and Environmental Control (DHEC) defines its objectives for more programs and subprograms than any other agency; however, no DHEC program has objectives relating to all five of the agency's goals. To avoid printing blank tables, this book does not include pages for which there are no objectives corresponding to a particular pairing of agency goals and programs.

In the following pages, all of the pages for a particular goal are presented before proceeding with the next goal. To illustrate how the tables below should be interpreted, 10 pages are needed to report on the objectives associated with Goal 2. The objectives relating to budget program II.E.4. appear on the 4th of those 10 pages.

GOAL 1

Increase support to and involvement by communities in developing healthy and environmentally sound communities.

Protect the environment to improve public health and safety.

Protect the environment to improve public health and safety.

Increase public understanding of air pollutants, such as ground-level ozone and particulate matter through increased education and outreach activities to segments of the public.

Restore impaired natural resources and sustain them for beneficial use.

Increase percentage of state and associated populations living in areas meeting state and federal ambient air quality standards.

Track and report number of nonresponsible party contracts (Brownfields) executed.

Reduce air toxins.

Reduce the number of landfills through regionalization.

Assure strategic plans are in place to address adverse air quality impacts on natural resources.

Track and report the number of Record Decisions (RODs) issued for dry-cleaning facilities.

Minimize the impact to public health and the environment from environmental emergencies, disasters and spills.

Maintain effective and efficient disaster preparedness and response capability.

Provide technical information for state, federal and local emergency responses.

 4. ACCESS TO CARE

GOAL 1

Increase support to and involvement by communities in developing healthy and environmentally sound communities.

Forty-six county health departments provide public health and environmental health services to the public. In keeping with the agency's value of "local solutions to local problems," each county may focus on different health activities depending upon the needs of the community.

Decrease the number of fatalities/injuries of children under 6 years old by increasing the number of children appropriately restrained.

Decrease the number of fatalities/injuries due to residential fires by increasing the number of smoke alarms installed in low socioeconomic homes.

Create a uniform surveillance system for risk factors and circumstances related to violent deaths.

Decrease the incidence of preventable child deaths by surveying data and making recommendations to Governor/legislature.

Translate Traumatic Brain Injury (TBI) surveillance data into targeted prevention activities.

Provide information to TBI survivors regarding available post injury TBI services.

Translate injury surveillance data into useful and effective preventive programs.

Eliminate priority health disparities through: community engagement and capacity building; faith and community-based initiatives; improving access to services; culturally appropriate health promotion efforts in minority communities; program planning and implementation; and an increased capacity of the agency to provide culturally and linguistically appropriate services.

Outcome measures address 16 critical capacities and 46 critical benchmarks in the federal cooperative agreements.

Department of Mental Health

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ Providing \$5,000,000 in recurring General Funds to assure that the delivery of mental health services will be sustainable. The Department will lose an important source of operating support over the course of the next few years, as cost settlements from the Department of Health and Human Services are phased-out.
- ✿ An increase of \$1,450,000 for forensic inpatient services; this program provides treatment for those who are committed to the Department's care through the legal system, along with court-ordered evaluations for certain criminal defendants.
- ✿ That \$800,000 be used to increase community supportive housing placements. These services help individuals with behavioral disabilities find or maintain shelter and not only reduce homelessness, but can also allow for certain clients to be released from more restrictive treatment settings.
- ✿ An additional \$600,000 to offset the costs of the growing number of offenders committed to the Sexually Violent Predator Treatment Program.
- ✿ Increasing support for the award-winning Emergency Department Telepsychiatry program by \$500,000 and providing an additional \$250,000 to begin to link Community Mental Health Centers, many of which serve rural areas.
- ✿ Adding \$300,000 in recurring support for crisis services; these funds are used to evaluate and treat clients with emergent needs that require immediate support through on-site consultations, hospital admissions, or Charleston's mobile crisis program.
- ✿ Dedicating \$200,000 in General Funds for the Assessment and Resource Center, a nationally certified Children's Advocacy Center that assesses, treats, and broadly serves victims of abuse.
- ✿ The use of \$2,500,000 from the Capital Reserve Fund, of which \$1,500,000 would be used for deferred maintenance at DMH sites and \$1,000,000 would be used to purchase automated dispensing equipment at several state facilities. These machines would deter unauthorized access to medication, reduce dispensing errors, and give nurses more time to provide care. The Department is slated to receive millions in proceeds from the redevelopment of the Bull Street property in the coming years; those funds will also be applied to the agency's deferred maintenance and capital needs.

CAPITAL RESERVE FUND	
Automated Dispensing Equipment for Pharmaceuticals	\$ 1,000,000
Inpatient and Support Buildings – Deferred Maintenance	\$ 1,000,000
Community Buildings – Deferred Maintenance	\$ 500,000

Provisos

 There are 11 provisos in this section; the budget proposes to amend and codify 1, codify 2, and delete 3.

# / ACTION	TITLE / DESCRIPTION
35.2	Institution Generated Funds
Codify	<i>This proviso authorizes the Department to retain institution-generated funds and expend them as budgeted.</i>
35.3	Practice Plan
Delete	<i>This proviso establishes participation guidelines for DMH employees affiliated with the USC School of Medicine to participate in the School's Practice Plan. The Executive Budget supports the Department's request to delete this proviso due to the fact that DMH employees with faculty appointments are no longer required to participate in the plan.</i>
35.4	Huntington's Disease
Delete	<i>This proviso establishes a floor level of funding (\$150,000) for patients with Huntington's Disease. This proviso is unnecessary because the Department routinely spends several times as much as this each year. In FY 2012-13, actual spending levels were \$572,287.</i>
35.8	Uncompensated Patient Medical Care
Amend and Codify	<i>This proviso serves as enabling legislation for the Uncompensated Patient Care Fund and allows for funds to be used to cover medical costs for patients transferred to private hospitals. The Executive Budget proposes to codify this proviso with the Department's amendment, which would clarify that these balances could also be used to provide care in other settings, such as a specialist's private practice.</i>
35.9	Meals in Emergency Operations
Codify	<i>Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears out of respect to the State's first responders.</i>
35.11	State Veterans Domiciliary Facility
Delete	<i>This proviso ordered a report on domiciliary care for eligible veterans in State Veterans' Homes. This report was due on January 10, 2014.</i>

Goals and Objectives**GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.**

GOAL 1	Self-directed recovery.	Increase participant choice, control, and flexibility in selecting services to be rendered on the client's behalf.
GOAL 2	Prevention and promotion.	Facilitate the promotion of positive mental health to reduce the impact of mental illnesses on American communities.
GOAL 3	Collaboration.	Seek partnerships among like-minded organizations to evaluate opportunities for enhancing services for such efforts as co-occurring disorders, physical health, employment, peer workforce, homelessness, returning veterans, youth in transition, reducing disparities, older adults, and employing and deploying technology.
GOAL 4	Integrating primary care and behavioral health care.	Place mental health and substance abuse services in primary care settings, and place primary care services in mental health and substance abuse settings.
GOAL 5	Strengthen agency position as state mental health authority.	Emphasize and exercise the primary role the South Carolina Department of Mental Health plays in the delivery of mental health services within the mental health continuum of care.
GOAL 6	Control expenditures and/or increase efficiency of operations.	Evaluate the current operational environment of the South Carolina Department of Mental Health in order to identify areas of increased efficiency with the purpose of maximizing the return on investment of limited resources.
GOAL 7	Expand funding / revenue opportunities.	Evaluate the current revenue and funding streams of the South Carolina Department of Mental Health in order to identify areas of increased reimbursement with the purpose of maximizing the use of limited resources to achieve the greatest benefit for clients.
GOAL 8	Improve access to care for targeted populations.	Evaluate the current access to care for clients and potential clients of the South Carolina Department of Mental Health in order to identify areas of need, and corresponding gaps in access, with the purpose of maximizing the use of limited resources so that the Department can continue to impact the prevalence rate of mental illness in the State.
GOAL 9	Enhance efficiency of clinical service delivery.	Evaluate the current clinical service delivery model of the South Carolina Department of Mental Health in order to identify areas of increased efficiency with the purpose of maximizing the use of limited resources.
GOAL 10	Enhance treatment effectiveness.	Evaluate the current treatment effectiveness of the South Carolina Department of Mental Health in order to refine treatment services with the purpose of supporting the recovery of people with mental illnesses.

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.

GOAL 11	Budget preservation.	Prevent the further degradation of funding for the South Carolina Department of Mental Health so that it will be able to continue to address the demand for mental health services across the State of South Carolina.
GOAL 12	Recruitment and retention.	Address the shortage of clinical staff across the provider spectrum of the South Carolina Department of Mental Health and to ameliorate the significant disparities in compensation between the public and private sectors.
GOAL 13	Accreditation.	Maintain the high-quality level and types of services provided by the South Carolina Department of Mental Health as evidenced by the standards set forth by the accrediting bodies with which the Department is affiliated, and by which all of its Community Mental Health Centers and Inpatient Facilities are accredited.
GOAL 14	Address issues and concerns raised by behavioral health continuum of care stakeholders.	Ensure that the issues and concerns raised by participants in feedback processes, such as the Community Forums, are reviewed, and, when appropriate, acted upon in order to affect positive change, and ensure a dynamic environment, for behavioral health services in the State of South Carolina.

Department of Disabilities and Special Needs

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ A major effort to reduce the wait lists for the DDSN-administered Community Supports (CS) and Intellectual Disability & Related Disability (ID/RD) waivers by a total of at least 1,400, using \$13,293,825 in state funds (\$44,750,000 total). The General Funds for this initiative are reflected in HHS' recommended budget; DDSN would receive Other Funds authority to receive these resources and supply the appropriate services.
- ✿ An increase of \$800,000 to improve data privacy and security, implement changes required to support the new Targeted Case Management system, and integrate with the new BabyNet system.
- ✿ That the Department use uncommitted funds in its debt service account (E164660) to address other essential needs. The balances in this fund, which are directed by proviso to be used "for operations and services that are not funded in the appropriations bill," have risen from roughly \$3 million in FY 2012-13 to \$9 million in FY 2013-14. Slightly more than \$4 million of this total remains unobligated.

Provisos

- ✿ There are 13 provisos in this section; the budget proposes to amend 2, codify 1, and delete 1.

# / ACTION	TITLE / DESCRIPTION
36.1	Work Activity Programs
Codify	<i>This proviso authorizes the Department to retain and carry-forward funds derived from production contracts associated with trainees' efforts through the Work Activity Program provided that those resources be applied to the program's operating expenses or permanent improvements.</i>
36.9	Modular Ramps
Delete	<i>This proviso authorizes the Department to lease modular ramps instead of purchasing them, if it considers this cost-effective. The Department already has this authority without this proviso; furthermore, no modular ramps are currently leased. The Executive Budget recommended the deletion of an identical proviso in the Department of Health and Human Services' budget last year; the General Assembly honored that request.</i>
36.10	Child Daycare Centers
Amend	<i>This proviso directs the Department to provide reimbursements for certain services provided at daycare centers; it was amended in FY 2012-13 to include a \$100,000 earmark for an individual county's Disabilities Board. The Executive Budget proposes to strike this earmark and revert to the prior language.</i>

36.11 Debt Service Account

Amend *This proviso allows the Department to use uncommitted resources from its debt service account in order to pay for operations and services not funded in the enacted budget. The balance of this fund rose to roughly \$9 million by the end of FY 2012-13. The Executive Budget proposes to add new reporting language to this proviso that would direct the Department to provide annual reports on the balances and uses of this fund.*

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	Redesign and expand the scope of services and supports to address the needs of eligible persons in crisis situations and on waiting lists.
	Promote and encourage choice of service providers and allow consumers to select services they need from qualified providers they prefer within individually assessed resource limits.
	Provide information on service resources, requirements, and options to individuals and families.
	Increase the proportion of community integrated options for persons in regional centers and in the community pursuant to the Olmstead US Supreme Court decision.
	Maximize state and federal resources by using more efficient service models.
	Coordinate and partner with other agencies in areas of mutual interest to maximize resources and avoid duplication.
GOAL 2	Continue implementation of a performance measurement system linked to customer satisfaction and achievement of consumer's outcomes.
	Continue to track and analyze performance data and trends in support of quality improvement initiatives.
	Enhance quality assurance and quality improvement initiatives and maintain compliance with federal standards.
	Minimize the occurrence and reduce the severity of disabilities through primary and secondary prevention initiatives.

Department of Alcohol and Other Drug Abuse Services**Recommended Appropriations**

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are 5 provisos in this section; the budget proposes to codify 1 and delete 1.

# / ACTION	TITLE / DESCRIPTION
37.2	Gambling Addiction Services
Codify	<i>The proviso allows the Department, working through the counties, to offer services to address gambling addiction; gambling is not identified in DAODAS' enabling statute as a focal area for the Department.</i>
37.3	Eligibility for Treatment Services
Delete	<i>The proviso makes all South Carolina residents eligible for treatment through DAODAS' programs provided that they pay any applicable fees. This is the Department's longstanding policy; this proviso is unnecessary.</i>

Goals and Objectives

I. ADMINISTRATION		II. FINANCE AND OPERATIONS
GOAL 1	Improve the effectiveness of treatment and intervention programs.	Each year, of those clients who at admission had reported being unemployed (or not employed but labor-force-eligible) during the prior 30 days, at least 5% will report full-time or part-time employment during the prior 30 days at the post-discharge outcome survey (usually at three months post-discharge).
		Integrate research based best practices into treatment protocols through coordinated training efforts by establishing an integrated practice model in the field of addictions across South Carolina.
		Each year, of those clients who at admission had reported having used alcohol or another drug during the prior 30 days, at least 40% will report not having used alcohol or another drug during the prior 30 days at the post-discharge outcome survey (usually at three months post-discharge).
		Focus on increased access to the availability of housing opportunities for clients in need of a safe environment through re-establishing a contract with Oxford House.

V. PROGRAMS

GOAL 1

Improve the effectiveness of treatment and intervention programs.

I. ADMINISTRATION		II. FINANCE AND OPERATIONS
GOAL 2	Improve the effectiveness of prevention programs.	Increase the number of evidence-based prevention programs provided through local alcohol and drug abuse providers; evaluate for significance of reductions in the number of alcohol users, number of marijuana users, and number of cigarette users; evaluate for improvement in perceived risk/harm of ATOD use; and improvement in decision-making skills.
		The annual Youth Access to Tobacco Study will show that no more than 10% of the attempted tobacco buys by youth were successful.
		Pursue improvements in the State Profile priorities identified by the State Epidemiological Outcomes Workgroup and approved by the Governor's Council on Substance Abuse Prevention and Treatment.

II. FINANCE AND OPERATIONS

DAODAS, in conjunction with Behavioral Health Services Association of South Carolina Inc. (BHSA) and the S.C. Department of Health and Human Services (DHHS), will implement the Medicaid State Plan Amendment focusing on a "carve-in" to a managed care model.

At least 75% of clients will receive at least one unit of assessment within two working days of intake.

Increase service capacity for populations with high rates of readmission and to improve access for underserved populations thereby impacting access disparities, enhancing individual and family outcomes and increasing the coordination of services.

At least 50% of clients with an assessment will receive at least one unit of service within six working days of assessment.

In collaboration with DMH, BHSA, and other key stakeholders, develop combined plans to address:

- (1) Bi-directional integration of behavioral health and primary care services
- (2) Provision of recovery-support services for individuals with mental or substance use disorders
- (3) Provision of services for individuals with co-occurring mental and substance use disorders.

Discharge forms will be completed on 99% or more of all admitted clients whose services have ended (missing discharges not to exceed 1% of all applicable episodes).

Implement an electronic health record system in association with the local provider organization.

Outcome data will be collected on a representative sample of 15% or more of admitted clients whose services have ended.

GOAL 3

Improve the efficiency of the service-delivery system.

V. PROGRAMS

GOAL 3

Improve the efficiency of the service-delivery system.

At least 75% of clients will receive at least one unit of assessment within two working days of intake.

At least 50% of clients with an assessment will receive at least one unit of service within six working days of assessment.

Discharge forms will be completed on 99% or more of all admitted clients whose services have ended (missing discharges not to exceed 1% of all applicable episodes).

Outcome data will be collected on a representative sample of 15% or more of admitted clients whose services have ended.

Continue to participate in the Joint Council on Children and Adolescents by providing leadership; actively participating in its committees and projects; supporting the Joint Strategic Plan on Adolescents; and participating in appropriate braided funding initiatives.

Support the statewide utilization of universal screening and assessment tools and standardized outcome questionnaires.

Continue to support the implementation of the Birth Outcome Initiative as led by DHHS that ensures full-term births for Medicaid recipients.

Support for family-driven care and cultural competency as integral to effective services and increase the use of Family Care Centers as a means to address addiction and to lower foster-care rolls.

In conjunction with family members, BHSA, DHHS, Department of Health and Environmental Control (DHEC), Department of Mental Health, Department of Disabilities and Special Needs, and other key stakeholders, DAODAS will continue a Task Force to address FASD.

In collaboration with DHHS, DHEC, BHSA, and selected Medical Home Network members, launch a statewide pilot project to implement the Screening, Brief Intervention, and Referral to Treatment (SBIRT) model.

Department of Social Services

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An increase of \$7,200,000 in recurring General Fund support to complete, maintain, and operate the Child Support Enforcement System.
- ✿ An additional \$1,620,889 to raise monthly foster care payments for the first time since FY 2006-07.
- ✿ A transfer of \$675,000 from the Department of Social Services' General Fund appropriations to the Department of Health and Human Services' lines. These resources will continue to serve as the state's match against federal Medicaid funds.
- ✿ Amending Proviso 38.1 to leave the Department with an additional \$300,000 that has traditionally been redirected to the General Fund. The resources would augment Self-Sufficiency and Family Preservation and Support Initiatives, along with the Department's information security.

Provisos

- ✿ There are 25 provisos in this section; the budget proposes to amend 3, codify 4, and delete 2.

# / ACTION	TITLE / DESCRIPTION
38.1	Fee Retention
Amend	<i>This proviso directs to the General Fund the first \$800,000 of funds recouped from overpayments and refunds. The Executive Budget proposes to lower this amount to \$500,000, providing the Department with additional funds that would be used for Self-Sufficiency and Family Preservation and Support initiatives. These resources would also be used to improve the security of federal tax information and personally identifiable information help by the Department.</i>
38.5	Court Examiner Service Exemption
Codify	<i>This proviso prohibits DSS employees fully or partially paid with federal funds from serving as court examiners, which could potentially jeopardize the state's ability to draw federal dollars for their efforts. Federal policies in this arena are unlikely to change for the foreseeable future; therefore, the proviso should be codified.</i>
38.6	TANF Advance Funds
Codify	<i>This proviso authorizes the Department to use General Funds to advance payments to TANF recipients so that benefits are not interrupted while waiting for Federal Funds to materialize. This permits the Department to manage its cash flow in a manner that protects the beneficiaries of this program and should be codified.</i>

38.9 TANF – Immunizations Certificates

Codify *This proviso directs DSS to obtain proof that the children of TANF applicants and recipients have received age-appropriate immunizations. This language is important to promoting child welfare and should be incorporated into permanent law.*

38.10 Fees for Court Witnesses in Child Welfare Services

Delete *This proviso was established in FY 1994-95 to cap witness fees paid by a limited number of the Department's programs. These ceiling rates do not apply across the entire agency and have not been modified since the limits were originally imposed. The Executive Budget supports the Department's request to delete this proviso so that rates may be set by agency policy.*

38.15 Family Foster Care Payments

Amend *This proviso establishes the monthly foster care rates paid by the Department; these rates have not been changed since FY 2006-07. The Executive Budget includes the \$1.6 million in General Funds required to raise these rates to the level requested by the Department in the proposed amendment.*

38.19 Child Care Voucher

Amend *This proviso states that funds provided to the Department for child care vouchers must be used to enroll eligible children in facilities that meet the state's minimum licensing standards, but includes a passage allowing the Department to waive those quality standards on a case-by-case basis. The Executive Budget proposes that this waiver be eliminated. State funds should not be used to place children in centers that fail to meet basic quality standards.*

38.21 Meals in Emergency Operations

Codify *Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears out of respect to the State's first responders.*

38.25 SNAP Coupons

Delete *This proviso directed the Department to establish a program that it is now implementing in association with the Department of Health and Environmental Control.*

Goals and Objectives

	I. STATE OFFICE	II. PROGRAMS AND SERVICES > A. CHILD PROTECTIVE SERVICES
GOAL 1	Promote the general welfare and safeguard the health and well-being of the state's low-income citizens by providing benefits to help recipients purchase food.	Decrease poverty by providing low-income citizens resources to buy food and provide employment and training to recipients who are able to work.
GOAL 2	Assist families while they are transitioning into employment so that they will become self-sufficient.	Increase opportunities for employment by providing job development and placement and necessary supports for employment retention.
GOAL 3	Provide safe and thriving children with a home with lifelong families sooner.	Ensure timely and effective services to ensure children have permanency.
GOAL 4	Keep children safe by placing them with families who have the protective capacity.	Ensure timely and effective intervention services when safety is compromised in the home or facility environment.
GOAL 5	Meet the needs of vulnerable / young disabled or elderly adults in the least restrictive environment.	
GOAL 6	Provide victims of domestic violence and their children seeking services with emergency shelter and/or counseling and assistance with community resources.	
GOAL 7	Provide abusers who are seeking and/or are court-ordered services with counseling / services to promote healthy relationships.	
GOAL 8	Ensure children receive needed financial support from the noncustodial parent.	Increase child support collections.

Forestry Commission

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ A \$1,000,000 infusion from the Capital Reserve Fund to accelerate the replacement of the Forestry Commission's most dangerous open-cab firefighting equipment. This augments roughly \$2.9 million in funding that will already be dedicated to this purpose in FY 2014-15 through Act 271 of 2012.
- ✿ An additional \$130,000 from the General Fund to provide 2% raises to front-line firefighters, who are among the state's lowest employees and who did not receive the recent increase for law enforcement personnel.
- ✿ A \$75,000 increase in recurring support to hire an IT Specialist to address cybersecurity and other technology support needs.

CAPITAL RESERVE FUND	
Firefighting Equipment	\$ 1,000,000

Provisos

- ✿ There are 4 provisos in this section; the budget proposes to codify 1.

# / ACTION	TITLE / DESCRIPTION
43.2	Retention of Emergency Expenditure Refunds
Codify	<i>This proviso authorizes the Forestry Commission to retain any reimbursement payments it receives from state or federal agencies when its equipment and/or personnel are mobilized in an emergency.</i>

Goals and Objectives

I. ADMINISTRATION		II. FOREST PROTECTION AND DEVELOPMENT
GOAL 1	Protect the resource.	Ensure prompt and effective response to wildfire and other natural disasters.
		Re-evaluate protection strategies, priorities, capabilities as urban areas expand into woodlands.
		Lead in law enforcement in wildfire and timber theft and fraud investigation.
		Ensure prompt response to insect and disease outbreaks.
		Enhance water quality protection.
GOAL 2	Raise awareness about the resource.	Develop and promote forestry education programs for all audiences.
		Enhance the image of the South Carolina Forestry Commission as a source for forest management information and assistance.
GOAL 3	Enhance the resource.	Serve as a catalyst for promotion, development, and expansion of forest resources and markets in South Carolina.
		Provide timely information on forest inventory and health.
		Provide landowners with optimum quality seedlings.
GOAL 4	Prepare to meet future demands.	Maintain a capable, satisfied, and diverse work team.
		Review staffing levels and organizational structure to ensure continued forestry services.
		Reduce job-related injuries.

Department of Agriculture

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

-  An allocation of \$2,880,000 from the Capital Reserve Fund for the construction of a new Metrology Laboratory. This facility provides calibration services to hundreds of in-state and out-of-state clients from both the public and private sectors.
-  That \$1,000,000 of tobacco settlement proceeds be directed to the Department of Agriculture for marketing programs, returning to the annual allocation pattern established under Act 170 of 2010.

Delete	<i>This proviso directed Clemson PSA to use existing funds to start a study on the effectiveness of broadcasting wheat for use as a cover crop. With the study initiated, the proviso may be deleted.</i>

Goals and Objectives

		I. REGULATORY AND PUBLIC SERVICE	II. LIVESTOCK-POULTRY HEALTH
GOAL 1	Advance the competitiveness of the agriculture and forestry industry.	Ensure the safe and legal use of pesticides by the structural and turf/ornamental pest control industries.	Protect animal and public health through control of endemic, foreign, and emerging diseases.
		Monitor the use of pesticides in South Carolina to ensure their safe and effective use and prevent harm to humans, plants, animals, and the environment.	Enforce state and federal animal health laws and regulations by monitoring interstate movement of animals and inspecting livestock auction markets.
		Ensure the quality of fertilizer, lime, and soil amendments distributed to end users in South Carolina by verifying that they meet label guarantees and are free of contaminants.	Expand traceability system designed to enhance animal disease control, surveillance, and eradication programs.
		Prevent and control introduced plant pests/invasive species and pests of honeybees and certify freedom from plant pests for the nursery, greenhouse, and transplant industries.	Regulate state meat/poultry plants; protect the health of consumers by providing a comprehensive inspection service to ensure that meat and poultry products are safe, wholesome and accurately labeled.
		Analyze samples for plant pests and diseases and provide results and recommendations to clients.	Provide accurate and timely veterinary diagnostic and surveillance testing for early detection of disease, thus improving the response activities and mitigating economic losses.
		Apply official quality and purity standards in the certification of eligible seeds and plants produced in South Carolina.	Maintain AAVLD accreditation; meet NVSL accreditation standards and criteria for technicians to be proficiency certified.
		Provide USDA–NOP accredited certification services for organic producers, processors, and handlers who seek certification through our agency.	
		Collaborate with other state agencies to develop alert systems and response plans for exotic plant pests and diseases.	
		Conduct training exercises for state and local responders to ensure readiness.	
		Conduct targeted surveys for potential threats to plant agriculture.	

III. AGRICULTURAL RESEARCH	
GOAL 1	Conduct research to improve the health and productivity of livestock and poultry in South Carolina.
	Focus on transferring technology in emerging areas such as forage-fed beef.
	Improve the productivity and profitability in the horticultural crops, fruits, vegetables, turfgrass and ornamentals.
	Focus on transferring technology in emerging areas such as pest management and genetically modified crops.
	Improve the productivity and profitability in all the major agronomic crops, soybeans, grains, and cotton.
	Focus on transferring technology in emerging areas such as peanut production, pest management, and genetically modified crops.
	Utilize molecular technology to address issues of practical importance to agriculture.
	Increase the number of technical papers and presentations.
	Focus on transferring technology in emerging areas such as animal and plant production systems.
	Conduct research to enhance economic opportunities and improve the quality of life for South Carolinians.
	Assess local labor markets and quantify spatial dynamics.
	Evaluate opportunities and threats to rural markets.
	Develop models to understand the hydrology of South Carolina's coastal plan to improve development.
	Evaluate forest management practices to decrease fuel burns.
	Evaluate new methods to manage timber for improved wildlife management.
	Research soil properties and their relationship to urban land-use properties on lawns and golf courses.
	Develop nanotechnology applications for food safety and quality; seek new methods to control harmful microbes in foods; emphasize effects of plant-based foods on health and nutrition.
	Increase collaboration with MUSC to evaluate health benefits of plants.
	Conduct research programs focused on developing strategies for economically viable land-use to coexist with good water quality.
	Identify wetland and watershed management practices to improve water quality and wetland and aquatic wildlife habitat.

Advance the competitiveness of the agriculture and forestry industry.

IV. COOPERATIVE EXTENSION SERVICE

At least 80% of the foresters and landowners will report a gain in knowledge as a result of participating in sustainable forest and natural resource programs by the end of the fiscal year.

At least 80% of the persons completing sustainable horticultural programs will report a gain in knowledge and skills by the end of the fiscal year.

At least 80% of the persons completing sustainable agronomic programs will report a gain in knowledge and skills by the end of the fiscal year.

At least 80% of the persons completing livestock and forages programs will report a gain in knowledge and skills by the end of the fiscal year.

At least 80% of the youth ages 9-19 will demonstrate skills learned as a result of participating in 4-H projects by the end of the fiscal year.

At least 70% of the people completing food safety and nutrition programs will report a gain in knowledge by the end of the fiscal year.

At least 80% of the participants who complete Community, Leadership and Economic Development (CLED) programs will report knowledge gained by the end of the fiscal year.

At least 80% of the persons completing water resources programs will report a gain in knowledge and skills by the end of the fiscal year.

At least 500 volunteers will be trained and will conduct programs, serve on boards, committees, county organizations, and in cooperative relationships to establish, revitalize, improve, and/or expand the scope of youth and families programming efforts by the end of the fiscal year.

GOAL 1

Advance the competitiveness of the agriculture and forestry industry.

		I. REGULATORY AND PUBLIC SERVICE	II. LIVESTOCK-POULTRY HEALTH
GOAL 2 Enhance the economic potential of rural communities.		Ensure the safe and legal use of pesticides by the structural and turf/ornamental pest control industries.	Protect animal and public health through control of endemic, foreign, and emerging diseases.
		Monitor the use of pesticides in South Carolina to ensure their safe and effective use and prevent harm to humans, plants, animals, and the environment.	Enforce state and federal animal health laws and regulations by monitoring interstate movement of animals and inspecting livestock auction markets.
		Ensure the quality of fertilizer, lime, and soil amendments distributed to end users in South Carolina by verifying that they meet label guarantees and are free of contaminants.	Expand traceability system designed to enhance animal disease control, surveillance, and eradication programs.
		Prevent and control introduced plant pests/invasive species and pests of honeybees and certify freedom from plant pests for the nursery, greenhouse, and transplant industries.	Regulate state meat/poultry plants; protect the health of consumers by providing a comprehensive inspection service to ensure that meat and poultry products are safe, wholesome and accurately labeled.
		Analyze samples for plant pests and diseases and provide results and recommendations to clients.	Provide accurate and timely veterinary diagnostic and surveillance testing for early detection of disease, thus improving the response activities and mitigating economic losses.
		Apply official quality and purity standards in the certification of eligible seeds and plants produced in South Carolina.	Maintain AAVLD accreditation; meet NVSL accreditation standards and criteria for technicians to be proficiency certified.
		Provide USDA–NOP accredited certification services for organic producers, processors, and handlers who seek certification through our agency.	
		Collaborate with other state agencies to develop alert systems and response plans for exotic plant pests and diseases.	
		Conduct training exercises for state and local responders to ensure readiness.	
		Conduct targeted surveys for potential threats to plant agriculture.	

III. AGRICULTURAL RESEARCH	
GOAL 2	Conduct research to improve the health and productivity of livestock and poultry in South Carolina.
	Focus on transferring technology in emerging areas such as forage-fed beef.
	Improve the productivity and profitability in the horticultural crops, fruits, vegetables, turfgrass and ornamentals.
	Focus on transferring technology in emerging areas such as pest management and genetically modified crops.
	Improve the productivity and profitability in all the major agronomic crops, soybeans, grains, and cotton.
	Focus on transferring technology in emerging areas such as peanut production, pest management, and genetically modified crops.
	Utilize molecular technology to address issues of practical importance to agriculture.
	Increase the number of technical papers and presentations.
	Enhance the economic potential of rural communities.
	Focus on transferring technology in emerging areas such as animal and plant production systems.
	Conduct research to enhance economic opportunities and improve the quality of life for South Carolinians.
	Assess local labor markets and quantify spatial dynamics.
	Evaluate opportunities and threats to rural markets.
	Develop models to understand the hydrology of South Carolina's coastal plan to improve development.
	Evaluate forest management practices to decrease fuel burns.
	Evaluate new methods to manage timber for improved wildlife management.
	Research soil properties and their relationship to urban land-use properties on lawns and golf courses.
	Develop nanotechnology applications for food safety and quality; seek new methods to control harmful microbes in foods; emphasize effects of plant-based foods on health and nutrition.
	Increase collaboration with MUSC to evaluate health benefits of plants.
	Conduct research programs focused on developing strategies for economically viable land-use to coexist with good water quality.
	Identify wetland and watershed management practices to improve water quality and wetland and aquatic wildlife habitat.

IV. COOPERATIVE EXTENSION SERVICE

At least 80% of the foresters and landowners will report a gain in knowledge as a result of participating in sustainable forest and natural resource programs by the end of the fiscal year.

Department of Natural Resources

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The use of \$500,000 from the Capital Reserve Fund to replace high-mileage law enforcement vehicles.
- ✿ An allocation of \$300,000 of one-time revenues to survey the state's coast, conduct offshore mapping, and monitor saltwater intrusion into shallow aquifers.
- ✿ Augmenting the operations of the hydrology and geology program with \$236,745 more from the General Fund to improve mapping of underground aquifers, assess groundwater availability and changes, and support the development of the State Water Plan.
- ✿ A General Fund increase of \$243,000 to provide step increases for law enforcement officers who have reached certain service milestones.
- ✿ An additional \$118,000 in operating funds to monitor and manage certain species in an attempt to keep them from being listed as endangered or threatened. These efforts protect landowners from having their property rights impaired by onerous federal endangered species regulations and other restrictions.
- ✿ That \$103,713 of recurring funds be dedicated to the Marine Fisheries Management and Compliance Program, to provide South Carolina's seafood industries with greater support in their efforts to prevent expanded federal regulations from impairing their livelihoods.
- ✿ Providing an additional \$108,074 in recurring support to hire an Information Security Officer in order to protect the agency's systems and customer records.
- ✿ An increase of \$40,000 for the State Lakes Program, to address deferred maintenance needs and improve conformity with the Americans with Disabilities Act's standards.

Sea Grant Consortium

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- No changes from FY 2013-14 funding levels.

Provisos

- There is 1 proviso in this section; the budget proposes no changes.

Goals and Objectives

I. ADMINISTRATION

GOAL 1

Provide a mechanism for the development and management of the Sea Grant Program for the State of South Carolina and adjacent regions which share a common environment and resource heritage.

GOAL 2

Support, improve and share research, education, training and advisory services in fields related to ocean and coastal resources.

GOAL 3

Encourage and follow a regional approach to solving problems or meeting needs relating to ocean and coastal resources in cooperation with appropriate institutions, programs, and persons in the region.

I. ADMINISTRATION

Document the ecological and economic value of coastal and ocean ecosystems processes and deliver the resultant information and tools to state and local decision-makers, resource managers, and interested public.

Enhance the awareness of coastal decision-makers about the impacts of population growth and development on coastal and ocean ecosystems, and apply science-based management tools and techniques to balance growth with resource conservation.

Foster the development of sustainable fisheries and aquaculture that is compatible with changing demographics, business development, regulatory environments, and long-term conservation of natural and cultural resources.

Generate and extend information to coastal residents, communities, and businesses to increase their understanding of the risks and vulnerabilities associated with both chronic and episodic coastal natural hazard events, and to improve their ability to prepare for and recover from them with minimal disruption to social, economic, and natural systems.

Improve understanding of the value and vulnerability of coastal and marine resources through K-12 and informal education efforts and support the development of a well-trained workforce.

Develop, maintain, and enhance the Consortium's funding levels and planning, financial, and reporting systems to support the programmatic goals and established performance metrics of the Consortium's research, education, extension, and training programs.

Ensure that problems and needs of those who live and work along the coast are accurately identified, and that Consortium programs are effective in providing the necessary science-based information and that this information is delivered to target audiences in a timely fashion and appropriate formats.

Encourage an "environment of excellence" to maintain and hire talented staff and support the development of professional and other skills among the Consortium staff in partnership with other Federal, state, and local agencies and professional organizations.

N/A Objectives not associated with a specific goal.

Department of Parks, Recreation and Tourism

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ That funding for the Destination-Specific Marketing program be reverted to the FY 2012-13 level.
- ✿ That the Department of Parks, Recreation and Tourism receive \$2,650,000 from the Capital Reserve Fund for a range of projects that will improve the self-sufficiency of the State Parks System while addressing critical health and safety concerns.

CAPITAL RESERVE FUND		
Myrtle Beach State Park – Phase II Sewer Repairs	\$	600,000
State Park Cabin Renovations	\$	500,000
Sesquicentennial State Park – Splash Pad	\$	500,000
Road Maintenance	\$	400,000
State Park Asbestos Abatement and Mold Removal – Phase II	\$	400,000
State Park Comfort Station Renovations	\$	250,000

Provisos

- ✿ There are 11 provisos in this section; the budget proposes to amend 1 and codify 2.

# / ACTION	TITLE / DESCRIPTION
49.6	Gift Shops
Codify	<i>The proviso allows the Statehouse Gift Shop to close on weekends and should be codified.</i>
49.8	Destination Specific Tourism and Marketing Transfer
Amend	<i>The Executive Budget proposes to return the Destination Specific Marketing program to the \$8 million level at which it was funded in FY 2012-13, as opposed to the \$12 million provided in FY 2013-14. Fiscal year references must also be revised.</i>
49.11	Admission Fees and Charges
Codify	<i>The proviso authorizes the Department to charge fees for the use of its facilities, provided that those funds be applied towards parks and recreational uses.</i>

Department of Commerce

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- A total allocation of \$16,000,000 in non-recurring resources for the Closing Fund, to match what was provided in FY 2013-14.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Closing Fund	\$ 13,566,809
--------------	---------------

CAPITAL RESERVE FUND

Closing Fund	\$ 2,433,191
--------------	--------------

Provisos

- There are 16 provisos in this section; the budget proposes to amend 1 for technical reasons, codify 1, delete 1, and transfer 1 in from another agency.

# / ACTION	TITLE / DESCRIPTION
50.4	Export Trade Show Funds
Codify	<i>South Carolina businesses occasionally provide the Department with funds to offset costs associated with participation in future trade shows. The proviso allows those resources to be carried forward.</i>
50.13	Regional Economic Development Organizations
Amend (Technical)	<i>This proviso distributes the funds appropriated for Regional Economic Development Organizations; it must be updated to revise a fiscal year reference.</i>
50.16	Council on Competitiveness
Delete	<i>This proviso earmarked \$650,000 for the Council on Competitiveness in FY 2013-14 and required a report by January 1, 2014. It should be deleted.</i>
50.17*	Base Closure Fund Carry Forward Transfer
Transfer In	<i>In FY 2013-14, Proviso 101.17 transferred responsibility for the Base Closure Fund to the Department of Commerce and the South Carolina Military Base Task Force. The Executive Budget proposes to transfer the carry-forward proviso from the Budget and Control Board to the Department of Commerce.</i>

Rural Infrastructure Authority

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There is 1 proviso in this section; the budget proposes no changes.

Goals and Objectives

	I. ADMINISTRATION	II. RURAL INFRASTRUCTURE FUND
GOAL 1	Address infrastructure that is subject to public health, environmental and regulatory concerns.	Provide assistance for infrastructure facilities and services in order to meet public health and environmental standards.
GOAL 2	Target the most distressed areas that lack adequate resources.	Eligibility for assistance is determined based on a county's distress designation or by a project that meets established distress factors.
GOAL 3	Build capacity for economic opportunity and sustainability.	Improve infrastructure capacity to support the development of trade, commerce, industry, agriculture, aquaculture and employment opportunities.
GOAL 4	Create economic impact through job creation and new investment.	Make infrastructure accessible to certified, publically owned industrial parks and sites or assist with special economic development projects that will have measureable results in jobs and investment.
GOAL 5	Leverage local efforts and other investments.	Grantees are required to match a portion of the project costs.
GOAL 6	Operate the Authority in the most efficient and effective manner.	Utilize administrative collaboration when possible. Projects are approved based on a competitive process that considers need, impact and feasibility.

Judicial Department

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There are 16 provisos in this section; the budget proposes no changes.

Goals and Objectives**I. THE COURT (SUPREME COURT)****II. COURT OF APPEALS****GOAL 1**

Replace the federal funds that have been received for the past ten years to fund the technology initiatives with a sustainable, recurring revenue stream that can continue the technology initiatives when the federal funds are completed.

GOAL 2

Create a strategic model for an Emergency Management Program (EMP) that ensures the courts continue to administer justice if or when confronted with a broad array of operational disruptions. This includes improving our security plans for technology as well as creating a disaster recovery plan for technology's use. In addition, Information Technology will need additional staffing support in networking, internal applications, and support.

GOAL 3

Implement changes in the processes and procedures of the trial courts and skill sets of judicial staffing based on the results of the task forces and project efforts of last year.

GOAL 4

Increase the technology functions and services provided by every court in the state, from the small, rural areas to the large, urban regions.

GOAL 5

Devote efforts to address the serious, physical deterioration of the Supreme Court and John Calhoun facilities.

III. CIRCUIT COURT

IV. FAMILY COURT

Commission on Indigent Defense

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ That \$325,000 in General Funds be used to ensure that each judicial circuit has at least one investigator to support the defense of the indigent. Currently, one circuit has only a half-time investigator, while six circuits have none at all. These funds are expected to benefit public defenders in 22 counties (the 1st, 3rd, 4th, 5th, 6th, 8th, and 10th circuits).
- ✿ An additional \$240,000 for public defender services, to be distributed among the circuits on a per-capita basis.

Provisos

- ✿ There are 11 provisos in this section; the budget proposes to establish 1.

# / ACTION	TITLE / DESCRIPTION
61.12*	Investigators
Establish	<i>This proviso would govern the distribution of funds appropriated for the new "Investigators" line. These resources would be used in conjunction with local matching funds in order to provide investigative support in judicial circuits that are currently unserved or underserved.</i>

Goals and Objectives

I. ADMINISTRATION	
GOAL 1	<div>Continue delivery of quality cost-effective indigent defense services to the citizens of South Carolina.</div> <div>Obtain adequate funding for agency operations and programs to meet federal and state constitutional and statutory mandates.</div>

State Law Enforcement Division

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ Substantial increases in General Fund support for investigative and other law enforcement staffing, including:
 - \$307,704 for four Alcohol Enforcement agents (with an additional \$167,432 in one-time funding for initial equipment).
 - \$307,704 for four Child Fatality agents (with an additional \$167,432 in one-time funding for initial equipment).
 - \$153,852 for two Computer Crime agents – a Digital Forensic Examiner and a Cybercrime/Internet Crimes Against Children agent (with an additional \$103,716 in one-time funding for initial equipment).
 - \$203,246 for four Forensics personnel – an Administrative Assistant, two Forensic Technician IIs, and a Criminalist II (with an additional \$56,858 in one-time funding for initial equipment).
 - \$461,556 for six Investigations agents – an additional agent for each of SLED's four regions, plus another agent for both the Insurance Fraud and the Public Corruption units (with an additional \$251,148 in one-time funding for initial equipment).
 - \$348,804 for five Narcotics agents (with an additional \$170,432 in one-time funding for initial equipment).
- ✿ An additional \$611,597 to cover the cost of scheduled promotions in the upcoming fiscal year.
- ✿ A \$500,000 increase in funding to clean-up methamphetamine labs.
- ✿ Raising recurring funding used to obtain or refresh critical technology and software by \$424,600.
- ✿ Increasing General Fund support by \$165,000 for specialized training for the aviation and forensics units.
- ✿ Providing \$70,000 in new recurring funds to lease adequate space in the Piedmont Region.
- ✿ Granting \$746,813 from the Capital Reserve Fund to purchase hard drives and other equipment associated with the Automated Fingerprint Identification System.
- ✿ An allocation of \$331,259 from the Capital Reserve Fund to replace body armor, purchase essential equipment for the forensics laboratory, and integrate state and federal systems used to fight gangs.
- ✿ The use of \$2,078,024 from the Capital Reserve Fund to replace high-mileage law enforcement vehicles.

Provisos

 There are 22 provisos in this section; the budget proposes to codify 4 and delete 2.

# / ACTION	TITLE / DESCRIPTION
62.1	Special Account Carry Forward
Codify	<i>This proviso establishes a special fund to receive donations and the proceeds of court orders and permits those funds to be carried forward.</i>
62.4	Match for Federal Grants Carry Forward
Codify	<i>This proviso permits state funds appropriated to serve as match for federal funds to be carried forward and used for the same purpose.</i>
62.8	Meals in Emergency Operations
Codify	<i>Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears out of respect to the state's first responders.</i>
62.15	Monies Associated with Illegal Gaming Devices
Codify	<i>This proviso authorizes SLED to carry-forward and expend funds associated with illegal gaming devices, once a court has ordered the destruction of those devices and awarded the associated funds.</i>

62.16 Use of PIP Funds

Delete *This proviso allows SLED to use funds from two specific permanent improvement projects for construction of a storage and logistics facility. Based upon the status of these projects and the ongoing assessment of the agency's data center needs, SLED has asked that this proviso be deleted.*

62.22 Alcohol Enforcement

Delete *This proviso specifically controlled the use of up to \$448,000 of the "new funds appropriated in FY 2013-14" for alcohol enforcement. This proviso should be deleted because it specifically referenced funds that were "new" in FY 2013-14 and because the Executive Budget recommends additional support for these activities in FY 2014-15.*

Department of Public Safety

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An additional \$866,600 to cover the cost of scheduled promotions in the upcoming fiscal year.
- ✿ A total of \$1,376,700 (\$654,200 recurring and \$722,500 non-recurring) to provide in-car wireless access in Highway Patrol vehicles. This capability would improve both efficiency and officer safety, by allowing reports to be submitted from the road and also making it easier for officers to receive critical information from their dispatchers in real-time.
- ✿ An increase of \$447,300 in recurring General Funds to hire 10 additional troopers.
- ✿ Providing \$175,407 more in recurring funding for an Information Security Officer, a User Account/Permissions Manager, and for desktop data encryption.
- ✿ The use of \$2,000,000 from the Capital Reserve Fund to replace high-mileage law enforcement vehicles.

CAPITAL RESERVE FUND	
Law Enforcement Vehicle Replacement	\$ 2,000,000
Mobile Management Equipment	\$ 722,500

Provisos

- ✿ There are 6 provisos in this section; the budget proposes to delete 1.

# / ACTION	TITLE / DESCRIPTION
63.1	Special Events Traffic Control
Delete	<i>The proviso prohibits the Highway Patrol from charging a fee for providing traffic control for special events, without the General Assembly's approval. The Highway Patrol estimates that these services currently cost the Department \$568,404 per year in increased overtime and other personnel costs, which is essentially a state subsidy for those events. In 2011, the City of Columbia began to receive reimbursement from the University of South Carolina for providing traffic control; elimination of this proviso would permit the state to begin to receive reimbursement for comparable work.</i>

Goals and Objectives

	I. ADMINISTRATION	II. PROGRAMS AND SERVICES > A.1. HIGHWAY PATROL
GOAL 1	Provide equitable service and protection, uphold the laws of the constitutions of the United States and the State of South Carolina to promote a safe and secure environment for the public.	Serve the public in a dedicated, honest, reasonable, and professional manner.
		Assist, direct, educate, and counsel the public in matters consistent with our mission.
		Reduce the number and severity of traffic collisions through the diligent enforcement of all traffic laws and promotion of traffic safety.
		Cooperate and communicate with other law enforcement agencies on our common objectives.
		Respond to emergencies and disasters with all available resources.
		Be accountable and manage all allocated resources effectively and efficiently.
GOAL 2	Enforce state and federal laws governing commercial motor vehicles.	
GOAL 3	Provide and maintain security for the Governor's Mansion Compound, the State Capitol and grounds, South Carolina Supreme Court and Court of Appeals, and other designated state facilities.	
GOAL 4	Administer the federally-funded State and Community Highway Safety (Section 402) Program and coordinate highway safety activities throughout the state on behalf of the Office of the Governor.	

		II. PROGRAMS AND SERVICES > B. STATE TRANSPORT POLICE	II. PROGRAMS AND SERVICES > C. BUREAU OF PROTECTIVE SERVICES
GOAL 1	Provide equitable service and protection, uphold the laws of the constitutions of the United States and the State of South Carolina to promote a safe and secure environment for the public.		
GOAL 2	Enforce state and federal laws governing commercial motor vehicles.	Prevent collisions.	
		Remove unsafe drivers and vehicles from South Carolina roads.	
		Protect our environment from hazardous materials being transported on our roadways.	
		Prevent the premature deterioration of our roads and bridges through the STP Size and Weight Enforcement Program.	
GOAL 3	Provide and maintain security for the Governor's Mansion Compound, the State Capitol and grounds, South Carolina Supreme Court and Court of Appeals, and other designated state facilities.		Use physical patrolling and state-of-the-art technology to maintain a safe environment for the Governor, First Family, visiting dignitaries, constitutionally elected, appointed and employed personnel, and all citizens who enter designated state government facilities.
			Provide a safe and secure environment on state government grounds by actively enforcing the laws of South Carolina.
GOAL 4	Administer the federally-funded State and Community Highway Safety (Section 402) Program and coordinate highway safety activities throughout the state on behalf of the Office of the Governor.

Department of Corrections

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ A transfer of \$850,000 from the Department of Corrections' General Fund appropriations to the Department of Health and Human Services' lines. These resources will continue to serve as the state's match against federal Medicaid funds.
- ✿ An increase of \$569,440 to provide dedicated staffing for the perimeter of the Broad River complex. Securing this area would significantly reduce the amount of contraband entering these facilities.
- ✿ An additional \$518,400 to staff the new perimeter towers that are being constructed at Lee Correctional Institution using funds appropriated in FY 2013-14.
- ✿ Adding \$153,360 to the Department's General Fund appropriations, for the hiring of an Information Security Officer and an Information Technology Auditor.
- ✿ A total allocation of \$8,728,857 from the Capital Reserve Fund to address the infrastructure and equipment needs identified below.

CAPITAL RESERVE FUND

Provisos

- ✿ There are 29 provisos in this section; the budget proposes to amend 1, amend and codify 1, codify 15, and delete 1.

# / ACTION	TITLE / DESCRIPTION
65.1	Canteen Operations
Codify	<i>This proviso authorizes the Department to retain canteen revenues, provided they are applied toward the continued operation of those facilities.</i>

65.2	E. H. Cooper Trust Fund
Codify	<i>This proviso allows unclaimed inmate account balances to be transferred to the Inmate Welfare Fund.</i>
65.4	Funding Through State Criminal Assistance Program
Codify	<i>This proviso authorizes the Department to receive federal funds to offset the cost of housing illegal aliens.</i>
65.5	Remedial Education Funding
Codify	<i>The proviso authorizes the Department to compel an inmate functioning at less than an eighth-grade level to participate in educational programs.</i>
65.7	Social Security Administration Funding
Codify	<i>The Social Security Administration offers payment for information on incarcerated recipients; the proviso allows the Department to use those funds to partially offset inmate housing costs.</i>
65.8	Medical Expenses
Codify	<i>The proviso authorizes the Department to charge a nominal fee for inmate medical visits and prescriptions.</i>
65.9	Prison Industry Funds
Codify	<i>The proviso broadly empowers the Director to apply prison industry funds towards projects or services benefitting inmates, or towards the general operating costs of the agency.</i>
65.12	Major Renovations and Repairs
Delete	<i>This proviso has allowed the Department to use 1997 bond proceeds for major renovations or repairs; it may now be deleted because the funds will be exhausted by the end of FY 2013-14.</i>
65.13	Funds From Vehicle Cleaning
Codify	<i>The proviso allows revenues generated by the activities of adult work activity centers to be placed in a special account with the proceeds to be used to promote general inmate welfare.</i>
65.14	Release of Inmates
Codify	<i>This proviso allows the Department to release inmates on the first day of the month in which their terms (provided that they exceed six months) are completed. This clustering saves the Department money.</i>

65.16	Monitoring Fees	
Codify	<i>The proviso allows the Department to charge inmates participating in community programs electronic and telephonic monitoring fees, provided they do not exceed the actual cost of monitoring.</i>	
65.17	Inmate Insurance Policies	
Codify	<i>The proviso allows the Department to collect private health information regarding inmates and to file claims against an inmate's private health insurance, if available.</i>	
65.18	Work Release Transportation Fee	
Amend and Codify	<i>The proviso allows the Department to charge participants in the work release program \$4 daily, if their transportation is provided by the Department. The Executive Budget proposes to strike the reference to that specific rate, and instead, to allow it to be set by the Department.</i>	
65.22	Inmate Barbering Program	
Codify	<i>The proviso exempts inmate barbers from certain state licensing restrictions.</i>	
65.23	Executed Inmate Autopsy	
Codify	<i>The proviso suspends certain requirements for autopsies when the Department executes inmates.</i>	
65.24	Recoupment of Expenses Associated with Inmate Cremation	
Codify	<i>The proviso allows the Department to recover cremation and disposal costs from a deceased inmate's E.H. Cooper account.</i>	
65.27	Correctional Institution Maintenance and Construction	
Amend	<i>The Executive Budget supports the Department's request for a proviso allowing for inmate labor to be used to complete work on various ongoing construction and maintenance projects.</i>	
65.28	Meals in Emergency Operations	
Codify	<i>Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears out of respect to the state's first responders.</i>	

Goals and Objectives

	I. INTERNAL ADMINISTRATION AND SUPPORT	II. PROGRAMS AND SERVICES > A. HOUSING, CARE, SECURITY AND SUPERVISION
GOAL 1	Increase focus and resources to provide job opportunities for training through vocational programs, on-the-job training opportunities, and employability skills curriculum for inmates.	
GOAL 2	Continue the gender-specific risk assessment project to develop our evidence-based instrument to make service referrals and release recommendations and to match offenders' risks and needs with services throughout their incarceration.	Evaluate, assess, revise and validate our inmate classification system and the Reception and Evaluation Process. Review the services provided to our special needs population.
GOAL 3	Consolidate medical and mental health services for cost efficiency and better service delivery.	Assess and modify the provision of medical services consistent within institutional re-designations. Improve mental health services for inmates.
GOAL 4	Expand working relationships with local, state, and federal agencies to promote better programming / community support for released offenders.	
GOAL 5	Develop relationships with other outside organizations / groups to encourage volunteers for institutional and community programs and provide a mechanism for fundraising for pilot programs.	
GOAL 6	Continue to advocate for victims' rights.	Attend to victim rights and concerns when making inmate housing and programming decisions.

Department of Probation, Pardon and Parole Services

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.
- ✿ That the Department draw from its current fund balances in order to preserve or improve offender supervision ratios, implement its C-1 Agent Pay Plan (\$1,174,339), and make necessary law enforcement vehicle replacements.

Provisos

- ✿ There are 6 provisos in this section; the budget proposes to amend 1 and amend and codify 1.

# / ACTION	TITLE / DESCRIPTION
66.1	Sale of Equipment
Amend	<i>The Executive Budget supports the Department's request to amend this proviso to eliminate language allowing the Budget and Control Board to retain up to \$575 in equipment sale proceeds.</i>
66.2	Interstate Compact Application Fee
Amend and Codify	<i>This proviso authorizes the Department to charge offenders an application fee of up to \$100 when seeking to transfer into or out of South Carolina under the Interstate Compact. The Executive Budget proposes to strike the reference to that specific ceiling rate, and instead, to allow it to be set by the Department at a level that does not exceed the Department's actual costs.</i>

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.		
GOAL 1	Maximize our support and services to the victims of crime.	Collect restitution from offenders and distribute to victims within 30 business days of collection.
GOAL 2	Link the EPMS process to the Strategic Plan.	Agency staff will review the Strategic Plan annually for updates and changes.
GOAL 3	Provide supervision by standards and identify intervention strategies tha promote offender accountability.	Conduct quarterly reporting process of DARR to monitor and measure its effectiveness.
GOAL 4	Provide employee training utilizing up-to-date techniques and technology.	Develop cross training that supports employee development and growth; conduct annual reviews on the effectiveness of measures.
GOAL 5	Continuously evaluate, develop and implement innovative technology to improve the quality and effectiveness of service delivery while minimizing cost.	Automate the Records and Forms Management Systems to include paperless records storage of closed files and paperless active case files with signature pads.

Department of Juvenile Justice

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ A transfer of \$249,000 from the Department of Juvenile Justice's General Fund appropriations to the Department of Health and Human Services' lines. These resources will continue to serve as the state's match against federal Medicaid funds.

Provisos

- ✿ There are 13 provisos in this section; the budget proposes to codify 4.

# / ACTION	TITLE / DESCRIPTION
67.5	Reimbursements for Expenditures
Codify	<i>This proviso allows the Department to retain any reimbursements of funds for expenses incurred in a prior year.</i>
67.9	Drug Free Workplace
Codify	<i>This proviso authorizes the Department to pay for and require pre-employment and random employee drug testing.</i>
67.10	Definition of Juveniles
Codify	<i>This proviso authorizes the Department to place juveniles in marine and wilderness programs or other community residence programs operated by nongovernmental entities, upon the referral of Family Court or the Board of Juvenile Parole.</i>
67.13	Early Release Authorization
Codify	<i>This proviso authorizes the Department to release certain offenders early, if required in order to maintain constitutional conditions in its facilities. This provision generally does not apply to violent or sexual offenders.</i>

Human Affairs Commission

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

-  An increase of \$72,400 in recurring funding for the Human Affairs Commission to fill one vacant position and lease a new multifunction device in order to address the backlog in processing and archiving paper records.

Provisos

-  There are 3 provisos in this section; the budget proposes to codify all 3.

# / ACTION	TITLE / DESCRIPTION
70.1	Human Affairs Forum Carry Forward
Codify	<i>This proviso allows the Commission to carry-forward donations and registration fees associated with its Human Affairs Forums.</i>
70.2	Training Revenue
Codify	<i>This proviso allows the Commission to carry-forward fees it assesses for training and technical assistance activities from entities other than state agencies.</i>
70.3	Revenue from Copying Fees
Codify	<i>This proviso allows the Commission to carry-forward the fees it charges to copy various documents.</i>

Goals and Objectives

	I. ADMINISTRATION	II. CONSULTIVE SERVICES
GOAL 1	<p>Increase the number of resolutions of discrimination complaints attained, while reducing the average processing time and maintaining the qualitative standards which have consistently ensured the agency's actions withstand review by other relevant authorities, thereby providing our customers with timely, effective customer service.</p>	
GOAL 2	<p>Obtain the ability to enable Commission-provided training to generate a level of resources commensurate with its actual demand and value, thereby enabling the agency to better fulfill its preventative role.</p>	<p>Train as many state employees as possible regarding equal opportunity laws so that discrimination will be prevented and fewer lawsuits will produce a negative impact on the state's budget.</p>
GOAL 3	<p>Substantially enhance the level of support provided to assist local communities in developing their own means (for example, community relations councils) to address issues arising in and of concern to the communities.</p>	
		<p>Create a harmonious relationship among a diverse citizenry of this state, resulting in a better business and economic environment.</p>

III. COMPLIANCE PROGRAMS.

GOAL 1

Increase the number of resolutions of discrimination complaints attained, while reducing the average processing time and maintaining the qualitative standards which have consistently ensured the agency's actions withstand review by other relevant authorities, thereby providing our customers with timely, effective customer service.

Hire four additional employees in the employment investigative unit to serve an increasing population of South Carolinians.

GOAL 2

Obtain the ability to enable Commission-provided training to generate a level of resources commensurate with its actual demand and value, thereby enabling the agency to better fulfill its preventative role.

GOAL 3

Substantially enhance the level of support provided to assist local communities in developing their own means (for example, community relations councils) to address issues arising in and of concern to the communities.

I. ADMINISTRATION

II. CONSULTIVE SERVICES

GOAL 4

Provide professional development opportunities appropriate to position and performance for staff members to meet the agency's responsibility as an employer to develop our most valuable resource in order to enable individuals to reach their maximum potential to serve the state and its people, and to contribute to retention of employees of the caliber and performance which are critical to attaining and maintaining "an agency of excellence."

Retain quality employees who are cross-trained to perform a variety of work activities and are well qualified to assist the citizens of the state.

GOAL 5

Ensure that the agency obtains and retains the resources (financial, personnel, facilities and equipment) required to serve our customers at the qualitative and quantitative levels expected by the Legislature as well as our customers.

Maintain a well-rounded agency that is equipped to serve the citizens of South Carolina.

GOAL 6

Attain full state funding for the agency, thereby stabilizing the Commission's financial structure and reducing the dependence on federal funds and the control which often accompanies such dependency.

Reduce dependency on federal funds so that the state may be in control of the program area, as opposed to federal control.

III. COMPLIANCE PROGRAMS.

GOAL 4

Provide professional development opportunities appropriate to position and performance for staff members to meet the agency's responsibility as an employer to develop our most valuable resource in order to enable individuals to reach their maximum potential to serve the state and its people, and to contribute to retention of employees of the caliber and performance which are critical to attaining and maintaining "an agency of excellence."

GOAL 5

Ensure that the agency obtains and retains the resources (financial, personnel, facilities and equipment) required to serve our customers at the qualitative and quantitative levels expected by the Legislature as well as our customers.

GOAL 6

Attain full state funding for the agency, thereby stabilizing the Commission's financial structure and reducing the dependence on federal funds and the control which often accompanies such dependency.

Goals and Objectives

		GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS / NO OBJECTIVES IDENTIFIED.
GOAL 1	To convince the Governor and members of the General Assembly that in order to increase prosperity, we must focus on eliminating factors that decrease prosperity including the eight poverty indicators identified by the Commission that contribute to long-term systematic poverty.	
GOAL 2	Realign the State's budget to provide adequate funding to support work eliminate the contributing factors causing poverty in South Carolina; assess current funding by the eight areas to identify the realignment of funds; and fund only new programs that address the eight areas that contribute to the alleviation of poverty in South Carolina.	
GOAL 3	Increase State funding to the CMA to fulfill its mission (\$1 per minority person).	
GOAL 4	Increase private/federal partnerships that lead to additional resources to effectively fight poverty and the proliferation of poverty in South Carolina.	
GOAL 5	Increase research with faculty from institutions of higher education whose focus aligns with the Commission's eight priority areas.	
GOAL 6	Convene executive, legislative, state and private partners working across the State to begin the process of developing a State Plan of Action to alleviate poverty by 2050.

Patients' Compensation Fund

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are no provisos in this section.

Goals and Objectives

		GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.
N/A	Objectives not associated with a specific goal.	Establish and approve true excess limits above non-JUA carrier with basic limits of \$1 million per claim / \$3 million annual aggregate. These limits provide security for those healthcare providers who, because of risk, specialty, or venue feel additional coverage is needed. These limits of coverage are for members with basic insurers other than the SC Joint Underwriting Association (JUA).
		Add a new limit of coverage for \$2 million per occurrence / \$4 million annual aggregate.
		Develop new marketing initiatives that include attendance as a vendor at annual meetings of specialty organizations.
		Enhance the interactive website for PCF members for member services and risk management by allowing members to pay membership fees by electronic fund transfer (EFT).
		Establish stronger relationships with all admitted medical malpractice carriers.
		Continuously review and revise coverages afforded to members.

Second Injury Fund

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There are no provisos in this section.

Goals and Objectives

The Second Injury Fund was terminated on July 1, 2013, pursuant to Section 42-7-320. As a result, there are no goals or objectives for this section, which will not appear in the FY 2015-16 Executive Budget.

Department of Insurance

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are 3 provisos in this section; the budget proposes to amend 1.

# / ACTION	TITLE / DESCRIPTION
78.2	Reimbursement Carry Forward
Amend	<i>This proviso primarily exists to allow the Department to retain and carry-forward certain reimbursements, but also contains language authorizing the Department to use those resources to pay the General Assembly's dues to the National Council of Insurance Legislators. The Executive Budget proposes to strike this latter provision because membership in this organization is not essential to the Department's operations and because the appropriate means for funding these dues would be through the legislature's own appropriations.</i>

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	Identify the approach in the best interest for South Carolina in terms of surplus lines premium tax collection per Dodd-Frank Act.
	Increase electronic delivery of correspondence / notifications to achieve cost savings.
	Develop surplus lines tax system.
	Track audit filing inefficiencies.
	Develop transitional plans for program areas.
	Maximize new funding opportunities as they come available.
GOAL 2	Establish internship program with USC and other colleges or universities.
	Develop more formal structure for engaging industry trade association.
	Provide training for Department of Insurance employees relating to ethics and changes in law.
	Reduce investigations processing time.
	Provide cyber-security training.
GOAL 3	Provide outreach for SC Safe Home.
	Ensure that new federal laws and regulations impacting the regulation of insurance are addressed and implemented in a way that maximizes the beneficial impact on the States' insurance marketplace and insurance consumers and minimizes any potentially harmful effects that could compromise the health of our insurance marketplace, the regulatory environment, or the availability and affordability of coverage.
	Identify new areas of federal requirements not currently addressed in South Carolina laws and develop an appropriate response to incorporate these requirements as necessary.
	Ensure the Department of Insurance is reaccredited by the NAIC.
	Identify South Carolina laws / regulations and procedures that are in conflict with new federal requirements under ACA and develop an appropriate response to address these conflicts.
	Provide ACA training for staff.

Department of Labor, Licensing and Regulation

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are 12 provisos in this section; the budget proposes to amend 1 for technical reasons and codify 2.

# / ACTION	TITLE / DESCRIPTION
81.6	Match for Federal Funds
Codify	<i>This proviso authorizes the Department to carry-forward state funds to use as a federal match, provided that was the purpose for which they were originally appropriated.</i>
81.8	Immigration Bill Funding Report
Amend (Technical)	<i>This proviso directs the Department to use \$250,000 from Subfund 3135 to enforce the South Carolina Illegal Immigration Reporting Act. The due date for a regular report must be updated.</i>
81.9	Authorized Reimbursement
Codify	<i>This proviso saves money by prohibiting the Department from reimbursing board members for their travel costs to meetings held outside the Department's offices, unless LLR determines that no space in Richland or Lexington County is available.</i>

Department of Employment and Workforce

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are 7 provisos in this section; the budget proposes to amend 1 for technical reasons and delete 1.

# / ACTION	TITLE / DESCRIPTION
83.4	WIA Prior Year Payments
Delete	<i>This proviso authorizes the Department to pay Workforce Investment Act prior year obligations with current year funds. It is redundant with the more broadly constructed Proviso 83.3 (Federal and Earmarked Prior Year Payments), which permits the Department to pay for federal and earmarked prior year obligations with current year funds. Proviso 83.4 was originally a Commerce Department proviso; it was reassigned to the Department of Employment and Workforce in FY 2010-11.</i>
83.7	Negotiation of Interest
Amend (Technical)	<i>This proviso originally directed the Department, by October 1, 2012, to develop and implement a plan to seek a waiver of interest on the state's outstanding obligations to the federal government. In FY 2013-14, the proviso was extended by another year. Although the federal government has been unwilling to negotiate so far, the Executive Budget proposes to re-amend this proviso to direct the Department to try again in 2014.</i>

Goals and Objectives

	I. ADMINISTRATION	II. EMPLOYMENT SERVICE
GOAL 1	Create a long-range strategic workforce plan for the state's workforce partners using quantitative measurements.

Department of Transportation

Recommended Appropriations

The Governor’s FY 2014-15 Executive Budget recommends:

- ✿ The allocation of \$480,400 from the Capital Reserve Fund to complete construction of the salt storage facility in Spartanburg County.

CAPITAL RESERVE FUND		
Upstate Salt Shed	\$	480,400

Provisos

- ✿ There are 10 provisos relating to the Department of Transportation and its affiliated programs; the budget proposes to codify 5 and delete 1.

# / ACTION	TITLE / DESCRIPTION
84.1	Expenditure Authority Limitation
Codify	<i>This proviso allows the Department to carry balances forward, but also sets a ceiling on the agency's annual expenditures.</i>
84.2	Special Fund Authorization
Codify	<i>This proviso authorizes the Department to, in association with the State Treasurer, establish special funds when "advisable for proper accounting purposes."</i>
84.5	Document Fees
Codify	<i>This proviso authorizes the Department to establish a fee schedule for providing documents, with the fees to be based upon the actual cost of providing those materials. This authorization should be made permanent.</i>
84.6	Meals in Emergency Operations
Codify	<i>Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears out of respect to the state's first responders.</i>
84.7	Rest Area Water Rates
Codify	<i>The proviso gives the Department's rest areas access to in-district water and sewer rates wherever that privilege has not already been granted.</i>
84.9	Hanahan Permit Negotiation
Delete	<i>The proviso directed the Department to initiate intergovernmental negotiations relating to a specific permit in the City of Hanahan and to produce a report by June 30, 2014. These actions will have been completed prior to the beginning of FY 2014-15.</i>

Goals and Objectives

GOALS NOT MAPPED TO A SPECIFIC BUDGET PROGRAM.	
GOAL 1	<p>Establish and sustain a work environment characterized by positive, engaged leadership, strong adherence to ethical behavior, and fairness in which all employees are treated with dignity and respect.</p> <p>The public perceives SCDOT as ethical with a decreasing number of founded complaints concerning employee behavior.</p> <p>Supervisors are required to communicate with their employees to ensure work expectations are clear and that performance feedback is both constructive and collaborative.</p>
GOAL 2	<p>Develop a comprehensive Human Capital Investment Program capable of effectively integrating manpower management, centralized training management and career development planning that will enable SCDOT to attract, hire, train, develop and retain talented and versatile people who are key to our success.</p> <p>Complete a manpower management review and establish an enduring manpower management process that ensures fulltime equivalent (FTEs) are managed within SCDOT's budget.</p> <p>Build a centralized training management program.</p> <p>Develop a career development program that is relevant to all SCDOT employees.</p>
GOAL 3	<p>Revitalize programs and develop an investment strategy in order to enhance safety, health, and wellness programs for all employees.</p> <p>Employees are provided a safe working environment.</p> <p>Employees are provided a "Fit to Task" program, which encourages healthy lifestyles.</p> <p>Provide unit and individual safety awards and incentives.</p>
GOAL 4	<p>Create a culture of exceptional customer service.</p> <p>SCDOT leadership must communicate the importance of customer service and ensure that all employees understand how their work serves both internal and external customers.</p>
GOAL 5	<p>Provide consistent, professional and timely service to all customers.</p> <p>SCDOT will provide consistent service and response statewide. Customers will be able to provide input, request service, and gather information (plans, solicitations, etc.) across all platforms and get the same level of response.</p>
GOAL 6	<p>Achieve and maintain strong, cooperative and collaborative partnerships with key government agencies, and civic and advocacy groups.</p> <p>Develop or strengthen formal liaisons or partnering agreements, where helpful, with partners that provide funding or regulatory oversight.</p> <p>Engage advocacy groups and political subdivisions in development of beneficial state legislation.</p> <p>Identify federal issues and communicate with members of congressional delegations and staff.</p>
GOAL 7	<p>Educate partners on SCDOT mission, goals and accomplishments; listen effectively to partner needs/concerns.</p> <p>Develop information briefings that can be easily interpreted and delivered.</p> <p>Increase communications and broaden vehicles used to do so.</p>
GOAL 8	<p>Establish and maintain a long-range transportation vision to define the priorities of citizens, tourists, and businesses of the State.</p> <p>In accordance with MAP-21, finalize and publish the Statewide Multimodal Transportation Plan which identifies and establishes planning guidance to both federal and state resources in support of economic and development policies in South Carolina.</p>

GOALS NOT MAPPED TO A SPECIFIC BUDGET PROGRAM.	
GOAL 9	<p>Optimize time to deliver engineering projects to contract letting.</p> <p>Achieve systematic workflow process for each project development group.</p> <p>Reduce the time to obtain environmental permits.</p> <p>Improve planning responsibilities of project selection and project programming based on MAP 21 guidelines to support Metropolitan Planning Organizations (MPO) and Councils of Governments (COG).</p> <p>Improve the efficiency and timely use of Value Engineering in the project development process.</p> <p>Establish an agency plan to utilize the Design Build method of project delivery.</p>
GOAL 10	<p>Advocate for increased County Transportation Committee (CTC) spending on the state system.</p> <p>Increase the amount of funding CTCs allocate on the state system.</p>
GOAL 11	<p>Optimize the management of financial operations.</p> <p>Achieve a reliable, rolling 3-year cash flow model for use as a financial and management tool.</p> <p>Ensure all requests for payments are identified, validated and processed promptly.</p> <p>Strategically plan and execute monthly requests for federal reimbursements.</p> <p>Deploy financial reports for use in maintaining fiscal responsibility.</p>
GOAL 12	<p>Optimize the management of all SCDOT financial resources.</p> <p>Maximize leverage capability of limited state resources by ensuring the full federal aid program is achieved.</p> <p>Offset the demand on state resources as match for the federal aid program by maximizing innovative financing opportunities.</p> <p>Implement a system for cost-control across all major elements of expense.</p>
GOAL 13	<p>Establish the centralized oversight and effective management of SCDOT Procurement functions.</p> <p>Deploy a systematic approach to SCDOT's procurement activities to ensure compliance with state and federal requirements.</p>
GOAL 14	<p>Maximize the utility of the SCDOT Information Technology Enterprise System.</p> <p>Develop a comprehensive plan that leads to better utilization of the Enterprise System and facilitates efficient and effective management.</p>
GOAL 15	<p>Support of Asset Management Plans consistent with MAP-21.</p> <p>Develop a risk- and performance-based asset management plan for the National Highway System (NHS) to improve or preserve asset condition and system performance, including public transit assets funded through SCDOT.</p>

Goals not mapped to a specific budget program.	
Goal 16	<p>Implement a multimodal maintenance program that maximizes preservation of our state's transportation infrastructure.</p> <p>Prioritize pavement rehabilitation in a manner that reduces the percentage of state strategic (NHS and Freight network) corridor highway miles moving from a "fair" to "very poor" rating.</p> <p>Ensure that public transit vehicles for which SCDOT holds title are not in general public transit service beyond the designated useful life.</p> <p>Ensure that transit agencies operating services and capital replacement commensurate with current and forecasted tangible revenue sources.</p>
Goal 17	<p>Ensure that federal resources expended on preconstruction and other transportation infrastructure activities are for projects that are highly likely to be taken to completion.</p> <p>Review and update the Statewide Transportation Improvement Program (STIP) project programming categories to ensure that funding is available.</p>
Goal 18	<p>Maximize expenditures on safety projects with demonstrable impact in reducing the occurrence of crashes.</p> <p>Based on data driven analyses, identify and prioritize spot highway safety projects or systematic highway safety improvement to reduce fatalities and crashes.</p>
Goal 19	<p>Execute a bridge management program that is highly compliant with National Bridge Inventory System (NBIS) requirements.</p> <p>Meet or exceed FHWA NBIS metrics.</p> <p>Utilize the Bridge Management and Act 114 project evaluation process to develop and complete an Asset Management Plan for SC Bridges on the National Highway System.</p>
Goal 20	<p>Ensure state transportation network moves people and goods as efficiently as possible.</p> <p>Utilize the existing transportation system to facilitate enhanced modal options for a growing and diverse population and economy.</p> <p>Identify key bridges, corridors and other transportation infrastructures that have national, statewide or regional significance.</p>

Division of Aeronautics**Recommended Appropriations**

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are 5 provisos in this section; the budget proposes to codify 1.

# / ACTION	TITLE / DESCRIPTION
87.2	Office Space Rental
Codify	<i>This proviso permits the Division to retain any proceeds associated with the rental of its office space, provided that those funds are used to cover the cost of building operations.</i>

Goals and Objectives

		GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS / NO OBJECTIVES IDENTIFIED.
GOAL 1	Create a strategic plan for aviation infrastructure development and promote and enhance continuing aviation education programs such as aviation art and industry support services.	Execute a transparent and dynamic electronic airport system plan to enhance aviation research and education for learning institutions, aeronautical users, and aviation industry prospects.
GOAL 2	Hold the third annual summer aviation science camp for high school students.	Increase STEM awareness directed towards aviation and provide aviation education opportunities to youth considering a career in aviation.
GOAL 3	Pursue Memorandums of Agreement (MOA) with other state agencies for use of South Carolina Aeronautics Commission aircraft.	Interagency partnerships provide budget flexibility and maximum utilization of resources.
GOAL 4	Continue to pursue state sponsorships of FAA state apportionment funds.	Enhance strategic airport planning and maximize construction development using federal, state, and local funds.
GOAL 5	Conduct an airport land use inventory of surrounding airport properties to determine height restriction and land use controls.	Enhance flight safety by establishing airport land use compatibility regulations with neighboring property owners. The ability of airport owners to permit and control obstacles allows economic recoverability for the airport.
GOAL 6	Assist in the implementation of the Aviation Task Force plan supporting infrastructure enhancement and needs.	Provide aeronautical technical support to implement aviation Task Force objectives and assist in infrastructure development.
GOAL 7	Execute a GIS airport land use permitting approval program used by county and city building and zoning licensing departments.	Provide a tool to local zoning and building permitting agencies for evaluating obstacle encroachment into navigational airspace which is not under federal jurisdiction.
GOAL 8	Reconcile and evaluate airline property tax structure and fuel tax fees.	Audit Department of Revenue records and execute a third party review to determine best practices are being reported by airline operators.
GOAL 9	Execute an action plan with the Department of Commerce to remove sales tax on aircraft parts.	Evaluate the outcome of the elimination of sales tax revenue on aircraft parts, which would be offset by higher tax revenues produced from new job creation.

Governor's Office – Office of Executive Policy and Programs**Recommended Appropriations**

The Governor's FY 2014-15 Executive Budget recommends:

-  A transfer of \$850,000 from the Continuum of Care's General Fund appropriations to the Department of Health and Human Services' lines. These resources will continue to serve as the state's match against federal Medicaid funds.

Provisos

-  There are 17 provisos relating to the Governor's Office; the budget proposes to codify 2 provisos specifically applying to the Office of Executive Policy and Programs.

# / ACTION	TITLE / DESCRIPTION
92.1	Grant Funds Carry Forward
Codify	<i>The proviso allows OEPP to carry-forward state matching funds, provided that they be used for the originally intended matching purpose.</i>
92.11	Continuum of Care Carry Forward
Codify	<i>This proviso allows the Continuum of Care program to carry balances forward, in order to provide continuity of service.</i>

Goals and Objectives

OMBUDSMAN, CHILDREN'S AFFAIRS, AND CHILDREN'S CASE RESOLUTION SYSTEM		
GOAL 1	Resolve concerns of constituents who contact the Governor's Office.	Listen to individuals who contact the Governor's Office.
		Respond to written and verbal inquiries.
		Arbitrate through the CCRS only those cases where all efforts to resolve the case have been exhausted.
GOAL 2	Maintain current information regarding services available through local, state and federal agencies; non-profit and for-profit organizations.	Continuously research and share information pertaining to goods, services, and programs available to constituents.
CLIENT ASSISTANCE PROGRAM		
GOAL 3	Advocate and resolve cases at the lowest possible level in the alternative dispute resolution system.	Clients will receive appropriate services and become employed and/or live independently.
GOAL 4	Increase outreach to traditionally underserved populations of persons with disabilities throughout the state.	More persons with disabilities will be able to access services provided by the Vocational Rehabilitation Department, Commission for the Blind, and Independent Living Programs.
CONTINUUM OF CARE		
GOAL 5	Ensure appropriate care coordination through assessment and service planning for severely emotionally disturbed youth.	Children will demonstrate an increased ability to function in their communities while they are Continuum clients.
		Children will function better in their school environments.
		Families will see a decrease in their child's problematic behaviors.
GOAL 6	Ensure severely emotionally disturbed youth have appropriate access to a full array of community-based and residential services.	Clients will receive the services they need to maximize their functioning while in the least restrictive care.
GOAL 7	Increase the quality, effectiveness and efficiency of the system of care to enable emotionally disturbed (ED) children and their families to successfully transition into less intensive and developmentally appropriate service systems.	COC transition age clients will be better able to live independently within the community setting.
		Clients with at least one year of service will be at the same or lower level of care after each quarter.
GOAL 8	Encourage Continuum staff to engage families of ED youth as leaders and active partners in their child's treatment, including the identification of services to address the child's and family's specific needs.	Families will express satisfaction with the services they receive.
		Families will improve their advocacy skills and be active participants in the design and delivery of services for their children.
		Families will express an increased ability to manage the challenges presented by their children.

CORRESPONDENCE

GOAL 9	Accurately log, maintain and track all mail received by the Governor's Office.	Provide ongoing training for all staff members in order to assign and process incoming mail faster and reduce possible errors in the log.
GOAL 10	Respond to requests and meet deadlines for letters, certificates and proclamations.	Cross-train employees and share files.
GOAL 11	Assist Senior Staff in responding to legislative/policy mail.	Cross-train employees and share files. Provide ongoing training for all staff members in order to assign and process incoming mail faster and reduce possible errors in the log.

CRIME VICTIMS' OMBUDSMAN

GOAL 12	Receive and respond to all crime victims' complaints in a timely and efficient manner with the best overall resolution.	Provide referral and assist services within 24 hours of receipt of complaint.
GOAL 13	Act as a neutral third party that attempts to ensure all crime victims are served justly, equitably, and fairly by South Carolina's criminal justice system organizations.	Review and attempt to resolve formal complaints by crime victims within 4-6 months of filing.
GOAL 14	Provide appropriate oversight to victim service trainings and ensure proper certification to victim service providers.	Register all new Victim Service Providers within 24 hours of receipt of application.

DEVELOPMENTAL DISABILITIES COUNCIL

GOAL 15	Give people with Intellectual and Developmental Disabilities the education, training, knowledge, experience and supports they need to achieve meaningful community-based employment.	Promote programs that facilitate the acquisition of academic training, interpersonal skills and work experience for high school students with Intellectual and Developmental Disabilities to enable success in long-term employment.
GOAL 16	Provide people with Intellectual and Developmental Disabilities with increased participation and choices about their community based services and supports.	<p>Provide funding and/or resources to improve access to information.</p> <p>Support at least one innovative project that improves socialization skills leading to greater community participation for children and/or adults with severe disabilities.</p> <p>Support at least one emerging issue that will result in people with Intellectual and Developmental Disabilities being active participants in the communities of their choice.</p>
GOAL 17	Partner with self-advocates to strengthen advocacy statewide, provide leadership training to individuals with Intellectual and Developmental Disabilities and increase participation in cross-disability and leadership coalitions.	<p>Support a statewide self-advocacy organization to assist them in strengthening and meeting their defined organizational goals.</p> <p>Support at least 150 self-advocates in leadership training opportunities.</p> <p>Identify and implement replicable strategies in areas that support the development of self-advocacy skills for youth.</p> <p>Support at least 50 individuals in participation in cross-disability and culturally diverse coalitions.</p>
GOAL 18	Collaborate with partners and community providers to increase activities to promote the improved health and well-being of people with Intellectual and Developmental Disabilities in South Carolina.	<p>Support a minimum of 5 existing or new programs and/or services that include evidence based approaches to wellness promotion and prevention of secondary conditions.</p> <p>Educate coaches, athletic professionals, school nurses, parents and athletes in a minimum of 40 school districts and 23 recreation departments on the importance of reducing the incidence of sports related brain injury among youth.</p>

CHILDREN'S FOSTER CARE REVIEW BOARD

GOAL 19	Fully utilize data and information gathered from independent reviews of the foster care system to ensure children in foster care are safe and thriving with life-long families.	<p>Reduce administrative time spent planning and preparing for statutorily-mandated, independent reviews.</p> <p>Build the capacity of local review boards to advocate for connecting children to forever families.</p>
GOAL 20	Achieve the 2013 "Target Advocacy Goal" of increasing finalized adoptions for youth in foster care ages 13 and older.	<p>Coordinators work with local review boards, the Department of Social Services, and Heart Gallery staff to identify and eliminate barriers to adoption for youth ages 13 and older.</p> <p>Heart Gallery will expedite display of photographs for youth ages 13 and older.</p>

GUARDIAN AD LITEM

GOAL 21	Recruit sufficient volunteers to support 100% child abuse and neglect case appointment with no staff cases.	County and regional staff will analyze caseloads and current volunteer pool to determine the number of volunteers and training sessions needed as part of their County Plan.
GOAL 22	Increase volunteer retention through case management support and continuing education that improve volunteer performance and enhances positive outcomes for children.	<p>Each county will analyze their volunteer retention patterns and develop retention goals to meet or exceed the annual state retention rate as part of their County Plan.</p> <p>County staff will develop a plan to provide 12 hours of continuing education per year for their volunteers as part of their County Plan.</p>
GOAL 23	Increase staff competency in use of ETO data system that collects and tracks child outcomes.	<p>Monitor staff competency and provide feedback through the case file audit system to ensure that case data is being accurately reported and tracked.</p> <p>Supervisory staff will audit a minimum of 5% of case files in each county a minimum of once every six months.</p>
GOAL 24	Improve tracking of face to face visits with children, tracking of volunteer hours and tracking of time spent on volunteer training.	Results of county audits established a baseline of 90% monthly face to face contacts recorded from monthly monitoring reports; staff received training on proper methods of recording hours and visits in the data system.
GOAL 25	Implement a statewide marketing campaign for volunteer recruitment based on the National CASA model of "I am for the Child."	Increase public awareness of the GAL Program, develop brand identity with "I am for the Child" and assist counties with recruitment by increasing volunteer inquiries.
GOAL 26	Retain and strengthen contract attorney system to ensure quality legal representation.	<p>Ensured maximizing funds in addition to those appropriated by the legislature, accessing federal funding through the Department of Social Services to pay attorney fees and utilizing 2% funds pursuant to an existing proviso, the latter which related to income tax overpayments.</p> <p>Facilitated efforts to encourage attorney retention, including provision of ongoing training and technical support to contract attorneys.</p> <p>Contracted with attorneys to provide attorney representation for FY 2012-13, in amounts that took into consideration caseload, frequency of hearings, and ways to consolidate county attorney representation, as was possible and appropriate.</p>

Office of the State Inspector General**Recommended Appropriations**

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There is 1 proviso in this section; the budget proposes no changes.

Goals and Objectives

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 1	Continuously refresh and develop relationships with key constituents, to include Agency Directors, internal audit community, other investigative entities with venue in the Executive Branch, and Legislative leadership and staff in order to glean leads on potential cases of significance and merit.
	Meet each House and Senate Committee Chairman and brief them on the SIG's mission and capabilities, which includes acting on legislative requests for investigations in the Executive Branch involving significant waste and accountability issues.
	Emphasize specific issues to generate narrowly focused investigations that not only address issue under review, but have potential for lessons learned impacting the entire Executive Branch.
	Deploy a preliminary investigation (PI) process to maximize cases scoped out for significant waste and performance issues, yet conserve resources to devote to those cases, known as full investigations (Full), with the highest potential. This PI approach allows the SIG more "contact" with the Executive Branch to maintain a healthy presence. Closed PIs add value through a cursory review of operations that does not provide assurance, yet conducts enough review to determine there is likely not a significant issue of FWA.
	Enhance outreach program to push education regarding the SIG's mission/capabilities through multiple mechanisms to Executive Branch employees.
	Communicate "lessons learned" with "SIG Alerts" during the year.
GOAL 2	Results are measured in impact defined as cost savings, enhanced effectiveness, or a combination of both, preferably at the statewide or agency level.
	Require all state agencies to affirmatively report all fraud/corruption allegations to the SIG.
	Provide "one-stop shopping" for allegations, swift initial assessment, and then facilitates a coordinated law enforcement response.
GOAL 3	Publish an annual report of the impact of fraud/corruption on state government emphasizing "lessons learned" and internal control recommendations.
	Investigate allegations of serious misconduct by senior Executive Branch employees on a case-by-case basis to maintain integrity in its leadership and confidence with the public.
	Market its capabilities to conduct executive misconduct investigations to Agency Directors, which can provide them an independent investigation to enhance acceptance of results for internal morale and external confidence, as well as produce a product for a fair personnel adjudication, if warranted.
	Maintain vigilance through all sources of information, to include the media, for potential cases where the SIG may self-initiate an independent investigation deemed necessary to be in the public's best interest.

GOALS NOT MAPPED TO SPECIFIC BUDGET PROGRAMS.	
GOAL 4	<p>Will proactively make recommendations to the Legislative and Executive Branches to strengthen public integrity laws and implementation policies, respectively.</p> <p>Meet with each Chairman of the House and Senate Ethics Committee to provide the SIG's input as proposed ethics reforms impacting the Executive Branch.</p> <p>Establish an ethics component as an integral part of the SIG's outreach program provided in a number of high profile forums to market the SIG's mission and capabilities.</p> <p>Develop a mechanism for situational awareness of all complaints at the Ethics Commission for lead potential.</p>
GOAL 5	<p>Serve as a central and confidential repository for state employees, as well as the public, to provide information to improve government performance, also known as "fraud, waste, and abuse," often through the SIG's hotline.</p> <p>Action pertinent information with investigations and reviews by the SIG.</p> <p>Route information not actioned by the SIG in a manner to prevent compromising any confidentiality to the appropriate state agency for follow-up, which may or may not require a formal report back to the SIG based on its significance.</p> <p>Provide a healthy feedback mechanism to state government Agency Heads, such as quality of service, leadership issues, or personnel matters.</p>
GOAL 6	<p>For unique & special Executive Branch-Wide issues, lead a task force of agency subject matter experts on a state-wide process / procedure / topic which benefits from the independence, strategy, and rigor of an SIG report due to sensitivities of entities with equities at stake in the outcome.</p> <p>In FY 2013-2014, develop pilot program presentation for the Budget Control Board (BCB), Governor's Office, and key legislative staff to inspect agencies' organizational objectives, strategies, metrics for success, and information systems to manage this process. This will provide a quality control on annual Accountability Reports, sensitize agencies on the need to focus on these key operational areas, and provide a unique developmental opportunity for midlevel executives participating with the SIG on these reviews.</p> <p>In FY 2013-2014, develop pilot program presentation for the BCB, Governor's Office, and key legislative staff to consider implementing leadership & climate surveys in EB agencies on an annual basis.</p>
GOAL 7	<p>The SIG provides a value-added service, along with a real dose of accountability, in the above strategy, as well as provides "lessons learned" feedback through "SIG Alerts" or annual reports to Executive Branch agencies on all strategies. This then leads to the most important objective:</p> <p>Create an organization-wide environment for Executive Branch leaders, motivated either through "organizational doctor" encouragement or "taxpayer watchdog" fear, to re-examine their strategies & execution processes to improve performance, and learn from examples of fraud, corruption, waste, and serious misconduct instances across the entire Executive Branch.</p>

Treasurer's Office

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There are 12 provisos in this section; the budget proposes to codify 2.

# / ACTION	TITLE / DESCRIPTION
97.3	Investments
Codify	<i>This proviso first appeared in 1989 and permits the State Treasurer to pool funds from various funds for investment purposes, enabling the state to reduce costs and achieve greater economies of scale. This provision belongs in permanent law.</i>
97.10	Signature Authorization
Codify	<i>This proviso permits the State Treasurer to authorize certain employees to sign documents on his behalf. The Comptroller General has a similar proviso, which the Executive Budget also proposes to codify.</i>

Goals and Objectives

II. PROGRAMS AND SERVICES		
GOAL 1	Support Office banking needs.	Communicate with agencies about their specific banking needs and through partnering with banking service providers, incorporate new services and technology where available.
GOAL 2	Reconcile bank accounts and limit unrecorded deposits.	Add sub-accounts for additional agencies, utilize additional features of online banking services, and further automate file transfer and reconciliation to facilitate timely reconciliations.
GOAL 3	Distribute shared revenue.	Utilize and regularly review automated systems to assure compliance with applicable distribution laws.
GOAL 4	Provide cost-effective, professional portfolio management services.	With a highly trained, professional staff and state-of-the-art portfolio management tools, manage fixed income funds internally and obtain the best returns within the prescribed parameters.
GOAL 5	Maintain adequate collateral.	Utilize automated systems for timely monitoring and adjustment of collateral.
GOAL 6	Optimize earnings through effective cash management while maintaining adequate liquidity.	Utilize state-of-the-art cash management tools and practices; employ proper cash forecasting models and communication with agencies to predict cash needs and to match investments with those needs.
GOAL 7	Pay all debt accurately and on time.	Utilize automated system for timely and accurate calculation and execution of debt payments.
GOAL 8	Close all new debt issues by prescribed and agreed upon deadlines.	Utilize experienced staff and outside advisors depending on the nature of the issue.
GOAL 9	Issue debt at lowest rate possible.	Maintain high credit rating through careful management of the rating Office relationship, provide advice and guidance to policymakers when appropriate, and maximize exposure of debt offerings.
GOAL 10	Develop debt and finance policies that optimize value to the taxpayer and constituency.	Perform impact analyses and special studies as requested or warranted by the circumstances.
GOAL 11	Increase amount of property returned to rightful owners.	Increase public awareness of Program and continue to aggressively seek owners.
GOAL 12	Promote holder compliance with unclaimed property requirements.	Promote holder awareness through outreach and education efforts.

II. PROGRAMS AND SERVICES

GOAL 13	Increase electronic reporting of unclaimed property.	Continue to provide downloadable reporting software via the internet. Require holder reports be submitted electronically.
GOAL 14	Increase the number of college savings accounts within the programs, particularly among South Carolinians.	Promote college savings to South Carolinians at all income levels and throughout the state.
GOAL 15	Expand internet services for Future Scholar, meeting customer expectations and enabling online account access.	Continue marketing the Future Scholar Plan with the collaboration of the State Treasurer's Office and Columbia Management.
GOAL 16	Expand internet services for SCTPP account owners using online WAVE account services and the SCTPP website.	Provide better online access to account holders of Future Scholar accounts.
GOAL 17	Provide guidance on reporting of court fines and assessments to local government treasurers.	Conduct annual court fines training for county and municipal treasurers.
GOAL 18	Develop an electronic database of county and municipal audits.	Request all local governments to submit mandated annual audits electronically to reduce the cost of printing and postage and to enhance data management.
GOAL 19	Provide continuing education opportunities on services provided to local governments by the State Treasurer's Office.	Continue partnering with the Department of Revenue to provide educational seminars for county treasurers through the South Carolina Auditors, Treasurers and Tax Collectors Association (SCATT).

Adjutant General's Office

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An increase of \$366,586 in recurring support for the maintenance and operation of state armories, to be augmented by \$2,200,000 from the Capital Reserve Fund.
 - The Readiness Center loan will be paid-off by the end of FY 2013-14, making an additional \$300,000 available for armory projects in FY 2014-15.
- ✿ An additional \$22,103 to maintain buildings and grounds, including readiness centers.
- ✿ That the General Fund appropriation for Army Contract Support be raised by \$51,700, to fund the state's share of energy efficiency projects at state armories.
- ✿ A \$10,000 increase in recurring support for training exercises.

CAPITAL RESERVE FUND

Major Projects and Repairs – State Armories	\$ 2,200,000
---	--------------

Provisos

- ✿ There are 16 provisos in this section; the budget proposes to codify 6 and delete 1.

# / ACTION	TITLE / DESCRIPTION
99.1	Unit Maintenance Funds
Codify	<i>This proviso permits the Adjutant General to allocate unit maintenance funds to the various National Guard units.</i>
99.2	Revenue Collections
Codify	<i>This proviso allows National Guard units to retain and expend revenues for budgeted purposes, from sources such as county and city appropriations, vending machines, rental of armories, court martial fines, and federal reimbursements to armories for utility expenses. These funds are also eligible to be used as state match for federal funds.</i>
99.3	Rental Fee for Election Purposes
Codify	<i>This proviso enables armories to recover custodial and electrical costs when their facilities are used as polling locations.</i>

99.5 Armory Rental Program

Codify *This proviso authorizes the Adjutant General's Office to develop a uniform program for renting state armories with any proceeds to be retained and expended for the maintenance and operations of those facilities.*

99.6 Meals in Emergency Operations Centers

Codify *Several agencies currently have provisos enabling them to cover the costs of employees' meals whenever they are not permitted to leave their stations and are required to work during actual emergencies, emergency situation exercises, and when the Governor declares a state of emergency. The Executive Budget proposes to codify this provision wherever it appears out of respect to the state's first responders.*

99.12 Citadel-S.C. National Guard Readiness Center

Delete *This proviso established the terms by which the Adjutant General's Office would repay the loan provided by the FY 2007-08 Appropriations Act. This loan will be fully repaid by the end of FY 2013-14, rendering the proviso obsolete and providing the Adjutant General's Office with an additional \$300,000 that can be applied towards the needs of the state's armories in the upcoming year.*

99.14 Emergency Commodities

Codify *This proviso allows the Adjutant General's Office to receive compensation (not to exceed replacement cost) from neighboring states, counties, municipalities and other state agencies, for water supplies and meals ready-to-eat (MREs) housed in the state's Logistics Center. Any proceeds would be exclusively directed towards the replacement of these emergency commodities.*

Election Commission

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An increase of \$380,000 in recurring operating support, including \$100,000 for an information security officer, \$100,000 to participate in the Election Registration Information Center (ERIC) to assure the integrity of South Carolina's voter rolls, \$130,000 for anticipated printing and postage costs associated with contacting voters matched in the ERIC system, and \$50,000 for ongoing technology improvements.
- ✿ A total allocation of \$725,000 in non-recurring funds, primarily to offset the unanticipated cost of holding a special election in the 1st Congressional District in 2013, but also to improve network security and data encryption.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Statewide Election Funds	\$	625,000
Security and Technology Enhancements	\$	100,000

Budget and Control Board

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ That the Division of Information Security receive a recurring General Fund increase of \$6,149,366 and a one-time appropriation of \$8,782,000 to implement Deloitte's recommendations to improve the state's information security practices and systems.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Provisos

- ✿ There are 30 provisos in this section; the budget proposes to amend 6 (including 2 for technical reasons), codify 4, delete 3, and transfer 1.

# / ACTION	TITLE / DESCRIPTION
101.3	State House Operation & Maintenance Account
Codify	<i>This proviso requires that funds appropriated for the operations and maintenance of the Statehouse be maintained in a separate account, as has been the case for more than a decade.</i>
101.5	Compensation - Reporting of Supplemental Salaries
Codify	<i>This proviso prohibits salary supplements without the prior approval of agency heads or their designees, and directs the Human Resources Division to establish policies and procedures for the associated reporting requirements.</i>
101.7	Vacant Positions
Amend	<i>The proviso states that positions vacant for 12 months or longer may be deleted by the Budget and Control Board. Agencies routinely circumvent this process by laterally transferring employees into vacant positions in order to "reset the clock." Ultimately, this process offers no real benefit for the taxpayers, since vacant positions have no fiscal impact; truly controlling the cost and size of government means managing dollars, not empty boxes on organization charts. To relieve them of the administrative burden of complying with this process, the Executive Budget proposes to amend this proviso to exempt the state's institutions of higher learning from it.</i>

101.12	Geodetic Mapping Program
Amend	<i>This proviso controls the use of funds appropriated to the Budget and Control Board for "Mapping." The Executive Budget supports the Board's request to repurpose funds previously used to resolve the boundary with North Carolina, so that they may instead be used to clarify county boundaries.</i>
101.13	Military Service
Codify	<i>This proviso permits permanent full-time state employees serving on active duty as a result of an emergency or Presidentially-declared conflict to use accumulated leave as annual leave, in excess of the typical limits.</i>
101.14	Antenna and Tower Placement
Codify	<i>This proviso directs that antennas and towers only be placed on higher education campuses in conformity with those institutions' master plans. It has been in effect since FY 2003-04.</i>
101.17	Base Closure Fund Carry Forward Transfer
Transfer Out	<i>The Executive Budget supports the Board's request to transfer this proviso to the Department of Commerce, since the fund balance was relocated there in FY 2013-14.</i>
101.18	SC/NC Boundary Dispute
Delete	<i>This proviso requires that an annual report be filed on progress made in resolving the border dispute with North Carolina. The technical work was completed on May 3, 2013. The Executive Budget supports the Board's request to delete this proviso and amend the reporting language into Proviso 101.19 (SC Boundary Commission).</i>
101.19	SC Boundary Commission
Amend	<i>This proviso establishes the South Carolina Boundary Commission and provides for its composition and purpose. The Board requests that this proviso be amended to insert annual reporting language currently contained in Proviso 101.18 (SC/NC Boundary Dispute).</i>
101.25	Insurance Coverage for Aging Entity Authorized
Amend (Technical)	<i>This proviso allows the Insurance Reserve Fund to provide coverage for aging entities and their employees. It contains a fiscal year reference that must be updated.</i>
101.27	IRF Report
Amend (Technical)	<i>This proviso directs the Budget and Control Board to produce a report on the use of the Insurance Reserve Fund in the prior year. The report's deadline must be updated.</i>

101.28 Activation of State House Garage Security System

Delete *This proviso directed that the State House security must be activated by July 1, 2013. It is no longer required.*

101.29 Consolidation of Administrative Functions

Delete *This proviso called for a report on consolidating the administrative functions of agencies receiving fewer than \$5 million in total appropriations into the Budget and Control Board. The report was due January 3, 2014.*

101.30 Second Injury Fund Closing Plan

Amend *The Second Injury Fund was terminated on July 1, 2013; this proviso authorizes the Board to take actions needed to implement the closure plan. The Executive Budget proposes to continue this authority in FY 2014-15, with the minor wording changes requested by the Board.*

State Auditor

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ No changes from FY 2013-14 funding levels.

Provisos

- ✿ There are 3 provisos in this section; the budget proposes no changes.

Goals and Objectives

		II. AUDITS
GOAL 1	Audit the State of South Carolina's Basic Financial Statements prepared by the Comptroller General.	Contract with a private CPA firm for one-half of the 4,850 audit hours budgeted to complete the audit by the Comptroller General's Office deadline.
GOAL 2	Audit the State of South Carolina's Schedule of Expenditures of Federal Awards as mandated by the Single Audit Act Amendments of 1996.	Contract with a private CPA firm for one-half of the 12,000 audit hours budgeted to ensure completion of the audit engagement by the March 31st deadline.
GOAL 3	Perform audit and agreed-upon procedures engagements of the financial records of state agencies.	Conduct as many audits as possible with available staff and available funds for contracts with private CPA firms. The objective is to conduct audit or agreed-upon procedures engagements of each state agency each year.
GOAL 4	Perform agreed-upon procedures engagements of cost reports filed by institutional providers of Medicaid services.	Conduct agreed-upon procedures engagements of 25% of the Medicaid providers each year.
GOAL 5	Perform agreed-upon procedures engagements of the financial records of general sessions, municipal, and magistrate courts.	Conduct at least 15 agreed-upon procedures engagements of general sessions, municipal or magistrate courts annually using existing staff or by contracting with a private CPA firm.

Employee Benefits

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- A General Fund increase of \$57,174,000 to cover the state's share of the growth in employee benefit costs, assuming that the state covers the full premium increase for the upcoming year (3.9% projected) and the benefit package is revised within the confines of the plan's grandfathered status under the Affordable Care Act.

Provisos

- There are no provisos in this section.

Goals and Objectives

This section of the budget isolates funding that is distributed for pay raises and employee pension and benefit plans. There are no associated goals or objectives for this section.

Department of Revenue

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ An increase of \$3,527,000 in recurring funds to improve the Department of Revenue's information security posture.
- ✿ A non-recurring allocation of \$6,500,000 for the 2014 renewal of the contract for statewide identity and credit protection coverage; in the event that these funds are not required, the excess would be transferred to the Division of Information Security.
- ✿ An additional non-recurring appropriation of \$14,000,000 for the upcoming year's expenses associated with the purchase and implementation of a new tax processing system. The Department of Revenue anticipates making smaller requests in each of the three subsequent fiscal years in order to complete the project.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Tax Processing System	\$ 14,000,000
Identity and Credit Protection Services	\$ 6,500,000

MASTER SETTLEMENT AGREEMENT (TOBACCO)

Diligent Enforcement	\$ 325,000

Procurement Review Panel

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

 No changes from FY 2013-14 funding levels.

Provisos

 There is 1 proviso in this section; the budget proposes to codify it.

# / ACTION	TITLE / DESCRIPTION
108.1	Filing Fee
Codify	<i>This proviso authorizes the Panel to collect fees to offset the costs of the reviews they conduct. This is a durable provision that belongs in permanent law.</i>

Goals and Objectives

I. ADMINISTRATION

GOAL 1	Continue the panel's timely, cost-efficient hearings that produce timely orders.	Provide these hearings within the budgetary and statutory time limits.

Debt Service

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The use of \$25,951,954 in non-recurring funds and a reduction of \$19,209,269 in recurring Debt Service appropriations, to ensure the state will meet its commitments in the upcoming year. This would bring the recurring line to the level currently expected to be required in FY 2015-16.
- ✿ An additional one-time allocation of \$6,400,000 to allow for accelerated debt repayments or to provide a greater cushion for the debt service appropriation balances.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (NOV. 2013)

Debt Service	\$ 25,951,954
Additional Debt Service Transfer	\$ 6,400,000

Provisos

- ✿ There is 1 proviso in this section; the budget proposes to codify it.

# / ACTION	TITLE / DESCRIPTION
109.1	Excess Debt Service Funds Carry Forward
Amend (Technical) and Codify	<i>This proviso allows funds appropriated for debt service to be carried forward in the event of an excess balance. It contains a fiscal year reference that must be updated.</i>

Goals and Objectives

This section of the budget does not appropriate funds to a state agency or another specific entity; it exists to isolate those funds that will be used to service the state's debt in the upcoming fiscal year. There are no associated goals or objectives for this section.

Aid to Subdivisions – State Treasurer

Recommended Appropriations

The Governor's FY 2014-15 Executive Budget recommends:

- ✿ The continued use of \$30,000,000 in non-recurring funds to supplement the recurring General Fund allocation.

NON-RECURRING REVENUES, CERTIFIED BY THE BOARD OF ECONOMIC ADVISORS (Nov. 2013)

Local Government Fund	\$ 30,000,000
-----------------------	---------------

Provisos

- ✿ There are 7 provisos in this section; the budget proposes to amend 3 for technical reasons.

# / ACTION	TITLE / DESCRIPTION
110.2	Quarterly Distributions
Amend (Technical)	<i>This proviso establishes a quarterly distribution schedule for Local Government Fund payments under Part 1A of the Appropriations Act. It contains a fiscal year reference that must be updated.</i>
110.5	LGF
Amend (Technical)	<i>This proviso suspends the requirement that 4.5% of prior year General Fund revenues be appropriated to the Local Government Fund. It contains a fiscal year reference that must be updated.</i>
110.7	Political Subdivision Flexibility
Amend (Technical)	<i>This proviso allows political subdivisions to underfund state mandates in the same proportion by which the Local Government Fund has been reduced. It contains a fiscal year reference that must be updated.</i>

Goals and Objectives

This section of the budget isolates funding that is distributed to various local and regional entities, generally by formula. There are no associated goals or objectives for this section.

General Provisions

Provisos

-  There are 118 provisos in this section; the budget proposes to amend 13 (including 7 for technical reasons), codify 13, and delete 7.

# / ACTION	TITLE / DESCRIPTION
117.2	Appropriations From Funds
Amend (Technical)	<i>This proviso identifies the state funds from which resources have been appropriated by this bill. It contains a fiscal year reference that must be updated annually.</i>
117.3	Fiscal Year Definitions
Amend (Technical)	<i>This proviso identifies the terms and periods for which funds are being appropriated by this bill.</i>
117.6	Case Service Billing Payments Prior Year
Codify	<i>This proviso allows agencies receiving case services funds to pay against prior year billings with current year funds, even if the prior year's books have been closed.</i>
117.14	Discrimination Policy
Codify	<i>The Executive Budget supports the Budget and Control Board's request to codify this proviso, which reaffirms the state's commitment to equal employment opportunity.</i>
117.15	Personal Service Reconciliation, FTEs
Amend	<i>This proviso defines the process through which FTEs are managed by the Budget and Control Board. Ultimately, this process offers no real benefit for the taxpayers, since vacant positions have no fiscal impact; truly controlling the cost and size of government means managing dollars, not FTEs. To relieve them of the administrative burden of complying with this process, the Executive Budget proposes to amend this proviso to exempt the state's institutions of higher learning from it.</i>
117.17	Universities & Colleges - Allowance for Presidents
Codify	<i>This proviso prohibits the payment of fixed allowances for the personal expenses of various university presidents.</i>
117.25	TEFRA – Tax Equity and Fiscal Responsibility Act
Codify	<i>This proviso expresses the General Assembly's desire that the Medicaid program offer benefits to disabled children under the TEFRA option. This has been state policy for many years.</i>

117.33 State DNA Database

Codify *This proviso directs criminal justice agencies collecting funds to process DNA samples to transfer those funds to SLED to offset the costs of the DNA Database program.*

117.35 Voluntary Separation Incentive Program

Codify *The Executive Budget supports the Budget and Control Board's request to codify this proviso, which allows agencies, in conjunction with the Human Resources Division, to provide separation incentive payments to employees.*

117.42 COG Annual Report

Codify *This proviso requires annual reporting by Councils of Government on their uses of state funds.*

117.47 DMV Data

Codify *This proviso directs the Department of Motor Vehicles to provide the Department of Transportation with access to certain reports, free of charge.*

117.49 Tobacco Funds

Delete *This proviso permits the Tobacco Settlement Revenue Management Authority to refund bonds and take other actions that are no longer relevant, since the existing bonds have now been paid off. This proviso is no longer required.*

117.51 Insurance Claims

Codify *This proviso authorizes agencies receiving insurance claims to retain, expend, and carry-forward the proceeds, provided that the funds are used to offset claim-related expenses.*

117.52 Organizational Charts

Codify *The Executive Budget supports the Budget and Control Board's request to codify this proviso, which requires agencies to produce organizational charts annually.*

117.67 CID & PCC Agency Head Salaries

Codify *This proviso applies Agency Head Salary Commission procedures to the Commission on Indigent Defense and the Prosecution Coordination Commission.*

117.69 Attorney Dues

Codify *This proviso allows agencies to use appropriated funds to pay employees' mandatory dues to the South Carolina Bar Association.*

117.77 Printed Report Requirements

Amend *The proviso allows a number of agencies to submit reports electronically, instead of in paper, as required by permanent law. The Executive Budget proposes to revert to the FY 2012-13 text, which provided slightly greater regulatory relief for institutions of higher learning.*

117.85 Reduction in Compensation

Codify *This proviso prevents punitive action against an employee, solely for his or her sworn testimony before a legislative committee.*

117.93 Recovery Audits

Amend *This proviso directs state agencies to participate in recovery audits, to identify and recapture any overpayments. Approximately \$131,000 has been recovered for the state in recent years, net of the contractor's fee. The overwhelming majority of state agencies and institutions of higher learning have not had a single overpayment identified during that period. These agencies and universities should be spared the administrative burden of participating in this process if the record shows that they have been effectively monitoring their payments. The Executive Budget's proposed amendments would also direct recoveries to the Tax Relief Reserve Fund.*

117.94 Funds Transfer to ETV

Amend (Technical) *This proviso controls the transfer of funds to the Educational Television Commission for a range of services provided to other agencies. It contains a date reference that must be updated.*

117.96 Means Test

Amend (Technical) *This proviso directs agencies providing healthcare services to file reports on the opportunities to apply means testing by January 1, 2014. The reporting deadline must be revised if the report is to be updated on a regular basis.*

117.97 Agency Reduction Management

Delete *This proviso identifies general priorities for agencies to consider whenever assessed a base reduction. These basic priorities should be self-evident. Furthermore, the proviso suggests that an agency should implement furloughs and pay reductions before it seeks to "eliminate administrative overhead cost that does not directly impact the agency's mission." The latter should be a higher priority in any year, regardless of whether reductions are imposed.*

117.98 WIA Service Advertising

Amend (Technical) *This proviso establishes parameters for the Workforce Investment Boards' marketing of their programs. It contains a fiscal year reference that must be updated.*

117.99	WIA Training Marketability Evaluation	
Amend (Technical)	<i>This proviso directs the Department of Employment and Workforce to provide annual reports on how funds have been expended to provide marketable skills work training as well as the agency's internal restructurings in the prior year. It contains a fiscal year reference that must be updated.</i>	
117.102	USC Greenville Medical School	
Amend (Technical)	<i>This proviso prohibits the use of General Funds to support the new medical school in Greenville. It contains a fiscal year reference that must be updated.</i>	
117.103	Retirement Investment Commission	
Amend	<i>This proviso required that the Commission submit a plan for awarding bonuses in calendar year 2014 to the legislative subcommittees on retirement reform, which would both need to approve that plan before it could be implemented. The Executive Budget proposes to require that a similar plan be filed for calendar year 2015 with the Governor and the Chairmen of the House Ways and Means and Senate Finance Committees, but that the plan would not require their consent in order to take effect.</i>	
117.108	First Steps Reauthorization	
Delete	<i>This proviso reauthorized the First Steps program until June 30, 2014. A more durable reauthorization should be passed during the 2014 session.</i>	
117.109	Sexually Violent Predators Treatment RFP	
Delete	<i>This proviso required that a Request for Proposals be issued by October 31, 2013 for the housing and treatment of sexually violent predators. The required procurement has been released.</i>	
117.110	Prohibit Use of State Aircraft for Athletic Recruitment	
Amend	<i>This proviso was established in FY 2013-14 to prevent institutions of higher learning from using state aircraft to conduct athletic recruitment. The Executive Budget would create an exception for cases in which an institution reimbursed the Division of Aeronautics on an at-cost basis, using non-state funds.</i>	
117.114	Fiduciary Audit	
Amend	<i>This proviso was established in FY 2013-14 to satisfy new provisions in permanent law requiring that the Inspector General employ a private audit firm to provide an annual fiduciary audit of the Retirement System Investment Commission. The proposed amendment would reduce the amount made available from \$700,000 to \$500,000, following the Inspector General's request.</i>	

117.115 Aircraft Chartering Services Analysis

Delete *This proviso directs the Budget and Control Board to conduct a cost-benefit analysis regarding the prospective sale of two state aircraft. This report was due December 31, 2013.*

117.116 Donation of Alcoholic Liquors

Delete *This proviso authorized wholesalers to donate alcoholic beverages to nonprofit organizations in association with an event that has already been held.*

117.118 State Ports Authority Property

Delete *This proviso transfers responsibility for selling certain property on Daniel Island and Thomas Island among state agencies on specific dates, in an attempt to facilitate a sale.*

Provisos

- ✿ There are 14 provisos in this section; the budget proposes to amend 5 (Including 2 for technical reasons), delete 3, and establish 2.

# / ACTION	TITLE / DESCRIPTION
118.1	Year End Expenditures
Amend (Technical)	<i>This proviso defines the terms and conditions under which funds appropriated may lapse to the General Fund.</i>
118.2	Titling of Real Property
Amend	<i>This proviso calls for the establishment of a centralized real estate process for many agencies, but exempts institutions of higher learning and other authorities from complying. The Executive Budget proposes to delete language corresponding to the Halton Road project discussed in Proviso 1.38 (Replacement Facilities).</i>
118.5	LGF
Delete	<i>This proviso duplicates Proviso 110.5, which also suspends the permanent statutory obligation to appropriate 4.5% of prior year General Fund reserves to the Local Government Fund. The Executive Budget proposes to retain Proviso 110.5 in lieu of this one, since Proviso 110.5 also suspends a related section.</i>
118.6	Increased Enforced Collections Carry Forward
Amend	<i>Enforced collections are now accounted for in the General Fund revenue estimate and are appropriated accordingly in the Executive Budget. More than \$5.2 million remained in this account as of the end of FY 2012-13; agencies should have already expended these funds, negating the need for this proviso to continue. The Executive Budget proposes to transfer any remaining balance to the Tax Relief Reserve Fund.</i>
118.7	Health Care Maintenance of Effort Funding
Amend	<i>This proviso appropriates cigarette surcharge proceeds to the Medicaid program's maintenance of effort. The text in FY 2013-14 contained a one-year revenue forecast that will need to be updated.</i>
118.11	Tax Relief Reserve Fund
Amend (Technical)	<i>This proviso established the Tax Relief Reserve Fund so that it might be used to fund tax relief for businesses and individuals. It contains a date reference that must be updated.</i>

118.12	Tobacco Settlement [FY 2013-14]
Delete and Replace	<i>This proviso appropriated funds available through the Master (Tobacco) Settlement Agreement in Fiscal Year 2013-14.</i>
118.13	Nonrecurring Revenue [FY 2013-14]
Delete	<i>This proviso appropriated non-recurring revenue in Fiscal Year 2013-14.</i>
118.15*	Tobacco Settlement [FY 2014-15]
Establish	<i>This proviso makes certain funds available through the Master (Tobacco) Settlement Agreement for various agencies' use in Fiscal Year 2014-15.</i>
118.16*	Nonrecurring Revenue [FY 2014-15]
Establish	<i>This proviso appropriates non-recurring revenue for Fiscal Year 2014-15. The Executive Budget's proposed uses of these funds are presented in the various agency presentations.</i>

Regulation of expenditure of appropriations to the Department of Education for the K-12 Technology Initiative

SECTION 2. (A) Funds appropriated to the Department of Education for the K-12 Technology Initiative shall be distributed among the public school districts of the state, including special schools and the South Carolina Public Charter School District, in proportion to their 135-day average daily memberships (ADM) for the most recent fiscal year for which such data are available. The Department of Education shall distribute funds to school districts as follows:

- (1) For a school district with a poverty index of less than 75: \$35 per ADM;
- (2) For a school district with a poverty index of at least 75 but no more than 85: \$50 per ADM; or
- (3) For a school district with a poverty index of 85 or greater or a special school with no defined poverty index: \$70 per ADM.

(B) The Department of Education may adjust the per-ADM rates for each of the three classes defined above in order to conform to actual levels of student attendance and available appropriations, provided that the per-ADM rate for each class is adjusted by the same percentage.

Funds distributed to a school district through the K-12 Technology Initiative may only be used for the following purposes:

- (1) To improve external connections to schools, with a goal of reaching at least 100 kilobits per second, per student in each school by 2017;
- (2) To improve internal connections within schools, with a goal of reaching at least 1 megabit per second, per student in each school by 2017; or
- (3) To develop or expand one-to-one computing initiatives.

A school district that has achieved each of the above goals may petition the K-12 Technology Initiative Committee for permission to apply its allocation to other technology-related uses; such permission shall not be unreasonably withheld.

(C) Funds appropriated in this section may not be used to supplant existing school district expenditures on technology. By August 1, 2015, each school district that receives funding through the K-12 Technology Initiative during Fiscal Year 2014-15 must provide the K-12 Technology Initiative Committee with an itemized report on the amounts and uses of these funds, using a form developed by the Education Oversight Committee. In this report, a school district must provide information on its efforts to obtain reimbursements through the “E-Rate” Schools and Libraries Program administered by the Universal Service Administrative Company. Within its available resources, the K-12 Technology Initiative Committee shall support school districts’ efforts to obtain these reimbursements.

Regulation of expenditure of appropriations to the Commission on Higher Education for the Higher Education Infrastructure Bank

SECTION 3. Funds appropriated to the Commission on Higher Education for the Higher Education Infrastructure Bank shall be allocated among the senior public colleges and their branches in proportion to their respective shares of full-time equivalent in-state undergraduate students, except that the Medical University of South Carolina shall instead receive the first three million dollars made available in this appropriation. In order to receive any or all of its allocation, an institution must satisfactorily demonstrate to the Director of the State Budget Division that it will match the funds then requested on a 1:1 basis with non-state resources. Funds distributed from the Higher Education Infrastructure Bank must be used to renovate, repair, or maintain existing facilities; institutions shall prioritize projects that protect health and safety.

Regulation of expenditure of appropriations to the State Board for Technical and Comprehensive Education for the Technical Education Infrastructure Bank

SECTION 4. Funds appropriated to the State Board for Technical and Comprehensive Education for the Technical Education Infrastructure Bank shall be allocated among the member institutions in proportion to their respective shares of full-time equivalent in-state undergraduate students. In order to receive any or all of its allocation, an institution must satisfactorily demonstrate to the Director of the State Budget Division that it will match the funds then requested on a 1:1 basis with non-state resources. Funds distributed from the Technical Education Infrastructure Bank must be used to renovate, repair, or maintain existing facilities; institutions shall prioritize projects that protect health and safety.

Posting of appropriations, carry forward

SECTION 5. The Comptroller General shall post the appropriations contained in this joint resolution as provided in Section 11-11-320(D) of the 1976 Code. Unexpended funds appropriated pursuant to this joint resolution may be carried forward to succeeding fiscal years and expended for the same purposes.

Time effective

SECTION 6. This joint resolution takes effect thirty days after the completion of the 2013-2014 fiscal year in accordance with the provisions of Section 36(B)(3)(a), Article III, Constitution of South Carolina, 1895, and Section 11-11-320(D)(1) of the 1976 Code.

State House First Floor
Columbia, South Carolina 29201

Dear Governor Haley,

This is in response to a request by your staff for a revenue impact of the attached draft bill referenced 9999 that reduces the rate for the current 6 percent individual income tax bracket to 5 percent beginning in tax year 2014. Based upon the tax year 2011 individual income tax returns, we have estimated the revenue impact on the General Fund of such a change to be a decrease of \$26,695,000 for FY 2014-15. At this time we do not have the 2012 individual income tax return data. This figure may be adjusted when we receive the 2012 returns if the data alters our current assumptions. Please find attached a spreadsheet with our detailed analysis.

If we may be of any further assistance, please advise.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank A. Rainwater".

A BILL

TO AMEND THE CODE OF LAWS OF SOUTH CAROLINA, 1976, BY ADDING SECTION 12-6-511 SO AS TO ELIMINATE THE SIX PERCENT INCOME BRACKET AND INSTEAD TAX THAT INCOME AT FIVE PERCENT.

Amend Title To Conform

Be it enacted by the General Assembly of the State of South Carolina:

SECTION 1. Article 5, Chapter 6, Title 12 of the 1976 Code is amended by adding:

“Section 12-6-516. (A) Notwithstanding the provisions of Section 12-6-510, for taxable years beginning after 2013, a tax is imposed on the South Carolina taxable income of individuals, estates, and trusts and any other entity except those taxed or exempted from taxation under Sections 12-6-530 through 12-6-550 computed at the following rates with the income brackets indexed in accordance with Section 12-6-520:

OVER	BUT NOT OVER		
\$ 0	\$ 2,880	0%	Times the amount
2,880	5,760	3%	Times the amount less \$86
5,760	8,640	4%	Times the amount less \$144
8,640	14,400	5%	Times the amount less \$230
14,400		7%	Times the amount less \$490

(B) The department may prescribe tax tables consistent with the rates set pursuant to subsection (A).”

SECTION 2. This act takes effect upon approval by the Governor.
